ORDINANCES FOR FIRST READING:

A. First Reading of Ordinance #2015-01-20 (A) Amending the Salary Pay Grades and Positions Schedule for the City of Conway. Graham informed City Council the purpose of this ordinance is to amend the City’s Salary Pay Grades and Positions to reflect the current needs of the City. Currently, one of the two budgeted Battalion Chief positions is vacant due to the recent promotion of Le Hendricks to Fire Chief. This ordinance would add a new position of Assistant Fire Chief at a Pay Grade 19 and eliminate the vacant Battalion Chief position. Staff recommended placing the new Assistant Fire Chief position in Grade 19, based on the essential job functions and comparable salaries with other State municipalities. In addition, this proposed ordinance would reclassify one Recreation Program Supervisor position to Program Coordinator and change the pay Grade from Grade 10 to Grade 9. Neither of these changes is expected to significantly impact the budget. Council received a copy of the proposed updated Schedule of Salary Pay Grades and Positions as part of this item. Staff recommended first reading approval.

Motion: Goldfinch made a motion, seconded by Blain-Olgs, to approve first reading of Ordinance #2015-01-20 (A). Vote: Unanimous. Motion carried.

B. Ordinance #2015-01-20 (B) Amending the City of Conway Code of Ordinances by adding Chapter 5, Article A, Regulations and Requirements Relating to Smoking in the City, to Title 6 of the Code. Graham remarked that the focus of the proposed ordinance was to eliminate health hazards caused by second hand smoke in enclosed workplaces within the City. Pursuant to City Councils request at a previous workshop on the proposed ordinance, Graham stated that staff had conducted a survey of the five hotels within the City limits. That survey showed the percentage of rooms designated as “smoking” at these motels ranged from 0% up to 100% and that all rooms designated as “smoking” in these establishments had separate HVAC systems and doors that opened to the outside. Based on the survey results and in light of the requirements in the proposed ordinance, staff was open to setting a percentage up to 30% for designated “smoking” rooms or Council could consider allowing hotel/motel owners to set their own standard as long as rooms are designated “smoking” or “non-smoking.” The ordinance calls for a separate HVAC system or other appropriate air flow control, exhaust, and/or air filtration system, in addition to other conditions that must be met, for designated “smoking rooms.” It was also recommended that the City offer “No Smoking” stickers to businesses to use to meet the posting requirement. Motion: Blain-Olgs made a motion, seconded by White, to approve first reading of the ordinance with the effective date to be 60 days after passage and the hotel/motel owners be allowed to set their percentage of smoking rooms provided the designated smoking rooms meet the stated requirements. Discussion: Goldfinch, Anderson, Timbes, and White commented on the basis for their position in regard
to the proposed ordinance. **Vote:** Goldfinch and Anderson voted in the negative; all others voted in the affirmative. Motion carried.

C. **Ordinance #2015-01-20 (C) Adopting an Amended Budget for Fiscal Year 2013-14.** There are four funds which will require budget amendments for Fiscal Year 2013-14. (1) The Tax Increment Financing Fund (TIF), $5,000; the Accommodations Tax Fund, $17,000; the Community Development Fund (HUD), $11,000; and the Hospitality Fee Fund, $300,000. Staff recommended first reading approval. **Motion:** Anderson made a motion, seconded by Goldfinch, to approve first reading of Ordinance #2015-01-20 (C). **Vote:** Unanimous. Motion carried.

**ITEMS FOR CONSIDERATION:**

A. **Acceptance of bid for sidewalk repairs and improvements.** Chestnut informed Council that the contract for sidewalk repairs and improvements expired on December 31, 2014. Bids were solicited and the bid opening was held on November 21, 2014. Three bids were received: **Benton Concrete, Palmetto Corp.,** and **King Construction.** Chestnut reviewed his evaluation of adding a full time crew in lieu of contracting sidewalk repairs and improvements. He advised Council that based on his analysis, staff recommended that Council approve the contract with Palmetto Corporation for the period of January 1, 2015, to December 31, 2016 based on bid unit prices. **Motion:** Blain-Olds made a motion, seconded by White, to approve the bid submitted by Palmetto Paving as recommended by staff. **Vote:** Unanimous. Motion carried.

B. **Approval of project for GSATS Transportation Alternative Program grant application.** At the December 1, 2014 meeting, City Council discussed potential projects for which to apply for this grant and ranking criteria to be used in the selection process. It was agreed that the 5’ sidewalk project on Elm Street between Sixteenth Avenue and Mill Pond Road was the most feasible project for submission. Leinwand reported on additional information from WRCOG concerning the amount of matching funds for this project to be competitive. **Motion:** Blain-Olds made a motion, seconded by Timbes, to apply for GSATS Transportation Alternative Program grant for a 5-foot wide sidewalk project along Elm Street from Sixteenth Avenue to Mill Pond Road with the maximum match provided by the City to be $89,001 (31%). **Vote:** Unanimous. Motion carried.

**ITEM FOR INFORMATION:** **Fiscal Year 2014-15 Budget update** was presented as information by Hardee.

**WORKSHOP SESSION:** Leinwand gave City Council an update on HUD / CDBG current projects and proposed projects for consideration for the Horry County Entitlement Grant through 2015-16. Horry County Community Development estimates the City of Conway could receive approximately $304,365 in funding for 2015-16. Based on that estimate, staff recommended the following projects:

- Public Service – Horry County Sherriff Jail Diversion and Reentry Program (JDRP) – $13,000
- Drainage Project – Whittemore Park – $150,000
- Infrastructure Project Potential Overrun Costs – $39,365
- Home Repair Program – $100,000
- Administrative Costs - $2,000
- Total Year 2015-16 - $304,365

Staff presented for discussion the possibility of using Home Repair funds for improvements in a targeted area (surrounding the former Police Satellite Station).

**Outcome:** There was no disagreement with the proposed projects and amounts; however, there was little to no support for using the Home Repair Program funds only in a targeted area.
