Section 2. The Union agrees to furnish Employer with an up-to-date list of all its officers and committee members, and to immediately notify Employer of any and all changes thereto.

Article 3 - Deduction of Membership Dues

Section 1. Employer agrees to deduct the regular monthly membership dues of the Union from the pay of the Union members on the second pay period of each month and remit the same to the Financial Secretary of the Union within ten (10) days after the date of their deduction, provided such members individually and voluntarily authorize and request Employer in writing to make such deductions. Such authorization and request shall also authorize Employer to base the deductions on a list to be furnished to it each month by the Financial Secretary of the Union showing the names of the members and the amounts of the regular monthly membership dues to be deducted from the pay of each member. Whenever such list indicates that the amount of the membership dues has been changed, it shall be accompanied by a certificate of the Financial Secretary of the Union that such change in the amount of membership dues has been brought about in accordance with the Constitution and by-laws of the Union.

I further authorize the said Employer to base its deductions on a list furnished to it each month by the Financial Secretary of said Division No. 638 showing the current monthly membership dues to be deducted from the wages of each of its members. Whenever such dues have been changed, it must be accompanied by a certificate of the Financial Secretary of said Division that such change in the amount of membership dues has been brought about in accordance with the Constitution and by-laws of said Division No. 638. All sums so deducted are to be transmitted by Employer to the Financial Secretary of Local Division No. 638 within ten (10) days after the date of their deduction.

Employee

Section 3. The Union agrees to indemnify and hold harmless the Employer from any and all liability, actions, claims, and demands of any kind by any member of the Union by reason of any deduction withheld from any employee's pay under the provisions of this Article.

Article 4 - Probationary Period

Section 1. All new employees coming within the scope of this Agreement shall be on probation for a period of one hundred fifty (150) calendar days from their date of hire. Such probationary period shall constitute a trial period during which Employer is to judge the ability, competency, fitness and other qualifications of new employees to do the work for which they were employed. During such probationary period, Employer may discharge the employee at any time and its right to do so shall not be questioned by the Union. The Union shall not assert or present any grievance on behalf of any such new employee because of any matter or occurrence whatsoever falling within such probationary period.

However, when an employee makes a classification change, he/she will be entitled to a thirty-day trial period. If the person is unable to perform the work properly or decides not to retain the job, he/she will return to their former position without losing seniority and/or benefits.

An employee's probationary period, upon mutual agreement of the Union and the Employer, may be extended for an agreed upon period.

Article 5 - Discipline of Employees

Section 1. The employer will notify the employee or employees of its intention to take disciplinary action within fourteen (14) calendar days of the Employer becoming aware of an incident warranting discipline. Disciplinary action will be initiated within fourteen (14) calendar days of notification to take disciplinary action except in those cases that circumstances may require additional time. Employees shall be notified of disciplinary action in writing, or in person, and in a manner that respects the individual's right to reasonable privacy as a City employee.

Section 2. Any employee who has been suspended or discharged for the violation of any of the rules of Employer or because of other offenses shall have the right to have his case taken up as hereinafter provided by the officers or committee of the Union with the official or officials of Employer designated by Employer. If it is found and mutually agreed to by the Union and Employer that such employee was not guilty of the charge for which he was suspended or discharged, such employee shall be reinstated and paid for all time lost through such suspension or discharge at his regular straight time hourly rate of pay, or paid such other lesser amount as may appear to be just.
Section 3. Any wages or compensation received by such employee, whether from another or from self-employment during the period he is out of service due to his suspension or discharge, shall be deducted from the amount he would have earned had he worked in determining the employee's loss of earnings. No award shall ever exceed the loss in earnings as determined above.

Section 4. A copy of written warnings, suspensions, demotions, or discharges issued to a bargaining unit member will be provided to the union. The disciplined employee will sign the actual discipline form, upon issuance acknowledging receipt thereof. In doing so the employee does not acknowledge any guilt or agreement with the action(s) taken by management.

Article 6 - Delegates and Committees

Section 1. Members of the Union who may be elected or appointed to any office of the Union, Local or International, which requires absence from the service of Employer shall be granted a leave of absence without pay and without loss of seniority to attend to the duties of such office; provided that such leaves of absence shall not be in such numbers as to be a detriment to the service of Employer; and, provided such employee applies for reinstatement during the term of this Agreement, or any renewal, amendment or extension thereof within thirty (30) days from the date of retirement from such office.

Section 2. Employees applying for reinstatement after a leave of absence of more than thirty (30) days must be able to qualify for the job under the then existing employment standard of Employer and their compensation shall be at the then prevailing rate. Employees returning from leave of absence shall retain their original assignment at the time of leaving, except in cases where vacancies, new positions or changes have been made during the period of their absence; in which event such employees shall be allowed to exercise their seniority in displacing a junior employee on such vacancies, new positions or changes.

Section 3. The period of leave of absence shall not be considered as time worked or as service with Employer within the meaning of any of the other provisions of this Agreement.

Section 4. Employees on leave of absence from Employer's service shall be furnished a letter covering such leave of absence. A copy of such letter shall be furnished to the Union.

Section 5. Leaves of absence for purposes other than those herein above set forth may be granted for periods not to exceed thirty (30) days; provided, however, that the granting of such leaves shall be entirely at the option of Employer and such leaves shall be taken subject to the provisions of Sections 2, 3, and 4 of this Article.

Section 6. The Employer shall pay a maximum of three (3) regular Union Contract Committee Members, or their alternates who act in their place, for time spent at not more than six (6) contract negotiation meetings during a contract year when they would otherwise be working.
Article 7 - Strikes and Lock-Outs

Section 1. During the life of this Agreement neither the Union, its members, or the employees covered by this Agreement shall call, sanction, assist, or engage in any strike, slowdown, or stoppage of Employer's work, operation, or service, or in any manner sanction, assist, or engage in any restriction or limitation of the work, operations, or services of Employer.

Section 2. During the term of this Agreement, Employer shall not cause or permit any lock-outs of any of the employees covered by this agreement.

Article 8 - Grievances and Grievance Procedures

Section 1. A grievance is defined to be:
   a. Any controversy between Employer and the Union as to any matter involving the interpretation or application of the terms of employment as herein set forth; and,
   b. Any controversy between Employer and the Union as to whether or not any employee suspended or discharged for violation of any rules of Employer is guilty of such violation.

Section 2. In the settlement of grievances under the terms of this Agreement, the following procedure shall be observed:

First: No grievance shall be entertained or considered unless it is presented in writing:
   a. Within fourteen (14) calendar days after the act or incident occurred which gave rise to the controversy involving the interpretation or application of the terms of employment as herein set forth; or,
   b. Within fourteen (14) calendar days after the suspension or discharge of any employee for violation of a rule of Employer.

Second: Any grievance presented in a due and timely manner as herein above provided shall be taken up by the Union President or Designee and a designated official or designated officials of Employer within not more than seven (7) calendar days after Employer receives such grievance. Within seven (7) calendar days thereafter, the Employer shall answer such grievance. If not so settled, the Union will have thirty-one (31) calendar days to file a request for arbitration with the City and at the same time file for a panel of five (5) arbitrators from the Iowa Public Employment Relations Board (PERB) with a copy to the Employer. If arbitration shall not have been demanded by either the Employer, or the Union, such grievance shall be forever barred and extinguished.

Third: The rights of individuals set forth in this grievance procedure and under the following article on arbitration procedures are agreed upon in consideration that the decision rendered under this grievance procedure shall be final and that there shall be no refusal to perform any specific duty, pending the handling of a grievance.
Section 3. Nothing in this Section hereinabove contained shall prevent the proper representatives of either party from discussing any and all matters pertaining to grievances prior to their reduction to written form.

Section 4. A grievance that is not presented and/or responded to in a timely manner as herein provided shall be ruled against the party not meeting the required time limits. The parties may mutually agree to extend the time limits.

Section 5. Time slips must be presented within seven (7) calendar days of the incident. The employer must respond within seven (7) calendar days. If the request is not responded to in a timely fashion, the Union has fourteen (14) days to file a grievance.

**Article 9 - Arbitration and Arbitration Procedures**

Section 1. In the event either the Union or Employer shall have demanded that a grievance be submitted to arbitration as herein provided, the following procedure shall be observed:

First: Within five (5) days after one party shall have duly served a demand for arbitration upon the other party, each party shall:

a. Appoint one (1) person to serve as its member of a Board of Arbitration.

b. Notify the other party of such appointment, in writing.

Second: The two (2) arbitrators so appointed by the Employer and the Union shall meet and endeavor to settle and determine the dispute created by the grievance in question. If they fail to settle and determine the dispute within five (5) days after a date has been set for a meeting agreeable to the respective arbitrators, the parties shall then proceed to the selection and appointment of a third and impartial arbitrator, who when selected and appointed, shall act as Chairman of the Arbitration Board as so finally constituted. In the event the two (2) arbitrators first selected do not come to an agreement within five (5) days as aforesaid, and fail to agree upon a third and impartial arbitrator within five (5) days after the date of their first meeting, then the parties shall make application to the Iowa Public Employment Relations Board (PERB) for a list of five (5) arbitrators from which the parties shall select their third arbitrator. Within ten (10) days after receiving such list, the parties shall each strike two (2) persons from such list in the following manner: The Union shall first strike one (1) name and the Employer shall strike a second. The Union shall then strike a third name and the Employer shall strike a fourth. The Person thereafter remaining on the list shall be the third arbitrator.

Section 2. If one of the arbitrators named by the parties hereto dies, resigns, or for any other reason is unable to act, the party appointing him shall name his successor within five (5) days after such death, resignation or withdrawal. If it shall become necessary to appoint a successor for the third and impartial arbitrator, such successor shall be selected in the same manner as the original third and impartial arbitrator was selected. Any such successor arbitrator shall act with the same power and authority as though originally appointed.
Section 3. The Board of Arbitration shall meet and organize at Cedar Rapids, Iowa, at such time as may be mutually agreed upon between the parties and shall thereafter continue to meet on every day that it is practical for them to meet until all of the evidence and arguments have been received. However, the hearing must be held within three (3) months of the date of the demand for arbitration. The Board of Arbitration shall establish its own rules of procedure not inconsistent with the terms of this Agreement or Chapter 20 of the Iowa Code, and all arbitration proceedings hereunder shall be conducted in Cedar Rapids, Iowa.

Section 4. The decision of a majority of the Board of Arbitrators shall become final and binding on the parties to this Agreement when delivered to them in writing within thirty (30) days after receipt of briefs. Any minority member of the Board of Arbitration shall have the right to indicate his dissent to all or any part of any decision that may be handed down. However, in making monetary awards to employees, the Board of Arbitration shall be governed by the provision of Article 5, Section 2, of this Agreement.

Section 5. The parties hereto shall pay the fees and expenses of the arbitrator of its own selection. The fees and expenses of the third and impartial arbitrator, as well as other joint expenses incidental to the arbitration, shall be borne equally by the parties.

Section 6. The arbitrator shall be limited to interpreting the Agreement and applying it to the particular case presented to him; he shall have no authority to add to, subtract from, disregard or in any way modify the terms of this Agreement or any Agreements made supplementary thereto.

Section 7. Sundays and holidays shall be excluded in computing time limits.

Article 10A - General Seniority

Section 1. The seniority and the date of employment of all employees as presently established shall be deemed to be correctly established as of the effective date of this Agreement.

Section 2. For all purposes relating to seniority, three (3) classifications shall be recognized by the Employer, namely, Transit Drivers in one section, operations clerks in a second section, and Service Workers including Lead Workers in a third section.

Section 3. Employees may not hold seniority in more than one (1) section of Employer. Only City seniority, as defined in Section 8 below, may be transferred from one Transit Section to another or from the Transit Department to another City department. An employee who transfers to another City department from the Transit Department shall have the option to return to the Transit Department or to their former position (whichever is applicable) with full rights of seniority, provided that such transfer is completed within 21-calendar days of initial transfer. The effective date of the return within that 21-calendar day period shall be preceded by a three (3) calendar day prior notification in writing by the employee to the Transit Manager. A bargaining unit employee promoted to a non-bargaining position in the department, demoted through no fault of his own, within ninety (90) days, will be allowed to return to his former position with all seniority and other benefits preserved.

Section 4. Employer agrees to keep posted in an accessible place an up-to-date seniority list showing the name and seniority standing of all its employees.
Section 5. Except as otherwise noted above, any employee covered by this Agreement who is promoted to a position not included within the scope of this Agreement shall not retain and accumulate seniority.

Section 6.

(a) The seniority and the date of employment of all employees employed after the effective date of the Agreement shall date from the hour and the day that they first report for duty. In cases where this section does not settle the question of seniority, Section (b) below will prevail;

(b) Where two (2) or more employees are hired on the same day, conflicts in seniority will be resolved according to the alphabetical sequence of the particular employees' surnames. In the event of identical surnames, the lowest social security number will prevail.

Section 7. City seniority means an employee's length of continuous service with the Employer since his last date of hire. This seniority shall be used for determining vacations and longevity.

Article 10B - Reduction in Personnel - Reemployment

Section 1. In the event it becomes necessary to reduce the workforce in the department, employees with the least seniority in their classification shall be laid-off first if the remaining employees are qualified to do the work.

Section 2. When regular forces of bargaining unit members are increased, former employees of Employer who were laid off in accordance with the provisions of this Article shall be offered reemployment in the reverse order in which they were laid off; provided that this Agreement or any renewal, amendment or extension thereof is still in effect and no more than one (1) year shall have elapsed since their layoff.

Section 3. In the reemployment of persons in accordance with the provisions of this article, the following procedure will be followed:

First: Employer will attempt to notify each person to be re-employed to report for work by registered U.S. Mail (Return Receipt Requested). Such letter shall be directed to the last known address of such person, and a copy thereof shall be furnished to the Union. By so doing, Employer shall have discharged its notice obligations under this Article. Employees who were laid off must keep Employer and the Union supplied with a correct and up-to-date mailing address or risk forfeiture of their seniority and reemployment rights hereunder.
Second: Persons so notified to report for work must report for work within ten (10) calendar
days after date of mailing of letter or lose their seniority and reemployment rights as provided for by
this agreement. However, this ten (10) calendar day period may be extended under certain
conditions if mutually agreeable to both parties to this contract.

Third: No employee shall remain eligible for recall after one year on lay-off status.

Article 11A – Overtime (Transit Drivers)

Section 1. Regular Transit Drivers shall be paid at the rate of one and one-half (1½) times
their regular straight time hourly rate of pay for all work they are required to perform in any one (1)
day in excess of their regularly assigned runs, including preparatory time. All paid leave will count
as hours worked for the purpose of computing weekly overtime.

Section 2. Transit Drivers who are required by the Employer to work on their regular
assigned day off shall be paid for all work performed on that day at one and one-half (1½) times
their regular straight time hourly rate of pay, including preparatory time.

Section 3. Any regular Transit Driver who wishes to be called for overtime must indicate
their choice during the four regular sign-ups. All extra board operators will automatically be placed
on the overtime list.

Section 4. No time shall be paid for at a rate greater than one and one-half (1½) times the
straight time hourly rate of pay.

Section 5. Nothing in this agreement shall be construed so as to require the Employer to
work any employee at a rate of pay in excess of the regular straight time hourly rate of pay.

Article 11B - Overtime
(Transit Operations Clerks and Service Workers)

Section 1. Transit Operations Clerks and Service Workers shall be paid at time and one half
for all hours worked in excess of eight (8) in a work day. Transit Operations Clerks and Service
Workers may elect a flexible schedule to offset overtime hours in a workweek, with the approval of
management.

Section 2. Transit Operations Clerks and Service Workers who are required by the
Employer to work on their regular assigned day or days off shall be paid for all work performed on
that day or those days at one and one-half (1½) their regular straight time rate of pay. Transit
Operations Clerks and Service Workers that volunteer to work on their regular day or days off will
not receive overtime until they exceed forty (40) hours of work for the week.

Section 3. If a Transit Operations Clerk or Service Worker is called in to work prior to the
start of their regular shift or required to work past their regular shift end, they may request to work
less hours later in the work week to reduce overtime. Approval of such request is at the discretion of
Section 4. No time shall be paid for at a rate greater than one and one-half (1 ½) times the straight time hourly rate of pay.

Section 5. Nothing in this agreement shall be construed so as to require the Employer to work any employee at a rate of pay in excess of the regular straight time hourly rate of pay.

Article 11C – Compensatory Time

Section 1. Employees may, at their option, choose to receive compensatory time, at the rate of one and one-half (1½) their regular straight rate of pay for overtime earned in any pay period. If the employee does not elect compensatory time then all overtime shall be paid in cash.

Employees may accumulate up to forty (40) hours of compensatory time. Upon reaching forty (40) hours of compensatory time all additional overtime shall be paid in cash. Compensatory time shall be recorded by the Employer and reported to the employee in writing at the end of each pay period. Compensatory time off shall be arranged in advance between the employee and his/her immediate supervisor. Upon separation of employment, the employee shall be paid for any unused earned compensatory time at their rate of pay upon separation. However, when the City of Cedar Rapids is reimbursed by a third party (except for projects designated by Federal/State government), employees may be required to take cash rather than compensatory time for hours worked. The Employer may elect to pay off all or a portion of compensatory time balances in June each year with the employee's approval.

Article 12 - Physical Examinations

Section 1. Employer may require any of its employees to submit at any time to a physical examination by a physician duly licensed to practice as such.

Section 2. The examining physician shall be selected by Employer, and the cost of such examinations shall be paid by Employer. Employees will be in pay status for the time required to complete a hearing and/or vision test at the Health and Safety office.

Section 3. As a condition of continued employment with Employer, any physical examination above provided for must reveal the physical and mental fitness of the employee involved to perform his duties.

Section 4. Should any required physical examination above provided for reveal the physical or mental unfitness of the employee involved to perform his/her duties, he/she may, at his/her option, have a review of his/her case in the following manner:

a. He/she may employ a licensed physician of his/her own choosing and at his/her own expense for the purpose of conducting a further physical examination for the same purpose as the physical examination made by the physician employed by Employer. A copy of the findings of the physician chosen by the employee involved shall be
furnished to Employer, and in the event that such findings verify the findings of the physician employed by Employer, no further medical review of the case shall be afforded.

b. In the event that the findings of the physician chosen by the employee involved shall disagree with the findings of the physician employed by Employer, at the written request of the employee involved, Employer will ask that the two (2) physicians agree upon and appoint a third qualified licensed and disinterested physician for the purpose of making a further physical examination of the employee involved, and the findings of a majority of the three (3) examining physicians shall determine the disposition of the case and be final and binding upon the parties hereto. The expense of the employment of such third medical examiner shall be shared equally by the Employer and the Union.

Section 5. Should any physical examination above provided for reveal physical or mental unfitness caused by disease, defects or disabilities of a temporary and curable nature, and the employee involved is willing to have the cause or causes of such unfitness treated and rectified, then and in that event, depending upon the particular circumstances of each case.

a. The employee involved may continue working while undergoing medical treatment if the examining physician shall certify to his ability safely to do so.

b. The employee involved shall be taken out of service and given a leave of absence for the purpose of undergoing medical treatment until such time as the examining physician shall certify to his physical and mental fitness to perform again the duties for which he was employed; provided, however, such leave of absence shall not extend for a period of more than three (3) consecutive years, and the seniority of the employee involved shall be unaffected thereby. Such a leave of absence shall further be subject to the provisions of the Article relating to Leaves of Absence, and any employee on leave of absence because of physical or mental unfitness to perform his duties may be required to supply Employer with a physician's report covering his condition at least once every thirty (30) days.

**Article 13 - Internal Preference for Vacancies**

Section 1. When a vacancy exists in any of the classifications, the Employer will attempt to fill such vacancies from the ranks of the ATU bargaining unit employees on the basis of seniority. The Employer will first select from qualified employees with the greatest seniority within operations. To be entitled to be selected, the employee must have the basic qualifications for the job.

Section 2. Employees promoted under the provisions of this article shall be given a reasonable trial period not to exceed thirty (30) working days within which to qualify. In the event, an employee fails to qualify or decides not to retain the job, he/she shall revert to his/her former classification without loss of seniority.

**Article 14 - Holidays**

Section 1. January 1st (New Year's Day), Memorial Day, July 4th, Labor Day, Thanksgiving, and December 25th (Christmas Day) shall be paid holidays. Holiday hours shall be counted as time worked for all employees. An employee on an unpaid leave of absence over thirty (30) days shall
forfeit each holiday that occurs after the initial thirty (30) calendar-day leave of absence. Employees covered by this Agreement shall be paid eight (8) hours pay at the employee's current hourly rate as holiday pay for the foregoing holidays. An employee shall forfeit his right to payment for a holiday if absent from work, unless such absence is authorized, on the scheduled day preceding such holiday or on the next scheduled working day following such holiday. If an employee's regularly scheduled day off falls on a holiday, the employee may select either pay or another day off within the pay period. If the employee elects to take a day off, their choices will be subject to notice and entering into the personal day off book.

All Transit Drivers required to work on Sunday shall be paid time and one-half (1½) for all hours worked. All Transit Drivers required to work on any of the six (6) named legal holidays shall be paid holiday plus time and one-half (1½) for all hours worked, including preparatory time.

Section 2. An employee not available for work because of suspension shall not be eligible to receive holiday pay.

Article 15 - Flex-Leave

Section 1. Flex-Leave is a combination of vacation leave, personal days, sick leave and funeral leave. See Appendix A for details.

Misuse of Flex-Leave or misrepresentation in connection therewith shall constitute proper cause for discipline.

Flex-Leave benefits and regular pay will not be paid for the same hours.

A schedule for block Flex-Leave selection will be posted between January 2nd and March 1st of each year together with a seniority list. The Employer shall determine the number of employees who can be off at any one time. Each employee shall pick their block Flex-Leave in accordance with their date of employment seniority. Flex-Leave will be scheduled by the employee according to the department's operational requirements and the written preferences and seniority of the employees.

Article 16 - Health and Welfare

CITY OF CEDAR RAPIDS PERSONNEL POLICY MANUAL
SECTION 5 – LEAVES
5.11 – LEAVE OF ABSENCE WITH OR WITHOUT PAY

GENERAL POLICY
On occasion, circumstances may arise which necessitate an employee's request for a leave of absence with or without pay from work. Taking departmental staffing into consideration, the department head and City Manager may approve such leave for good and sufficient reasons.

SPECIFIC PROVISIONS
1. Definition
A leave of absence with or without pay is an approved leave of absence from work. An employee may request a leave of absence with or without pay for the following reasons:
   a. Medical (in cases where FMLA does not apply or has been exhausted)
   b. Special leave
      The Human Resources Director or his/her designee may authorize special leaves of absence for any period or periods not to exceed 3 calendar months in any one calendar year for the following purposes: With or without pay for attendance at a college, university, conference or business school for the purpose of training in subjects relating to the work of the employee and which will benefit the employee and the Employer; with or without pay for urgent personal business requiring employee's attention for an extended period such as settling estates or liquidating a business; and with or without pay for purposes other than the above that are deemed beneficial to the Employer.
   c. Military service
      See Military Leave of Absence (Sec 5.06) in this policy manual for other requirements.

2. Department Head Authorization for Leave With or Without Pay
   a. A department head may authorize an employee to be absent with or without pay for a period not to exceed 30 calendar days. (See individual labor agreements for employees in a bargaining unit). If an absence with or without pay is anticipated to be longer than this, refer to #3 below.

3. Request for Leave of Absence With or Without Pay Procedure
   a. An employee seeking a leave of absence with or without pay of more than 30 calendar days must submit a detailed request to his/her department head, who will forward a recommendation to the Human Resources Director. Leave requests should include:
      i) Nature of leave (medical, special or military)
      ii) Duration of leave
      iii) Supporting documentation as applicable:
          (1) For medical leaves, this includes a doctor's statement.
          Employees requesting medical leave must first apply for and use FMLA leave, if applicable.
(2) For special leaves, this includes the reasons for the request.
(3) For military leaves, this includes call to active service orders in accordance with the Military Leave policy in this manual.

b. The burden is on the employee to obtain the leave of absence. Until the leave is granted, the leave of absence does not exist.
c. The City Manager may at his/her discretion approve a leave of absence. Each request for leave will be decided on its own merits and not on precedent of other cases.
d. Military leaves of absence will be granted in compliance with federal and state laws in accordance with Policy 5.06.
e. Special leaves of absence will not be granted to seek employment elsewhere or to engage in employment other than for the City of Cedar Rapids.
f. Special leaves of absence will not be granted to probationary employees. Medical or military leaves of absence granted to probationary employees will extend the probationary period for the length of absence.
g. An employee’s failure to return to work on the date specified as the end of a leave of absence will be considered a job abandonment and voluntary resignation.
h. Special leaves of absence may not exceed three (3) calendar months in any one calendar year.

4. Adjustment to Benefit Accruals
   a. If an employee is on FMLA, then flex leave, long-term illness and injury leave, vacation, sick leave and longevity will continue to accrue whether the employee is paid or not.
b. Upon FMLA exhaustion, no flex leave, long-term illness and injury leave, vacation, sick leave, or longevity will accrue after 30 calendar days of paid or unpaid leave. Accruals will begin on the first day of the month following the date the employee returns to work.
c. In cases where FMLA leave does not apply, the employee’s benefit time will stop accruing after the first 30 calendar days of unpaid leave.

5. Health and Dental Insurance Premiums
   a. Medical Leave:
      i) The City will continue to pay its share of Health and Dental premiums during an approved paid or unpaid FMLA leave – see policy 5.14 for details.
      ii) If the leave is with pay as a result of documented medical incapacitation to perform duties, the City will continue to pay its share of insurance premiums.
      iii) In cases where FMLA leave does not apply or is exhausted, the City’s contribution to health and dental insurance will continue for three (3) months following the month in which the additional unpaid leave begins.
Upon return from unpaid leave, the City will resume normal contributions at the beginning of the month following return to work.

b. **Special Leave**: If the leave with or without pay is at the request of the employee for reasons other than medical incapacitation to perform duties, the City's contribution to insurance benefits will terminate at the end of the month in which the leave with or without pay begins. The employee will have the option of remaining on the City plans at his/her own expense during the leave of absence.

c. **Military Leave**: Refer to Section 5.06 for information on insurance continuation.

6. **Donated Leave**: An employee on an approved continuous medical leave of absence may request donated vacation or flex hours from another employee. The employee must submit a written request to Human Resources prior to the need for donated leave. Donated leave is subject to Department and Human Resources approval and is decided on its own merits and not on precedent of other cases. **Employees on FMLA Intermittent leaves are not eligible to request leave donations.**

a. Eligibility for Donated Leave includes the following:
   i) Employees who are unable to perform their regularly scheduled duties, and therefore no longer at work; OR
   ii) Employees who need to provide care for a family member as designated under the Family Medical Leave Act (FMLA); AND
   iii) Employees who have exhausted or are close to exhausting their accrued balances (Sick/LTI & Vacation/Flex).

b. Limitation of Donated Leave Coverage: Donated leave will not exceed the length of any of the following absences:
   i) An approved FMLA leave.
   ii) An approved medical leave of absence (LOA), with a firm return to work date (when the employee is not eligible for FMLA coverage).

c. Extended medical LOA's, after FMLA exhaustion, are not eligible for leave donations.

d. Retro-active leave donations, if needed, will only be applied to one past payroll period.

e. Leave Donations will cease when the employee becomes eligible for any of the following:
   i) Worker's compensation;
   ii) Any retirement system disability;
   iii) Separation of employment. Donated hours are not subject to final leave payouts.

f. Approval Process:
   i) Employee provides written request to Human Resources. If needed, the request should be accompanied by updated medical documentation.
ii) Donated leave calculations are determined by Human Resources and Timekeeper (Finance).

iii) Department and Human Resources review the request. (Decisions are made based on employee's performance, accountability and departmental needs.)

iv) Employee is notified of approval or denial.

v) Leave donation request is first sent out Dept-only, for one week. If approved by Dept Manager, leave donation request can then be sent out Citywide, for an additional week.

vi) Donated hours are recorded by Human Resources and sent to Timekeeper (Finance) for processing.

SPECIFIC PROVISIONS
The City of Cedar Rapids shall grant family and medical leave in accordance with the
Family and Medical Leave Act of 1993 or as amended thereto.

APPENDIX A - FAMILY AND MEDICAL LEAVE ACT - 1993

An eligible employee may qualify for up to 12 weeks or 480 hours of unpaid, job­
protected leave for employees during a 12-month rolling calendar year period for the
following reasons:

1. Birth of a daughter/son of the employee in order to care for the child.
2. Placement of a daughter/son with the employee for adoption or foster care.
3. Care for the employee's spouse, daughter, son, or parent, if such family
   member has a serious health condition.
4. Employee's own serious health condition that makes them unable to perform
   the functions of the position.
5. For qualifying exigencies arising out of the fact that the employee's spouse,
   son, daughter, or parent is on active duty or called to active duty status as a
   member of the National Guard or Reserves or individuals deployed to a foreign
   country.
6. Eligible employees may take up to twenty-six (26) weeks of job-protected

Requirements

1. Employees shall provide the employer with not less than 30 days notice before the date the leave is to begin for births, adoptions, planned treatments and other qualifying foreseeable conditions. Should circumstances exist necessitating the leave to begin earlier, the employee is required to provide such notice as is practical.

2. A request for leave must be supported by a certification issued by the health care provider of the employee, spouse, daughter, son or parent of the employee. Such certification shall sufficiently state:
   a. The date on which the serious health condition commenced.
   b. The probable duration of the condition.
   c. Appropriate medical facts within the knowledge of the health care provider regarding the condition.
   d. A statement that the eligible employee is needed to care for the person or child and the amount of time estimated the employee is needed to provide the care.
   e. When the leave requested is for intermittent or leave on a reduced leave schedule for planned medical treatment, the certification must also include the dates the treatment is expected to be given, the expected duration, and the necessity of such attendance.
   f. For medical conditions that are obvious or well documented, the City may elect to place the employee on FMLA leave without the employee making a formal request.
   g. The City may require recertification on a reasonable basis.
   h. The certification must be provided by the employee in a timely manner.
   i. The City may require, at its expense, a second opinion.
   j. The employee is required to report periodically on the status and intention of the employee to return to work. Such schedule will be established on a case-by-case basis.
   j. The City will give employees written notice of their rights and obligations while on FMLA. This notice will also contain the date of commencement of the leave and an estimated date of the termination of the leave, based on whether the leave request is for a continuous leave or an intermittent leave.

3. Upon approval of this leave, the employee is required to use all paid leave before being placed in unpaid status for the duration of the 12 weeks or intermittent leave of 480 hours. Sick leave or Long-Term Illness/Injury, whichever is applicable, is available only for the employee's personal illness. Compensatory time is not a form of accrued leave that may be substituted for unpaid FMLA time. Compensatory time may be used to supplement pay while on FMLA, at the request of the employee. Compensatory time for FMLA absences must have prior approval from the employee's supervisor.

4. The employee is required to provide the City with a return to work certification from the employee's health care provider, 24-hours prior to returning to work, which certifies the employee's ability to perform the essential functions of the employee's job. The City may delay restoration to employment until the employee submits the required return to work certification.
