SPECIAL PRESENTATIONS:

A. Proposed municipal solid waste recycling incentive and disposal agreement. Mike Bessant of the Horry County Solid Waste Authority (HCSWA) reviewed the highlights of this proposed five-year agreement. Under this agreement, the City would contract to use the HCSWA landfill for a minimum of five years and, in return, would receive recycling incentive credit, based on specified tonnages of recyclable materials achieved, that would be applied against the City’s municipal solid waste tipping fees. Staff recommended that Council approve the Recycling Incentive and Disposal Agreement with the Horry County Solid Waste Authority and authorize the City Administrator to execute the document. **Motion:** Koon made a motion, seconded by Blain-Olds, to approve staff’s recommendation. **Vote:** Unanimous. Motion carried.

B. Presentation from Mr. Joe Burroughs regarding proposed improvements to his building located at 104 Laurel Street including a request to acquire City-owned property. Mr. Burroughs, accompanied by his son, Matt, presented a request to lease or purchase property for improvements to be made to his property at 104 Laurel Street. He stated that he has attracted a tenant who is interested in leasing the building for an upscale combination restaurant/bar and hopes these proposed improvements will help the tenant establish a successful business to promote the downtown/riverfront area. Burroughs advised Council that, to accommodate construction of a deck along the side of his building, he needed a parcel of property 25’ wide parallel to the right wall of his building and extending to the railroad track. In addition, Burroughs asked for additional property on the left side (water tank side) of the building in order to provide space for a service area for roll-outs/dumpster pad that can be accessed from Laurel Street. Council received a copy of the tenant’s proposed business plan, proposed deck plan and property maps. Mayor Lawson informed Burroughs that his request would be discussed by Council and any questions would be channeled through the City Administrator. She also stated that, in the interest of full disclosure, she would abstain from all discussion on this matter as she is a business partner with Joe Burroughs.

C. Special event request – Riverfest 2013 – June 29, 2013. The Chamber of Commerce has requested a special event permit for Riverfest 2013 planned for June 29th. Leinwand informed Council that the format has been shortened to one day for this year’s festival. Activities are planned for the County Courthouse area and the Riverfront Park area. A schedule of activities, maps of proposed street closures (with closing and reopening times), and the proposed designated special event area for public alcohol consumption were included with the special event application. Staff recommended approval of the special event request with the cost of City support services provided to be absorbed by the City’s operating funds. Kelli James of the Chamber of Commerce was present in support of the special event request and invited Council to participate in the opening ceremonies. **Motion:** Anderson made a motion, seconded by Koon, to approve the special event application for Riverfest 2013 as presented. **Vote:** Unanimous. Motion carried.

D. Employee Longevity Awards were presented to Jarrett Wallace, Fire Department, 5 years, and Lois Roberts, Administration, 20 years. The presentation was made by Mayor Lawson and the City Administrator.

E. Employee of the Month Award for April was presented to Pat Livingston, Customer
Service Representative, Finance Department. The City Administrator, accompanied by the Finance Director, made the presentation. Livingston was commended by City Council for having been selected as the recipient of this award.

ORDINANCE FOR FINAL READING: Ordinance #2013-06-03 (B) An Ordinance to Amend Title 7, Chapter 4, Article F, Wrecker Service, to delete the requirement that wrecker vehicles be housed within the City limits as a condition for participation in the Wrecker Service Rotation Program. First reading was approved at the May 6, 2013, Council meeting. Staff recommended final reading approval. Motion: White made a motion, seconded by Koon, to approve final reading of Ordinance #2013-06-03 (B). Vote: Blain-Olds voted in the negative; all others voted in the affirmative. Motion carried.

ORDINANCE FOR FIRST READING: Ordinance #ZA-2013-06-17 (A) Accepting the request by Andrew W. Altman and Terra C. Altman to annex approximately 1.5 acres located at 4104 Hagwood Circle (TMS# 111-00-01-016) and to zone the property Low Density Residential (R-1) upon annexation. Leinwand reported that this property, which is completely surrounded by the municipal City limits, is currently served by City water. Ownership of the property recently changed hands and, because the property is contiguous, the City requires annexation before the City water account for that property is changed. Staff recommended first reading approval. Motion: Anderson made a motion, seconded by Blain-Olds, to approve first reading of Ordinance #ZA-2013-06-17 (A). Vote: Unanimous. Motion carried.
