After review and consideration, I, Ronda L Johnson, Keith County Treasurer recommend that the following taxes be placed on the stricken tax list per SS 77-1738. At least two distress warrants have been issued. These distress warrants have been returned as uncollectible. These taxes total \$619.38. Being placed on the stricken tax list does not forgive the taxes, and should there be something to levy on, then the taxes would be placed back on the rolls and collected. Therefore I ask that you place the taxes for the attached properties on the stricken tax list:

Respectfully submitted,

Ronda L Johnson  
Keith County Treasurer
