2020 GARDEN PLOT RENTAL
CERTIFICATE OF RESPONSIBILITY

(Available for rental starting May 1, 2020)

IN SIGNING THIS AGREEMENT, I AGREE TO THE FOLLOWING PROVISIONS:

1. I will only plant and cultivate annual vegetables, fruits, flowers or shrubs.
2. I will not cultivate illegal plants or shrubs.
3. I will not hold the Town of Emmitsburg responsible for theft or loss of plants, tools and/or personal injuries.
4. I will prevent weeds from reaching a height of 6" by removing or mowing. The only exception will be during heavy rainfall of such duration that it would be unwise to walk on the soil.
5. My plot will be maintained to present a neat appearance during the growing season; I will not leave garden implements lying in the garden when not in use.
6. I will obtain a release from this certificate upon one of the following circumstances, whichever comes first:
    a. Conclusion of growing season; or
    b. Official transfer of my plot to another person.
7. I will advise the Town Office at 301-600-6300 of any emergency circumstances that may prevent my compliance with these provisions.
8. I will not enter another's garden plot unless he/she is present, nor will I deposit any refuse on another's plot.
9. By **October 1, 2020,** I will completely clear my plot (leave the ground free of gardening aids, implements, standing growth of weeds, vegetables, etc.), so the land is ready for plowing and cultivating for the next year.
