

Resolution #2019-29

A RESOLUTION TO DESIGNATE APPROPRIATE METHODS OF CITY COUNCIL ELECTRONIC COMMUNICATIONS FOR OFFICIAL CITY BUSINESS

Purpose and Finding: As the council is aware, it is important to promote openness, transparency, and accountability in government. In the past, some communications regarding city business have been had via personal email accounts. All sitting council members have been assigned, and have access to, city email accounts for city business. In furtherance of openness and accountability, it is important for all email communications regarding official city business to occur through the city's email system.

Council Member Brown moved, supported by Council Member Rawler, to approve the following resolution.

RESOLVED, that the Albion City Council shall use the city email system for sending any emails regarding official city business, whether internally to fellow council members or externally to third parties.

BE IT FURTHER RESOLVED, that the Albion City Council shall refrain from sending any emails regarding official city business from their respective personal email accounts.
