

RESOLUTION #2018-29

TO ADOPT A LOCAL PAVEMENT WARRANTY PROGRAM

Purpose and Finding: As part of the Transportation Funding Package of 2015, the Michigan Legislature created a requirement (MCL 247.662, 247.663) that each local road agency in Michigan adopt a Local Pavement Warranty Program acceptable to the Michigan Department of Transportation. This Warranty Program must be adopted by every community no later than September 18, 2019. The Act requires that every community consider utilizing a warranty when using any state or federal funding that also includes \$2 Million or more in paving related components. The Act also requires annual reporting requirements. This resolution is recommended for adoption.

Council Member Brown moved, supported by Council Member Spicer, to approve the following resolution.
