Cedar Rapids, IA 52402

RE: Automobile Related Historic and Architectural Resources of Cedar Rapids, Iowa, 1960-1960 MPD
Cedar Rapids 2nd Avenue SE, Automobile Row Historic District, 2nd and 3rd Ave SE between 6th and 10th SE, Cedar Rapids, Linn County
Sokol Gymnasium, 417 Third Street SE, Cedar Rapids, Linn County

Dear Mr. Larson:

The State Nominations Review Committee (SNRC) plans to consider the property referenced above for nomination to the National Register of Historic Places during their February 8, 2013 meeting. As a participant in the Certified Local Government Program, Cedar Rapids HPC is required to review and comment on proposed National Register nominations of properties within its jurisdiction. The State is required to provide you with a 60-day period for the review, unless we mutually agree to expedite the process. I am contacting you to ask that you initiate the review process for the Historic Preservation Commission. Enclosed are copies of the nomination, photographs, and the review form. The review process will require the following:

♦ The Historic Preservation Commission should review the nomination during one of their meetings. Send a formal invitation to the Mayor with a copy of the nomination. Send a formal invitation to the property owner/owners. If they are not familiar with the National Register, be sure to include an explanation. Make sure that a copy of the nomination is available for public review before the meeting. For example, leave a review copy at the courthouse or public library. Indicate in your meeting announcement that a review copy of the nomination is available and where the review copy can be found.

♦ The question to answer when reviewing the nomination is whether the nominated property meets the National Register of Historic Places significance criteria. If the Commission feels that the nomination makes the case for meeting significance criteria, the Commission should check the box recommending that the property be listed. If the Commission feels that the property does not meet the significance criteria, then check the box recommending that the property not be listed. The Mayor should use the same approach when reviewing the nomination.

♦ You might want to invite the individual who prepared the nomination to attend the public meeting and present the nomination. Keep a record of the meeting (copy of notice, agenda, minutes, list of attendees). At the conclusion of the meeting, the Commission should make a motion regarding their recommendation. The Chairman of the Commission will complete item #1, the Commission’s portion of the review form. Be sure to fill in the date of the public meeting, sign the signature line and record any comments that were made. If the Mayor
attended the public meeting, inquire if he/she is prepared to complete Item #2 on the review form.

♦ In the event that the Mayor was unable to attend the meeting. The Commission Chairman should forward the Review form to the Mayor for review and comment. Have the Mayor sign the form and return it to the Historic Preservation Commission.

♦ Item #3 on the Review form asks for the review and comment of a preservation professional. If your commission does not have a professionally qualified historian or architectural historian who can complete this part of the form, you may leave Item #3 blank and I will arrange to have a State staff member complete that part of the form.

♦ After you have completed Items #1 through #2 (through #3 if a preservation professional is available), please make a copy of the completed review forms for your file and send the original copies of the completed forms to me.

♦ The Commission should keep the nomination and photographs. File them together in your inventory, as you will need the information for future reference. If a State preservation professional was needed to complete Item #3 on the review form, I will return a copy to the commission for filing.

If the Historic Preservation Commission and the Mayor disagree with one another on the property’s National Register eligibility, both views will be presented to the SNRC for their consideration during review of the nomination. If both the Historic Preservation Commission (by Commission majority) and the Mayor do not consider the property eligible for National Register listing, we must halt the nomination. Be advised that when a nomination is halted, the property owner, the person who prepared the nomination or any interested party may appeal the decision. In addition, the nomination will still go forward to the National Park Service for an official "Determination of Eligibility."

Please contact Paul Mohr at 515/281-6826 with any questions or concerns regarding the CLG program or the process for this review.

Sincerely,

Elizabeth Foster Hill
Tax Incentive Programs Manager/
National Register Coordinator

2012-13 HPC Work Plan
Adopted by HPC: January 10, 2013
The Historic Preservation Commission (HPC) was created by Chapter 18 of the Municipal Code, which promotes Historic Preservation as required by Certified Local Governments. The HPC is an advisory commission to the Cedar Rapids City Council and consists of 11 members who represent the City and the two local historic districts. Of these 11 members, there must be at least one representative from each of the two local historic districts. Members of the commission must have a positive interest in historic preservation and possess expertise or interest in architecture, architectural history, history, archeology, historic preservation, real estate, or a closely-related field.

The HPC holds its regular meetings on the 2nd Thursday of the month, January through October, with meetings on the 4th Thursday of the month if needed. Typically, only one (1) meeting is held in the months of November and December.

**Job Description**

It is the duty of the HPC to advise the City Council on matters of Historic Preservation. This includes:

- Making recommendations for the listing of a historic district or site in the National Register of Historic Places.
- Making recommendations on the adoption of ordinances designating historic landmarks and districts.
- Reviewing Certificates of Appropriateness.
- Making recommendations to City Council or other city commissions regarding preservation issues, as appropriate.
- Making recommendations on the acceptance of unconditional gifts and donations of real estate and personal property, including money, for the purpose of historic preservation.
- Making recommendations on acquisitions by purchase, bequest, or donation, fee or lesser interests, in historic properties, including properties adjacent to or associated with historic properties.
- Making recommendations on the disposition of historic properties.
- Making recommendations that the City contract with the State, Federal government and/or other organizations.
- Cooperating with Federal, State, and local governments in the pursuance of the objectives of historic preservation.
- Providing information for the purpose of historic preservation to the governing body.
- Promoting and conducting an educational and interpretive program on historic properties within its jurisdiction.

**Non-performing Members**

If a member is absent from three or more consecutive meetings, or more than 25% of all meetings held during one calendar year, a notice of such absences shall be given to that member by the Chairperson with a response requested to indicate whether such absences may continue in the future. If it appears such frequent absences may continue, or if indeed they do continue, the Chairperson may request that the membership of that member be terminated.
Background

The Cedar Rapids Historic Preservation Commission (HPC) of the City of Cedar Rapids developed its first annual work plan in 2009. The planning process was conducted in three stages: brainstorming, organization, and review. The work plan for 2012-13 builds upon the previous year’s work plan and was revised to meet current community needs.

Upon adoption by the HPC, and approval of the City Council, this document will serve to guide the Commission’s actions throughout the next year.

Goals

This 2012-13 Action Plan is broken down into five (5) goals:

1. Participate in preservation, salvage and documentation of historic structures;
2. Increase communication;
3. Improve public relations;
4. Provide information and education opportunities for public; and
5. Provide educational opportunities for HPC members.

Each goal is developed further into objectives, action steps, measures of progress. In addition, each action step is assigned to a specific “owner,” whether that is an individual or sub-committee of the Commission. A tracking form is attached to this workplan.

Measuring Progress

The plan will be updated each 6 months by the Historic Preservation Commission. Those updates will be included in the Status and Information Report for City Council information. In addition, the HPC may revise the document as is deemed necessary. Revisions may be approved by the Director of Community Development. Updates and future revisions shall be noted in the Status and Information Report.

Annual Updates

The HPC Action Plan shall be updated annually at the beginning of each fiscal year.
HISTORIC PRESERVATION COMMISSION ACTION PLAN

I. Participate in Preservation and Documentation of Historic Structures

The HPC believes it is essential that structures and landmarks be documented and preserved to the maximum extent practicable. Over the course of the next few years, the HPC will work with FEMA, the State Historic Preservation Office, City staff, consultants, and other community partners to identify local structures with historic significance through the City’s Memorandums and Letter of Agreement following the 2008 flood. It is anticipated that several of these structures will be eligible for nomination to the National Register of Historic Places.

1. Document and Prioritize Preservation of Historic Properties

   A. Review the work of historians and preservation professionals completing the historical and architectural surveys of commercial and industrial structures and the downtown; reconnaissance surveys both citywide and for religious institutions; National Register nominations for the 3rd Avenue SW Historic District and 2nd Avenue SE Auto Row Historic District; and other surveys and nominations as they are available.

       Measures:

       # of surveys/nominations reviewed by June 2013

   B. Perform an outreach activity to gather community information, photos, and documents related to the Farmstead Foods Collection and former Sinclair site to be posted on the Internet for public use.

       Measures:

       # of documents received and added to the Collection

2. Make recommendations to the National Register

   A. Gain more knowledge about the National Register of Historic Places (NRHP).

       Measures:

       # of HPC members attending workshop

   B. Make nominations of properties and districts to the National Register.

       Measures:

       # of recommended properties/districts

3. Continue to Maintain a Salvage Operation

   A. Continue to coordinate salvage operations activities with ReStore and encourage demolition applicants to work with ReStore.

       Measures:

       # of properties salvaged by June 2013

4. Section 106 Reviews

   A. Consult with Federal agencies about the location and significance of historic properties to identify ways of avoiding or mitigate further damage to those properties.

       Measures:

       # of Section 106 Reviews
II. Increase Communication

The HPC believes that improving and increasing communication with members of the community will be vital to the Commission’s success this coming year. With that shared understanding, the HPC will set out to become more visible and offer a wider array of communications techniques to the Cedar Rapids community.

1. Regularly share information with City Council and Partner Organizations

   A. Attend at least six (6) Save CR Heritage meetings per year and provide updates on HPC activities; report Save CR Heritage activities at HPC meetings.
      
      Measures:
      
      # of meetings attended per month
      
      # of HPC Members attending

   B. Attend at least two (2) City Council Development Committee meetings per year to provide updates on HPC activities.
      
      Measures:
      
      # of City Council Development Committee meetings attended by HPC members to provide updates

2. Collaboration with other City Boards and Commissions

   A. Identify appropriate Commissions to collaborate.
      
      Measures:
      
      # of Commissions identified

   B. Invite Commission Chair to collaborate with the HPC.
      
      Measures:
      
      # of Commissions contacted

3. Continue to develop better HPC materials, including website

   A. Plan website improvements.
      
      Measures:
      
      # of links/documents added/revised

   B. Work with City staff to implement new demolition application to gather additional data and provide better tracking.
      
      Measures:
      
      Date of implementation

   C. Refresh historic districts guidelines document with current Commission members, meeting times, and working web links.
      
      Measures:
      
      Date of implementation
III. Improve Public Relations

The Historic Preservation Commission understands that to effectively address local Historic Preservation issues, it must aggressively engage the Cedar Rapids community. Over the course of the next year, the HPC will work to provide a multitude of interactive, educational, and assessment opportunities for members of the public.

1. Develop a Public Relations plan

   A. Continue to identify HPC contact for each application. The contact person will meet with the applicant to identify and discuss project issues.

      Measures:
      
      # of applications assigned and reviewed

   B. Create a survey for applicants to determine positive and negative aspects of the HPC review process.

      Measures:
      
      # of surveys distributed

      # of surveys returned

   C. Address negative responses with discussion and follow-up call.

      Measures:
      
      # of responses addressed

2. Partner with the Cedar Rapids Gazette to develop interest in Historic Preservation

   A. Quarterly articles in Gazette promoting homeowners and landlords that have recently restored or preserved their home or building.

      Measures:

      # of articles featuring historic preservation

3. Distribute an annual mailing to property owners in the historic districts

   A. Send a flier to every property in the historic district explaining the benefits and requirements of the district, and providing links to the HPC website, guidelines and meeting schedule.

      Measures:

      # of fliers sent

      # of responses from historic district residents

4. Preservation Showcase Awards

   A. Community Preservation Awards

      Measures:

      Categories for awards, nominations and winners
IV. Provide Public Education Opportunities

One of the key goals of the HPC is to provide more information on the benefits of Historic Preservation to members of the Community. Over the course of next year, Commissioners intend to host several events that will provide homeowners with additional information on maintaining, repairing, or restoring their homes.

1. Update HPC webpage with new and useful information for the public

   A. Create and maintain fact-sheet about the historic neighborhoods
      Measures:
      Write and promote facts-sheets on historic neighborhoods
   
   B. Educational links on the website
      Measures:
      Develop and maintain links on the website

2. Host neighborhood meetings and Preservation Showcase workshops on funding, crafts, and trade

   A. Identify the topics of interest to the public
      Measures:
      # of workshop topics identified through public input
   
   B. Schedule Preservation Showcase workshops
      Measures:
      # of speakers identified
      # of workshops with established dates/times/locations
   
   C. Walking tour of historic neighborhoods
      Measures:
      # of walking tour organized and completed

Before: Historically in-accurate paint scheme

After: Historically accurate paint
V. Provide Educational Opportunities for HPC Members

The resource base of HPC members is strong. Still, to provide improved service and ever more resources to the public, Commissioners view continual education as essential. The HPC will strive to educate themselves even more in the growing pool of historic grant resources as well as emerging best practices in Historic Preservation. Perhaps greatest of all, the HPC will need to maintain a strong knowledge base to effectively monitor and evaluate the benefits of Historic Preservation to the Cedar Rapids community.

1. Learn about Grant resources

   A. Talk with SHPO and report back to HPC.
      Measures:
      # of workshops topics identified

   B. Identify and prioritize sites for application to HSPG program.
      Measures:
      Application submitted on-time (Y/N)

2. Attend workshops

   A. Attend available workshop in the area.
      Measures:
      # of HPC Commissioners attending workshops

3. Learn Historic Preservation benefits

   A. Brainstorm, collect references, read / discuss.
      Measures:
      # of HPC benefits identified
      # of educational events attended by HPC members
