He wanted a "free to the citizens" budget office established. He would like the funds pulled from the Auditors budget.

John Wertz addressed the court concerning the cost per mile for the 249 toll road. He stated the \$5-7 million per mile that he quoted was from the American Road and Transportation Builders Association.

Commissioner Noack asked the County Attorney if the court had the ability to pull funds from the Auditors budget after it was set by the District Judges.

County Attorney's office stated that he does not believe the court has the authority to pull the funds.
