Lead Safe Renovator
8-hr Initial Course and 4-hr Refresher Course

Provided by the City of Cedar Rapids Community Development – Housing Services

In April 2010, regulations impacting renovation work in pre-1978 residential housing (target housing) and child occupied facilities became effective nation-wide. These rules require at least one certified lead-safe renovator per renovation, and the use of specific lead-safe work practices. In Iowa, the Iowa Dept. of Public Health has the authority to implement this program.

The Lead Certification Program requires training and certification of lead-safe renovators. It also requires certification of the firms that employ certified lead professionals.

**8-hr Initial Lead Safe Renovator – $100.00**
- This one-day course focuses on working safely with lead-based painted surfaces.
- This course is required by the State of Iowa and the EPA for anyone (for profit, or non-profit) working in or on pre-1978 housing and child-occupied facilities.
- This includes, but is not limited to work such as: Painting, Siding, Windows & Doors, Gutters, Roofing, Finish Trim work, Flooring, Countertops & Cabinets, Window Treatments, Garage Doors, Foundation Repair, Electrical, Plumbing, HVAC & Mechanical, etc.

**4-hr Lead Safe Renovator Refresher – $50.00**
- This half-day course is for individuals that have already taken an approved Initial Lead Safe Renovator and that need to renew their Lead Safe Renovator certification.
- This course is required by the State of Iowa and the EPA every 3 years to re-certify.
