Resolution #2020-45

TO SET COMPENSATION FOR ACTING CITY MANAGER

Purpose and Finding: As the council is aware, a previous city council determined in Resolution 2019-05 that Haley Snyder, Assistant City Manager/HR Coordinator, shall be the Acting City Manager in the event the City Manager is absent from the City. Additionally, the council is required to set the Acting City Manager's Compensation in the event that his service exceeds five days. The council and Acting Manger are in agreement that the previously set compensation of $100.00 per day of service is appropriate. This compensation shall continue until the City Manager returns, an Interim City Manager is appointment, or other action is taken by council.

Council Member Williamson moved, supported by Council Member Smith, to approve the following resolution.

RESOLVED, that Haley Snyder, Assistant City Manager/HR Coordinator, shall be compensated for his service as Acting City Manager at the rate of $100.00 per day of service. This compensation shall be retroactive to July 29, 2020 and shall continue until the City Manager returns, an Interim City Manager is appointment, or other action is taken by council.

BE IT FURTHER RESOLVED, The Council will create a committee of three Council Members-Council Member Williamson, Council Member Reid and Council Member Lawler to work on an Interim Manager Plan that will consist of Duration of Time and Compensation Pay. The Committee will bring recommendations to Council at the next regular scheduled meeting.
