Serve on the Northampton County Comprehensive Plan Advisory Committee
The Northampton Board of Commissioners is beginning a process to prepare a Comprehensive Land Use Plan and reform the County’s zoning ordinances. The Board invites residents and property owners to apply for appointment to serve on an Advisory Committee to provide guidance on both matters.

Mission and Function of the Committee
The Comprehensive Land Use Plan will be a policy document that outlines a vision and goals for the future of Northampton County, with a focus on land use and zoning. The plan will include information on the County’s history and current circumstances, identify trends, and serve as guidance in managing the County’s future growth. The Advisory Committee is to be appointed by the Board of Commissioners in March, 2020, and will meet approximately four times between March and October to discuss zoning and land use issues in Northampton County, review draft documents, and make recommendations to the Board of Commissioners.

Please submit your application to Tanya Smallwood, Northampton County Clerk to the Board by March 6, 2020:
9467 NC Hwy 305, Jackson, NC 27845
