

Resolution #2017-3

A RESOLUTION TO OBJECT TO THE RENEWAL OF AND REQUEST FOR REVOCATION THE LIQUOR LICENSE FOR SINGH & SINGH OF ALBION, LLC, D/B/A, FEDCO

Purpose and Finding: As the council is aware, the City has been experiencing significant difficulty with businesses within the City becoming delinquent in the payment of their personal property taxes. In the case of Singh & Singh of Albion, LLC, as of January 2017, \$4,015.88 remains outstanding. Multiple efforts have been made to arrange for payment of the same with the business. The business had been unresponsive. The most recent correspondence to the business warned that if payment was not made, the City would seek the revocation of their liquor license. MCL 436.1501 specifically allows a local legislative body to object to the renewal of a liquor license or to recommend the revocation of the same. A Payment Agreement was entered into on February 17, 2017. Given the previous lack of response by the business, a revocation/objection is recommended, should there be a default in the Payment Agreement. Pursuant to statute, a public hearing has been properly noticed with the business having been given an opportunity to be heard.

Council Member Barnes moved, supported by Council Member French, to approve the following resolution.

RESOLVED, that for the reasons identified above, the Albion City Council, pursuant to MCL 436.1501, hereby objects to the renewal of any liquor license held by Singh & Singh of Albion, LCC, d/b/a Fedco (Business ID 224155), should there be any default in the Payment Agreement entered into on February 17, 2017;

BE IT FURTHER RESOLVED, that for the reasons identified above, the Albion City Council, pursuant to MCL 436.1501, hereby requests the revocation of any existing liquor licenses held by Singh & Singh of Albion, LCC, d/b/a Fedco (Business ID 224155), in the event of a default in the Payment Agreement;
