

Resolution #2017-39

**A RESOLUTION TO APPROVE EXPENDITURE FOR REPAIRS TO FRONT END
LOADER**

Purpose and Finding: The street department currently uses a front-end loader (JD444J) to aid in city operations. There are several safety issues afflicting the loader which need to be addressed in the form of repairs. The repairs will total approximately \$19,000.00. Given that this expenditure exceeds \$5,000.00, council approval is required pursuant to Ordinance 2-384. The funds will be drawn from the equipment pool to fund the repairs.

Council Member Barnes moved, supported by Council Member French, to approve the following resolution.

RESOLVED, that the City Council authorizes the expenditure of not more than \$19,000.00 for the repairs to front-end loader (JD444J).
