B. Police Department and Salvation Army summer camp partnership. Gosnell and Major Bret McElroy of Salvation Army reported on plans to combine the Police Department’s Gang Resistance Education and Training (GREAT) Program and the Salvation Army’s Boys and Girls Club Summer Program into a combined 10-week summer camp that would operate
from June 9 to August 15, 2014. The camp will run Monday-Friday, 7:30 am - 5:30 pm and be held in the Salvation Army’s 2nd Avenue facilities. A maximum of 50 campers will be accepted. Meals for the campers will be provided free of charge by Langston Baptist Church (breakfast) and Waccamaw EOC (lunch & snacks). After Blain-Olds expressed concerns that fewer campers would be accepted than previously served in the GREAT program, Gosnell noted that the GREAT Program had difficulties in the past with the large number of campers being managed by only a few police officers and the limitations of the camp’s previous location at Darden Terrace. Some of the benefits of partnering with the Salvation Army, Gosnell informed Council, would be that a bus and driver could be provided for field trips which will reduce transportation expenses, the facility is more conducive, daily hours for the program will be expanded to 5:30 pm, additional staff will be provided, and a spiritual element will be added to the program. Major Bret McElroy of Salvation Army spoke on provisions for assistance with enrollment fees, and reductions in fees for absences. Gosnell reported that opportunities to expand the program in the future will be explored based on evaluation of this year’s experience.

C. State Accreditation of the Conway Police Department. Leslie G. Wiser Jr., representing the State Accreditation Council for Law Enforcement, presented the certificate of state accreditation of the Conway Police Department to Police Chief Gosnell. The Police Department was granted accredited status by the South Carolina Police Accreditation Coalition on March 13, 2014. Gosnell and his department were congratulated by Mayor Lawson and Council on this landmark achievement.

**ORDINANCES FOR FIRST READING:**

A. First reading of proposed ordinances relating to the request to rezone property at 707 Main Street (TMS 137-02-15-002 / PIN 33813020024). This property, the former location of Magnolia Bridal and Formal Wear, was recently purchased by Leslie Wilson. Leinwand reported that Ms. Wilson has several proposed future uses in mind for the two vacant structures on this property that are not permitted under the property’s current zoning designation. To be able to implement these proposed uses in the future, Ms. Wilson has requested that the property be rezoned from Professional to Neighborhood Commercial. Leinwand informed Council that, since the future land use category for this property is now Mixed Use for which only Professional is a permitted zoning district, Ms. Wilson has also requested that the future land use category for this property be changed to Neighborhood Commercial which has Neighborhood Commercial and Planned Development as permitted zoning districts. Council was advised that the Planning Commission has recommended approval of both requests. Leinwand informed Council that, based on the current uses and zoning along the entire Main Street Corridor from 5th Avenue to 16th Avenue, staff recommends approval and asked Council to consider first readings on the proposed ordinances individually.

1. Ordinance #ZA2014-05-05 (A) Accepting the request by Leslie Wilson to amend the City of Conway Comprehensive Plan to change the future land use category of the property located at 707 Main Street (TMS 137-02-15-002 / PIN 33813020024) from Mixed Use (MU) to Neighborhood Commercial (NC). **Motion:** Goldfinch made a motion, seconded by White, to approve first reading of Ordinance #ZA2014-05-05 (A) as recommended by staff. **Vote:** Unanimous. Motion carried.

2. Ordinance #ZA2014-05-05 (B) Accepting the request by Leslie Wilson to rezone approximately 0.78 acres of property located at 707 Main Street (TMS 137-02-15-002 / PIN 33813020024) from Professional (P) to Neighborhood Commercial (NC). **Motion:** Alford made a motion, seconded by Blain-Olids, to approve first reading of

Leinwand advised that this property is contiguous to the City limits. There is a vacant house on the property and the property is currently served by City water. There has been a recent change in property ownership and annexation can be required in order to change the City water account. The Comprehensive Plan identifies the land use category of this property as Medium Density Residential with the permitted zoning districts of Low Density Residential, Medium Residential, and Planned Development District. Staff recommended first reading approval. **Motion:** Blain-Olds made a motion, seconded by White, to approve first reading of Ordinance #ZA2014-05-05 (C). **Vote:** Unanimous. Motion carried.

RESOLUTIONS:

Leinwand presented the resolution drafted by staff for Council’s consideration. **Motion:** Goldfinch made a motion, seconded by Anderson, to adopt the resolution Recognizing April as National Fair Housing Month as presented. **Vote:** Unanimous. Motion carried.

B. **Supporting supplemental funding and application for a Safe Routes to School Grant.** Leinwand reported that staff had drafted the resolution that was presented in support of Conway Elementary School’s application for a Safe Routes to School grant. The grant requires that 70%-90% of the funds be spent on infrastructure projects and the remainder be spent on non-infrastructure programs. The infrastructure portion of the grant application is for sidewalks and drainage on Sherwood Drive and Snowhill Drive from 16th Avenue to the school and on Magrath Avenue from Lakeland Drive to the school. These projects are included in the school’s Safe Routes to School Travel Plan that was developed in 2011-12 and endorsed by City Council in 2012. Although no match is required, Leinwand advised that staff believes the likelihood of the grant being awarded would increase with the commitment of supplemental funding by Horry County Schools and the City of Conway. Horry County Schools committed $58,000 to assist with the construction of these sidewalks in August 2013. Staff recommended that Council adopt the resolution and approve $58,000 in supplemental funding toward the infrastructure projects in support of the grant application. **Motion:** Blain-Olds made a motion, seconded by Timbes, to adopt the resolution and approve the supplemental funding as recommended by staff. **Vote:** Unanimous. Motion carried.

C. **Resolution to decrease funding and amend projects – HUD/CDBG Entitlement Grant 2014-2015.** In January 2014, Council approved the projects for HUD/CDBG Year 7 based on an estimated budget of $343,283. Leinwand advised Council that, according to the Horry County Community Development Office’s 2014 HUD allocations, the City’s funding was decreased $38,918 and the total allocation for Year 7 is now $304,365. To reflect this
reduction, staff proposed that the Home Repair Program allotment be reduced from $73,283 to $34,365 in the Year 7 budget and recommended that Council adopt the prepared resolution to decrease funding and amend projects for HUD/CDBG Entitlement Grant Year 7 that reflects this reduction. **Motion:** Anderson made a motion, seconded by White, to adopt the resolution to decrease funding and amend projects for HUD/CDBG Entitlement Grant 2014-2015 as presented. **Vote:** Unanimous. Motion carried.

**ITEMS FOR CONSIDERATION:**

A. **Memorandum of Understanding with City of North Myrtle Beach for police services.** Gosnell reported that the proposed agreement with the City of North Myrtle Beach will automatically renew annually unless terminated in writing at the discretion of the chief law enforcement officer to the other party. Staff recommended approval of the agreement. **Motion:** Blain-Olds made a motion, seconded by Anderson, to approve the memorandum of understanding between the City of Conway and the City of North Myrtle Beach to provide mutual aid and law enforcement support as recommended by staff. **Vote:** Unanimous. Motion carried.

B. **Proposed managed services agreement with Horry Telephone Cooperative.** Graham reported that, shortly after the City’s former IT coordinator resigned to accept employment elsewhere, HTC contacted the City with an offer to provide network security and managed services, remote telephone support and on-site support of the City’s PC servers and IT network infrastructure. Managed services support by HTC would provide 24/7 security and monitoring of network hardware and software and unlimited support for the City’s IT technician. Graham informed Council that the implementation of the proposed agreement would entail some initial network setup to enable HTC’s monitoring and security as well as some training by HTC of the City’s IT technician. The cost of the initial set up and training is $5,013.50. The cost of the three-year managed services agreement is $2,535 per month which amounts to $30,420 per year. Graham reported that the proposed agreement would result in savings conservatively estimated at $89,000 to the City over its three-year term. Staff recommended that Council authorize the City Administrator to enter into the proposed managed services agreement with HTC and to sign the work authorization for the initial set up and training by HTC necessary to implement the agreement. **Motion:** Goldfinch made a motion, seconded by White, to approve staff’s recommendation. **Vote:** Anderson abstained; all others voted in the affirmative. Motion carried. See attachment.

**ITEM FOR INFORMATION: Report on recent gun buy-back event.** Gosnell reported on this event which was held on March 29th at A Father’s Place. A total of 122 guns were collected, two of which were reported as being stolen. The event started at 9:00 am and was slated to end at 3:00 pm; however, due to the overwhelming response, funds supporting the buy-backs were depleted by noon and the operation was suspended at that time. The event again involved a partnership of local law enforcement agencies, including the Horry County Sheriff’s Office, Horry County Police Department, SC Highway Patrol, along with the Conway Police Department.
