Recognition!

Devery Johnson with the Montgomery County Memorial Library System would like to give recognition to the entire Youth Staff at all the Montgomery County Libraries for a great summer reading program. You may not know this but when school gets out, the libraries encourage the students to sign up for Summer Reading. They read 10 books and get a prize. Over 8925 children signed up this year which is a 105 increase over last year. With all the additional programming, the Youth Staff was very, very busy. Also, according to the parents, very successful in keeping children reading. They rock!

Welcome!

*Permitting Department welcomes
Pam Kelley to our family!*

*County Court at Law 2 welcomes
Aimee Stevens and Kristin Bays to our team!*

MISSION STATEMENT

The Montgomery County Employees' Committee exists to bring the dedicated employees that serve Montgomery County together as a team. Collectively, we strive to provide fellowship and unity among all departments throughout the county. We encourage each county department to have a representative sit on the committee.
