AGREEMENT AND RESOLUTION:

A. **Consideration of an agreement outlining the conditions to accept the roadways in Forest Glen Planned Development, Phase I.** Leinwand advised Council that the new owner of this subdivision, OREO Corporation, is willing to request dedication of the subdivision’s roadways. However, as OREO is not the original developer of Forest Glen, the City is being asked to enter into an agreement outlining the conditions of the road dedication, one of which is a waiver of the warranty requirements. Leinwand pointed out that these roadways were constructed in 2008 and, had the original developer dedicated them in a timely manner, the required warranty would have already expired. The City Public Works Department recently inspected the roadways and found them to be in acceptable condition. Staff recommended that Council authorize the City Administrator to execute the proposed agreement with OREO Corporation. **Motion:** White made a motion, seconded by Blain-Olds, to authorize the City Administrator to sign the agreement with OREO Corporation which outlines the conditions under which the roadways in Forest Glen Planned Development, Phase I, will be accepted. **Vote:** Unanimous. Motion carried.
B. Consideration of a resolution accepting the right-of-way and drainage system for roadways in Forest Glen Planned Development, Phase I. Staff recommended adoption of the resolution accepting the dedication of the roadways. **Motion:** Koon made a motion, seconded by Timbes, to adopt the resolution accepting the right of way and drainage system for roadways in the Forest Glen Planned Development, Phase I. **Vote:** Unanimous. Motion carried. See attachment.

**ORDINANCE FOR FIRST READING:** Ordinance #ZA2013-01-07 (A) Accepting the petition of Floyd and Walt Smith to rezone approximately 3.9 acres of two parcels of property located at 2200 Main Street (TMS# 123-00-02-102) and 2210 Main Street (TMS# 123-00-02-101) from Low Density Residential (R-1) to Light Industrial (LI) and Highway Commercial (HC). Leinwand noted no changes had been made in the proposed ordinance since the public hearing was held at the December 3rd Council meeting. Council was provided with additional information on the request, including maps and information on permitted and conditional uses in the Highway Commercial and Light Industrial Zoning Districts. Staff recommended first reading approval. **Motion:** Timbes made a motion, seconded by Kcon, to approve first reading of Ordinance #ZA2013-01-07 (A). **Vote:** Blain-Olds voted in the negative; all others voted in the affirmative. Motion carried.

**ITEM FOR INFORMATION:** Fiscal year 2012-2013 budget update. Council was provided with an update, by fund, on the City’s financial status as of October 31, 2012.

The business session was then recessed and the Council meeting reconvened in the Conference Room for the workshop session.

**WORKSHOP SESSION**

**Update on current HUD Projects.** Leinwand gave a report on HUD projects for Years 1-5. Detailed information was shared on the Year 4 project, a sidewalk and drainage project on Grainger Road from Dillon Street to US Highway 378, including a progress report on efforts to secure an easement at the corner of Grainger Road and US Highway 378.

**Discussion on future projects for the Horry County Entitlement Grant through HUD Year 6 (2013-2014).** Leinwand reviewed staff’s recommendations for Year 6 projects: Jail Diversion and Reentry Program ($13,000), sidewalk and drainage projects on portions of Brown Street and Whitemore Street ($95,000), funding of additional costs associated with the approved GSATS Enhancement Project (sidewalk and drainage) in the Darden Terrace area ($69,410.80), the Home Repair Program ($100,000), and the remainder in administrative costs ($2,476.20) for a total of $279,887. Staff also recommended that Council schedule this item, along with the required public hearing for its January 22nd meeting. Leinwand noted that administration of the current Home Repair Program would be evaluated before the contract for administration of the Year 6 program is considered. **Outcome:** There was no disagreement voiced to staff’s recommendation on the projects and the scheduling of this item of business for the next Council meeting.

**ADJOURNMENT:** **Motion:** Koon made a motion, seconded by Anderson, to adjourn the meeting. **Vote:** Unanimous. Motion carried.
