New Member Orientation
Welcome!

• Introductions
  - Background
  - Interest in/experience with HPC

• Meeting norms
  - By-laws
  - Agenda development
  - Packet
  - Attendance or absences (quorum)
Commission Bylaws

• Outlines the general structure for how commissioners make motions and have discussion
• Duties related to the chair and other officers
• Outlines other responsibilities
Structure of Meetings

Order of operations for agenda items
1. Chair reads item and asks if anyone needs to recuse themselves, turns item over to staff.
2. Staff gives a presentation, summarizing the staff report.
3. Commission may ask staff or the applicant questions.
4. Discussion amongst the Commission.
5. Chair will call for a motion of an action item.
Structure of Meetings

Items not listed on the agenda

• Cannot legally be discussed.
• Instead, Commissioners may ask for the item on a future meeting or for staff to provide an update.
Chapter 18 of the Cedar Rapids Municipal Code

Outlines the criteria for all decisions related to:

• Designation of local landmarks and districts
• Review and approval of COA and CNME
• Review and approval of demolitions and façade modifications
Duties and Powers of the HPC assigned in Chapter 18

1. Conduct studies for identification of historic districts and sites.
2. Recommend listing of national or local districts or landmarks to City Council.
3. Review and act upon all applications subject to Chapter 18.
4. When appropriate, make recommendations to City Council on preservation issues.
5. Educate the public on the benefits of historic preservation.
6. When requested by the CPC or City Council, consult on changes to land use and zoning changes within local historic districts.
7. Shall not obligate itself or the City in any financial undertaking unless authorized by City Council.
8. Recommend acquisition or sale of historic properties and recommend preservation or restoration of city owned properties.
9. Provide information to the City for the purpose of Historic Preservation.
10. Promote educational programs on historic properties in the City.
Historic Preservation Guidelines

- Referred to in Chapter 18 as part of the process for reviewing COAs and CNMEs
- Based on Secretary of the Interior’s Standards for the Treatment of Historic Properties (for more information, see [https://www.nps.gov/tps/standards.htm](https://www.nps.gov/tps/standards.htm))
- Developed by a sub-commission of HPC: Updated in 2018
- Describes appropriate and inappropriate methods and techniques for treatment of historic properties
- Used by property owners and contractors when working on historic buildings and by the Commission when deciding on approval of COA
Walls and Exteriors

Most of the houses in Cedar Rapids Historic Districts were sided with wood clapboards or wood shingles. Different widths of paneling were used to enhance the aesthetics of the facades. Modern siding components may be cheaper in the short run, but will hide everyday damage and trap moisture, which unchecked, will cost more in the long run.

**APPROPRIATE:**
- Replacing wood exterior siding with like materials
- Repairing the existing siding
- Removal of synthetic siding
- Retaining the width of the original paneling
- Retaining service openings (e.g. ice & mail delivery openings)

**NOT APPROPRIATE:**
- Synthetic siding – Vinyl, aluminum or other synthetic sidings (this includes products that try to mimic historic patterns)
- Horizontal paneling siding that does not match the existing paneling pattern
Chapter 18 and Design Guidelines

- Chapter 18 is the Historic Preservation section of the Cedar Rapids Municipal Code—legally required to be followed.
- Design Guidelines are referenced in Chapter 18, but are not a regulatory document. HPC should take them into account, but the Commission has discretion in the application of the guidelines.
Local and National Districts and Landmarks

Local districts and landmarks have more regulations than national districts and landmarks. Review and approval is required for all exterior changes on local landmarks or properties in local districts.

HPC only reviews demolitions and façade structure modification for national landmarks and districts.
Local landmarks:

- Ausadie Building, 845 1st Ave SE
- Cedar Rapids Milk Condensing Company, 525 Valor Way SW
- Iowa Wind Mill and Pump Company, 42 7th Ave SW
- Grace Episcopal Church, 525 A Ave NE
- Perkins House, 1228 3rd Ave SE
- Witwer Grocery Company Building, 905 3rd St SE

Does it meet design guidelines?

No

Yes

Does it alter a defined feature? (see Site Inventory forms for defined features)

No

Yes

Is the application for a façade structure modification, addition, demolition, or new construction?

No

Yes
COA and CNME

- A Certificate of Appropriateness (COA) must be issued for exterior changes to local landmarks or properties in local historic districts.
- Some minor exterior changes may be issued a Certificate of No Material Effect (CNME) by staff, if the changes do not alter a defining feature and follow the design guidelines.
- Façade structure modifications, additions, demolitions, and new constructions in local historic districts and local landmarks are not eligible for a CNME and must come before the HPC.
COA Actions

• Approve as submitted; or
• Approve with modifications agreeable to the applicant; or
• Deny the application; or
• Request additional information.

If the commission denies a COA, the applicant may appeal to City Council, and must notify the City Clerk within 10 business days of the HPC meeting.
Demolition Review

HPC reviews demolition permits for the following:

- Primary buildings that are 50 years old or older
- Accessory buildings built in 1943 or earlier in national historic districts or landmarks
- Any garage, barn, summer kitchen, or greenhouse built in 1943 or earlier
- Does not apply to structures deemed a health and safety risk by Building Services

Plans for redevelopment cannot be discussed when making a decision
Façade Structure Modification

• HPC reviews all façade structure modifications on any primary building or structure that is 50 years or older and located in a national historic district or is a national landmark

• Façade structure modification definition:
  “Modification to a primary building or structure which would do any of the following:
  1. On a façade wall facing public street right-of-way:
     a. Add floor area to the building or structure; or
     b. Add another wall which encloses the original wall from view.
  2. On a façade wall facing a public street right-of-way, removal of existing, above ground wall structure consisting of any of, but not limited to, the following elements: wall studs, wall framing, beams, masonry elements, and/or columns. This shall not include alterations to exterior materials such as, but not limited to: siding, wood, stucco, hardee plank, cement board, or other similar exterior wall coverings.
  3. Permanent alteration to the pitch of a roof.”
Determining Historical Significance

**Historically Significant**: Any structure, building, site, property, object, or item which is determined by the Cedar Rapids Historic Preservation Commission, National Park Service or State of Iowa Historic Preservation Office to possess integrity and meet one or more of the following:

1. Associated with **events** that have made a significant contribution to the broad patterns of our history; or
2. Associated with the lives of significant **persons** in our past; or
3. Embodies the distinctive **characteristics** of a type, period, or method of construction, or represents the work of a master, or possesses high artistic values, or represents a significant and distinguishable entity whose components may lack individual distinction; or
4. Yielded, or may be likely to yield, **information** important in history or prehistory.
Determining Historical Significance

• City surveys

  GIS Map showing historic districts and survey information

• For properties that have not been surveyed, the City relies on the guidance and expertise of the Commission to determine historical significance
“If the HPC places a hold, the HPC shall indicate which criteria per Section 18.02.T makes the building or structure historically significant as part of the permanent minute record of the HPC” (Chapter 18, Section 18.09.D.4)
During the 60 day hold, the Historic Preservation Commission shall work with the property owner to explore the following alternatives to determine if any are feasible:

a. Designation as a local historic landmark.
b. Rehabilitation utilizing State or Federal tax incentives.
c. Adaptation of the building or structure to a new use or incorporating the building or structure into redevelopment plans.
d. Finding a new owner who is interested in preserving or rehabilitating the building or structure.
e. Looking for an alternative location for the redevelopment proposal.
f. Moving the building or structure to an alternative location if proposed for demolition.
g. Salvaging building materials.
h. Additional documentation of the exterior of the building or structure prior to the issuance of a building permit.
Historic Rehabilitation Program

- Established in August 2016 to replace Paint Rebate Program
- Limited to local historic districts and local landmarks
- Provides funding for exterior rehab projects. Eligible projects include:
  - Historic window repair
  - Wood door refinishing
  - Painting wood or stucco exteriors
  - Front porch repair
  - Chimney repair
- Changes to program made in 2018 to increase participation:
  - Eliminated loan portion of program, only grants
  - Commercial properties eligible, in addition to residential
  - Broader eligibility for roofing projects
  - New construction eligible in local district
Historic Rehabilitation Program

- Program provides two tiers of grants, based on Area Median Income (AMI)
  - Above 100% AMI receives 50% of project costs, up to $5,000 grant
  - Below 100% AMI receives 75% of project costs, up to $7,500 grant
- Applicants fill out an application and submit two reasonable bids
- Program budget:
  - FY20 Budget- $50,000
  - FY20 Committed Projects- $40,886
  - Additional funds (repaid loans/rollover funds)- $34,549

Certificate of Appropriateness

1714 3rd Avenue SE
Project Description

• Primary structure built in 1910
• The applicant is requesting to replace an existing deck on the back of the house with new stained wood deck
• House contributes to the Redmond Park–Grande Ave District and is individually eligible
1714 3rd Avenue SE
Criteria for Decision

• If any defining features of the building or structure as indicated, but not limited to those included on the Site Inventory Form(s) are proposed to be modified as a result of the proposal indicated on the application for Certificate.
• If the proposal is consistent with the Guidelines for Cedar Rapids Historic Districts and/or the most recent edition of the Secretary of Interior's Standards for Rehabilitating Historic Buildings.
• If the proposal mitigates adverse effects on the aesthetic, historic, or architectural significance of either the building or structure or of the local historic district or local historic landmark.
Recommendation

• City Staff recommends approval of a COA because the deck will be located in the rear yard of the home and will not be visible from the street.

Actions

• Approve as submitted; or
• Approve with modifications agreeable to the applicant; or
• Deny the application; or
• Request additional information.
