

Council Member Spotlight: Marcola Lawler

Council Member Marcola Lawler represents Precinct 4 in Albion. Born and raised in Albion, Ms. Lawler is a 1988 graduate of Albion Senior High School and served in the United States Army Reserves for the MP unit in Jackson, MI for eight years. She received her certification in Medical Office Procedures from Career Quest Learning Centers in Jackson.

Ms. Lawler has been active in the Albion community through various community organizations and service projects. She has served on three boards: the Downtown Development Authority for four years serving as its secretary for one year, Friends of the Ismon House, and Double Vision Center.

Ms. Lawler is the proud mother of four children and grandmother of two grandchildren.

When asked to comment on her vision for Albion, Ms. Lawler noted, "We need unity! We need to be one. I am eager to show residents that they can go to their Council Representative, myself, or Sheryl Mitchell our City Manager. Getting to know our City Manager is a MUST! She is the key to bridging the gap between Superior Street West and Superior Street East of our community. I want to help support these connections." Ms. Lawler furthered, "I want Albion to invest in their own, to give opportunity, and not be so quick to pull people away. Unity is what we need."

If you have any questions for Council Member Lawler, she can be reached at Precinct4@cityofalbionmi.gov or 517-206-4252.
