

RESOLUTION #2020-31

A Resolution to Direct the City Attorney to Draft an Ordinance for Adult Use Marihuana Grower and Processor Facilities

PURPOSE AND FINDING: As the Council is aware, the Council has had previous discussions on the topic of allowing adult use (recreational) marihuana facilities in the City. At present, the City has opted out of adult use marihuana entirely. The City has, to date, elected to wait to authorize those facilities as recreational marihuana was new statewide and many municipalities have had issues with facilities, the ambiguity in the state law, and crafting ordinances. One of the current medical marihuana facilities in the City has approached the City and requested that the City opt in to adult use and craft an ordinance to allow the same. The Council previously declined to direct the City Attorney to draft an ordinance allowing for all adult use facilities (except for retail sales).

Council Member Smith moved, supported by Council Member Mayor Atchison, to approve the following resolution

NOW, THEREFORE, BE IT RESOLVED, that the Albion City Council hereby directs the City Attorney to draft an Ordinance for Adult Use Marihuana Grower and Processor Facilities for review by the City Council.

I hereby certify that the above resolution was adopted on May 21, 2020 in a special session of the Albion City Council, and this is a true copy of that resolution.
