

expenses, is coordinated by the Centers for Medicare & Medicaid Services (CMS). Although the Federal Government establishes general guidelines for the program, Medicaid program requirements are established by each state. Medicaid coverage includes part-time nursing, home care aide services, and medical supplies and equipment.

Help with bills and daily living expenses

Call 211 to connect with your local United Way. They can connect you with community and government programs.

Your phone company and local utilities often offer assistance programs to people in need or they may work with you on a payment plan.

Help with legal issues

Cancer Legal Resource Center

1-866-843-2572

The Cancer Legal Resource Center (CLRC) is a joint program of the Disability Rights Legal Center and Loyola Law School. The CLRC provides free and confidential information and resources on cancer-related legal issues to cancer survivors, their families, friends, employers, health care professionals, and others coping with cancer.
