Darlington County Hosts SC Counts: A Day of Action

Darlington, SC— Darlington County will be hosting SC Counts: A Day of Action on Saturday, September 26, 2020, from 9 a.m. to 4 p.m., at Darlington Middle School, 150 Pinedale Drive, Darlington, SC.

This community event will give people in Darlington County the opportunity to complete their 2020 Census as well as register to vote, get a flu vaccine, have a COVID test, join the county library, and get information from other community partners. The last date to complete responses to the census is Wednesday, September 30th so this will be a terrific opportunity to get counted and get other additional information.

County Administrator Charles Stewart commented, “Completing the census has a significant impact in our community. It helps provide school lunches, plan for highways, get support for first responders, and other everyday needs in Darlington County. The results of the 2020 Census will help determine how hundreds of billions of federal dollars are spent locally for the next ten years.”

Darlington County is partnering with United Way to organize this event. Partners assisting with the event are Darlington County Voter Registration, Darlington County Library System and other county departments, Darlington County School District, Carolina Pines Regional Medical Center, and Coker University.
