POLICY/PURPOSE:
The purpose of this directive is to provide guidelines for all employees on uniforms, appearance and equipment. All employees shall maintain a neat and clean appearance at all times during compensable hours of employment. In the event the circumstances of work require that an employee become disheveled, wet, or soiled, the employee shall be responsible for cleaning and, if necessary, changing the duty uniform, clothing, or equipment as soon as practical while on duty.

Upon reporting for duty and throughout the shift, all personnel shall be attired in a clean and well-fitted uniform or clothing devoid of tears, rips, holes, frayed edges, and visible stains. Leather gear, if worn, shall be clean and polished. It is the sole discretion of a supervisor to determine whether employees meet this standard.

No item of equipment, tags, pins, ribbons, or clothing, other than those required or authorized by the Chief of Police shall be carried or worn on duty.

In the event of operations of a special police nature, the supervisor in charge of the detail may waive any provision of this regulation.

Employees are responsible for wearing the proper and complete department uniform in the prescribed manner. Criminal Investigation Division personnel and personnel in non-uniform assignments will wear business or business casual clothing. All officers regardless of assignment will conform to the required grooming standards unless specific authorization has been granted by the Division Commander for special assignments. Grooming standards may be waived for medically prescribed reasons. Request for waivers should be forwarded to the Chief of Police for approval.

IDENTIFICATION CARDS:
All employees and volunteers of the Cedar Rapids Police Department will be issued an entry badge that will allow access to the police department and other city buildings. Receipt of this entry badge will be documented in the quartermaster file and loss will be reported immediately. Employees will also be given a photo identification card that can be viewed by the public upon individual request. The front of the identification cards will note the person’s name, position within the organization, and pin number (if applicable). The purpose of the identification card is to ensure the public can identify you as a law enforcement officer and be certain the person they are dealing with is in fact an officer of the Cedar Rapids Police Department. This promotes public confidence and officer accountability.
WEARING THE UNIFORM:
The City of Cedar Rapids will issue uniform items to each officer in a base issue and issuances dependent on specialty assignments or responsibilities. The uniform will be worn in a military style and present a neat and orderly appearance.

UNIFORM REPLACEMENT:
Worn or damaged uniform items will be replaced so that each item prescribed presents suitable appearance. Requests for uniform replacement shall be submitted by email through the first supervisor in the chain of command and to the department quartermaster. The supervisor will verify the need of an item requested and approve or disapprove the item. Notification of disapproval will be to the quartermaster and the requestor.

SURRENDER OF DEPARTMENT UNIFORMS:
Upon separation from the department, each officer shall return all departmental uniforms and equipment items that were issued. The department quartermaster will verify return of items and clear the employees clothing and equipment register. The employee is financially responsible for any city issued items that are not returned.

UNIFORM SPECIFICATIONS – AUTHORIZED:
The particular specifications for any uniform, or part of a uniform, and changes for such uniforms, shall be determined by the Chief of Police.

UNIFORM SPECIFICATIONS – MAINTENANCE:
The Captain of the Administrative Operations Division shall be responsible for maintaining a complete and current file of departmental uniform and equipment specifications. Issuance of items and management of the uniform system will be through the department quartermaster.

UNIFORM MAINTENANCE:
Officers shall keep uniforms clean and pressed. Badges and buttons shall be kept clean and bright. All accessories, including hats, worn with the uniform shall conform to the department specifications as set forth by the Chief of Police.

WEARING THE UNIFORM HATS:
Hats shall be worn straight on the head and not tilted to the rear or side. The uniform hat will be worn at the option of the officer while wearing the Class B Uniform and will be worn with the Class A Uniform. Department issued baseball/stocking hats will be allowed for daily wear.

RIBBON BARS:
Ribbon bars awarded to department employees will be worn on the uniform shirt centered above the nametag. When wearing multiple ribbon bars, the bars will be worn centered above the nametag in order of precedence from top to bottom. Officers are required to wear their department issued ribbons in the Class A uniform and highly encouraged to wear them in the Class B uniform.

UNIFORM NAME BAR:
Uniform name bars with service tabs are issued by the department. The name bars will be displayed on uniform shirts (both winter and summer). The name bar will be affixed even with the top of the right, breast pocket and centered. Name bars and service date tabs are required in both the Class A and Class B uniform.

AUTHORIZATION OF THE USE OF SERVICE BARS AND PLACEMENT ON UNIFORM:
The use of service bars will be authorized to all officers and reserves of the Cedar Rapids Police Department. A single bar will be issued for each five (5) years of completed service. The bar will be worn on the left sleeve of the long-sleeve shirts, up 3-½ inches from bottom of cuff and ½ inch from the pressed crease. Officer’s service bars will be silver in color and the commander’s will be gold in color.

AUTHORIZED PINS:
Special pins authorized for wear on the departmental uniform will be attached approximately ⅓ inch above and centered on any department award. Only one special pin shall be worn on the uniform at a time.
MOURNING BAND:
The use of mourning bands will be determined by the Chief of Police or designee and will follow the criteria below:

- The mourning band will be utilized to honor fallen law enforcement officers, both within the Cedar Rapids Police Department and outside agencies.
- The black mourning band will be placed horizontally across the officer’s badge and under the safety clasp so that it will be held in the proper position.
- Mourning bands will be worn beginning at the time of death until midnight the day of the officer’s funeral.
- Mourning bands will also be allowed to be worn when personnel are attending a funeral or memorial service as an official representative of the department.

TIE CLIPS AND TACKS:
When wearing the winter uniform, tie clips and tacks will be authorized. Such tie tacks and clips shall not distract from the uniform, shall not be offensive to any race or segment of society or group, shall not present a satirical or humorous impression to the public; and shall not be of such size or design as to be impractical, dangerous, or dysfunctional.

TOURNIQUETS:
All officers are trained in the use of tourniquets. Officers are highly encouraged to carry their issued tourniquets on their person while on duty.

- If a tourniquet is used, it should be replaced. Contact the Department Medical Lead for replacement tourniquets.

ARMBANDS:
All officers are issued Hi-Vis armbands as an optional identification tool while in certain plainclothes and/or off-duty situations. The armbands are designed to assist with quick and easy identification of a sworn officer in plain clothes to on-duty law enforcement officers and the public. Ideally armbands should be worn on the left arm between the shoulder and elbow.

Plain clothes officer are encouraged to have their armbands available while on duty.

- All officers are encouraged to carry their armbands in their personal vehicles while off-duty.

EXCEPTION TO POLICY:
Uniform officers in administrative assignments may be authorized by their division commander to not wear the uniform equipment belt. These officers will be required to wear a department-issued service weapon in an issued Level II (minimum) retention holster, a magazine holder and a cuff case on their trouser belt.

EQUIPMENT SPECIFICATIONS:
The quartermaster and each specialty section shall be responsible for maintaining a complete and current file of specifications pertaining to their function. Specialty sections include, but are not limited to: Special Response Team, Hazardous Devices Unit, Firearms, Chemical Munitions, Narcotics, Mobile Assist Team, Riot Control Unit, Identification Unit, Evidence Unit, Traffic Unit, Bike Unit, Crisis Negotiation Team, Internet Crimes Against Children Unit, K9 Unit, and the Joint Communications Agency.

SPECIAL EQUIPMENT ISSUED AS NEEDED:
Officers are issued chemical spray, helmets, and other special equipment as deemed necessary for the effective performance of duties. Specialty assignment equipment will be issued by the department quartermaster in conjunction with the specialty commander or unit leader. This equipment will be documented on the officer’s clothing and equipment register.

AIR-PURIFYING RESPIRATORS (APRs):
- All APRs and canisters will be assigned and issued to patrol officers and commanders by the quartermaster. Each APR will be issued with one canister. Officers will have the APRs and canisters readily available in their patrol vehicle for use while on duty. Spare APR canisters will
be kept in the Uniform Division equipment room. The commander in charge will have access to the area if needed.

- Officers will be required to have a fit test done with their issued APR annually through the City Safety and Health Office. Officers, upon initial issue of the APR and within 30 days of the fit test, will be required to have a physical examination arranged by the City Safety and Health Office. Subsequent physicals will be determined by the City Safety and Health Office's protocol.
- Officers will participate in an annual training session involving the use of the APR.
- Any time an APR and canister are actually used; the officer using them shall discard the canister and clean the mask. Such usage shall be reported to the commander in charge who will leave a memo for the quartermaster, who in turn will keep the supply of canisters up to date.
- APRs and canisters will be inspected monthly by platoon commanders and annually at training by a chemical munitions instructor. Each mask will be inspected for cracks in the rubber, broken straps, and cracked face shields, before being issued. One canister will be placed on the APR and the officer will denote on the canister the expiration three (3) years from the date the canister was removed from the foil. It will be the responsibility of the officers using the canisters in a contaminated environment to notify the commander in charge of such usage and to clean the mask.
- It will be the responsibility of the commander in charge to notify the quartermaster in writing, through email, of any usage of and discarding of canisters.
- It will be the responsibility of the quartermaster to replace canisters as they approach the end of their shelf life or as they are needed.

**REQUIRED EQUIPMENT – PLAIN CLOTHES OFFICERS:** [22.1.6]

Officers, while on duty in plain clothes, shall carry the following equipment:
