III. CERTIFICATES OF APPROPRIATNESS

A. Pink Ivy – April Todd and Skyline Signs, applicants, requests approval of a revision to proposed wall signage previously approved for Pink Ivy, located at 327 Main Street (TMS# 137-02-02-025 / PIN 36804020084)

Hucks said on September 23, 2015, the applicants came before the Board to request a variation to a wall sign that had been approved previously. Hucks said the Board had most recently agreed that the applicant could stay with what had already been approved or to circle the Pink Ivy logo in white with the remainder of the signage in teal. Hucks said both of these options were for the signage to extend all the way to the edge of the brick over the adjoining door.

Hucks said the new submission shows a tri-color scheme, with the signage background being teal on the top half of the signage and white on the bottom half with a thin line of pink through the middle. The Pink Ivy logo would be encompassed with a bow shape, outlined in pink and black.

Hucks said staff had no issues with it.
Pippin made a motion, seconded by Ivester, to approve the signage as requested at this meeting. The vote in favor was unanimous. The motion carried.

B. Leroy Clewis – The applicant, Leroy Clewis, requests approval to replace the awning of the building located at 305 Laurel Street (TMS# 137-02-02-019 / PIN 36804020102)

The applicant was not present. The Board elected to move this agenda item along with the following one to the end of the meeting because the applicant was not present at this time.

Hucks said the applicant was supposed to bring samples of the color/material to the meeting.

C. Leroy Clewis – The applicant, Leroy Clewis, requests approval to replace the awning of the building located at 321 Laurel Street. (TMS# 137-02-02-003 / PIN 36804020099)

Hucks said this request was for the blue/white/yellow and red logo and white vinyl lettering on the entrance door and white vinyl lettering on the two windows along the bottom of the panes.

Hucks said the proposed signage met the requirements of the UDO and staff recommended approval.

Hucks asked Rowell if they intended to have any wall signage, but Rowell did not know.
