Comments and Concerns of Citizens

Herb Foley, Mountain View Drive spoke of the trees on Pennybrook Estates planted by the Tree Warden. He noted that the field was worked on and used for over 20 years. He was president of the soccer league when the Board of Selectmen approved the field for soccer use. Many of the kids in the soccer program helped make the field and the league did all the work. Over $265,000 was put into that field to make it level and useful. A company from New York came to see the field and stated that the soccer league did an excellent job. Mr. Foley wants people to understand why trees should not be planted there. Mr. Beckley noted that the field has not been used for years, and he does understand all the effort put into the field. Selectman Carroll questioned why the trees were to be planted at that location; Mr. Beckley noted that the Tree Warden can look at other locations.

Jim Russell asked when the TIF Committee would be meeting, and asked the status of the Main Street buildings and 73 West Main Street. Mr. Beckley noted that the Town has acquired 73 West Main Street. The new owner of the building with the blue tarp will be meeting with Mr. Beckley soon. The next TIF Committee meeting should be in July.

Chairman Carroll noted the letter of complaint from Bill Hill. Mr. and Mrs. Hill noted they have lived in town for over 20 years, and recent events as described in their letter. They now have a puppy and need to walk safely on the rail trail 2 – 4 times per day. Their dogs now have anxiety as a result of the attacks by the dogs at 20 Westbrook Avenue. They no longer walk by that residence. They are aware that the dogs’ owners have put up a kennel, but the dogs have been loose even after the kennel was put up. Chairman Carroll asked if there have been any vet or medical bills; the Hills answered no. Jen Baker, owner of Gunner and Chloeh, noted that she replaced her storm door and bought stronger leashes and collars, as well as the outdoor $500 kennel. The dog is a rescue and high energy, but she was not home on either day of the attacks. The dog officer never contacted Ms. Baker. Selectman Kruckas questioned why the dog officer did not contact Ms. Baker. Selectman Talbot questioned the safety of the kennel; Ms. Baker noted the kennel is anchored and 10 feet from the door. Selectman Talbot suggested the dogs should be on leash from the door to the kennel and back. Chairman Carroll asked Mr. and Mrs. Hill if they were satisfied with these improvements; the Hills stated they were not satisfied and the dog should be muzzled as the leashes do not work. Chairman Carroll asked Town Manager Stuart Beckley to contact the Animal Control Officer to give a full report. Chairman Carroll stated that both dogs should be on secure leashes and under control at all times. He reminded the owners
that they are responsible if there are any further incidents. Selectman Kruckas noted that police should be called. Mr. Hills stated he called the police many times. Mr. Beckley noted that in previous such cases, the Board would require muzzles and leashes. Selectman Kruckas asked to be notified if there is no response from the Animal Control Officer. Chairman Carroll stated that the neighbors should speak outside to resolve the situation.

Selectman Talbot made the motion to continue this hearing for further review on Tuesday, August 13, 2019 at 7:05 p.m. Selectman Kruckas seconded the motion. The motion passed on a vote of 3 Yes, 0 No, 2 Absent (Selectman Opalinski, Selectman Whitney).

Comments and Concerns of Citizens:

Mr. Russell questioned if there was a citation; Mr. Beckley noted that the owner stated she did not receive a citation. Mr. Russell questioned the grievance from police and the reimbursement policy; this is tabled until resolved. Mr. Russell questioned the status of the fire chief investigation; Chairman Carroll noted there is no status report.

Dear Mr. and Mrs. Baker:

The Ware Board of Selectmen held a public hearing on Tuesday, July 2, 2019 for a complaint filed under MGL Chapter 140 §157 Nuisance or Dangerous Dogs. You were properly notified of this hearing by a certified letter dated June 19, 2019.

After hearing testimony from Mr. and Mrs. Hills, and from you, the Board of Selectmen determined that this situation will be reviewed again at the Board of Selectmen meeting scheduled on Tuesday, August 13, 2019 at 7:05 p.m. Your attendance at this meeting will be greatly appreciated.

At the meeting of July 2, 2019, the Board advised you to resolve this situation by methods such as stronger and secure leashes and muzzles used on both of your dogs, in addition to the use of the kennel you have already placed on your property.

The Animal Control Officer will also be asked for an opinion on this situation. The Board of Selectmen will receive testimony from all individuals present on August 13, 2019, and then make a determination.

If you have any questions, please call me at 413-967-9648, extension 101.

Sincerely,

Mary L. Midura

SUBJECT: HANDICAP PARKING SPACE ON PULASKI ST.

AT YOUR REQUEST I CHECKED THE ENTIRE LENGTH OF PULASKI ST AND OBSERVED 26 PARKING SPACES ALONG THE LENGTH OF THE STREET, NONE OF WHICH ARE DESIGNATED HANDICAP. THERE ARE NUMEROUS RESIDENCES AND SEVERAL BUSINESSES ALONG THE STREET. I DO NOT SEE A PROBLEM WITH MAKING A DESIGNATED HANDICAP PARKING SPACE IF THE BOARD OF SELECTMEN CHOOSES TO DO SO.

RESPECTFULLY SUBMITTED,

RE: Installation of handicap sign at 33-35 Pulaski St.

I come before this board requesting that it be approved to have a handicap parking space assigned and funded at the space immediately in front of 33-35 Pulaski St. I feel that this improvement is necessary as there are currently over thirty parking spaces on Pulaski St. without any assigned handicap spaces. I am currently handicapped and often times there is no available spaces to park that afford easy access to my home.

I cite D.O.J. Americans’ Disability Act 2010 Title II of A.D.A> standards for accessible Design. While initially designed for program access, I think it should extend to those individuals who are in need of reasonable access to their domiciles. Additionally, this is supported by the ruling that any alteration is restripping and resurfacing made after March, 15, 2012 must comply with A.D.A. 2010 standards to the maximum extent feasible.

I feel that this request of the installation of a handicapped parking sign (H.P.S. at this location will greatly afford me adequate accessibility to my home as well as from my home at 33A Pulaski St. I have a handicapped parking permit, (# available upon request), and am deemed handicapped as a result of a motorcycle accident, and subsequent spinal surgery.

Thank you for your time and consideration in this matter.

Sincerely,

Liam Grant

Options for Additional Human Resource Services

In accordance with the Town Charter, the Town Manager is to be responsible for the administration of a Town personnel system, including, but not limited to personnel policies and practices, rules and regulations, and an employee handbook, including provisions for an annual employee performance review. The Town Manager shall also prepare and keep current a plan establishing the personnel staffing requirements for each Town agency under the Manager's jurisdiction. Additionally, the negotiation of employee contracts and compensation are to be completed.

Recognizing that some of these tasks (1) are not up to date and (2) take time, the Board of Selectmen has asked for a review of options for enhancing human resource tasks.

Few towns of Ware's size in central and western Massachusetts have a Personnel or HR director. Some that do include Charlton, Wilbraham, and South Hadley. Attached are a range of pays for the position from towns with populations of 5,000-10,000. Also attached is a job description from the Town of Orange that lists the critical tasks for an HR direct that would fit Ware's current situation.

A full-time Personnel Director for Ware is an expensive option given other town needs, with a likely salary of $60,000 to $70,000 for an experienced person. With the Town Manager and labor attorney keeping union negotiations, would permanent full-time be needed?

A part-time or shared personnel person could update policies, organize employment files, and provide guidance to employee inquiries. This would provide 15-20 hours per week.

Another option would be to contract for services to bring the Town up to date on policies and organization. $5,000-10,000

RE: Assistant to the Treasurer Collector Job Posting

To Whom It May Concern:

Please accept this letter of interest for the Assistant to the Treasurer Collector position. I strongly believe that I have a lot of beneficial characteristics and strengths to bring to this position. In this day and age, there is always more to learn and I have taken an active role in my education. I earned my Bachelor of Arts in Psychology, with a minor in Sociology, at Westfield State University and since my completion have continued my education by taking courses through the Center for Financial Training. The Center for Financial Training has provided me with an incredible base of business and financial knowledge from which I can only expand. In all aspects of my life, I have a strong desire to learn and better myself.

Paired with my desire to learn, I feel that my personal characteristics make me a great candidate for this position. I have superior organizational skills. I like my work completed promptly and neatly. In addition, I am also honest to a fault; I always admit and learn from my own mistakes. Above all else, I set extremely high standards for myself. I won’t settle for a job completed, it has to be completed to the best of my ability.

Working in the eServices Department at Country Bank has given me a strong foundation in working with consumers, vendors, and businesses of all varieties. I’ve also had the opportunity to learn, implement, and develop the back and end user side of payroll and various digital products. The knowledge I’ve gained is unequivocal in all aspects of electronic services and customer service. In addition, this experience would allow me to easily learn your programs and procedures as I’ve worked so closely with similar resources.

I can honestly say that I have learned a tremendous amount working at Country Bank and with the diverse group of individuals. I’m thankful every day for the opportunities I’ve been given, but I am certain that I am ready to move on to bigger challenges and push myself to continue to learn. I would love the opportunity to work for the Town of Ware and be a strong contributor to your team.
If you have any further questions or would like more information, please do not hesitate to contact me. I look forward to hearing from you.

Very truly yours,

<td>Sheehy Road - ATC/Virgilio</td>
<td>The Town is holding final payment to Virgilio until assurance of proper construction and design. Determined designer at fault for stormwater flow. Town Attorney is coordinating discussions with other two entities. Working with Bob Lemaitre on re-design. Requesting $95,000 to fix the potential issue. All parties have agreed to move forward with Bob Lemaitre design, then discuss cost.</td>
</tr>
<tr>
<td>Tri-County</td>
<td>The Tri-County recycling appeal of the Board of Health decision has slowly worked its way through the Suffolk County Court system. At all levels of decisions so far, the Town Attorney and his team have won. A lot of records have been produced for Tri County.</td>

<tr>
<td>Maple Street Power</td>
<td>Just filed. Insurance will determine if they will cover or if the Town Attorney will cover.</td>
</tr>
<tr>
<td>MIIA Claims</td>
<td>The Town has several claims against it by residents that are being reviewed by the Town's liability carrier. Most fall into two categories: Falls on sidewalks or water/sewer issues such as the impacts of dirty water or sewer backups. New claim added</td>
</tr>
<tr>
<td>Lawsuits</td>
<td>There are two current cases being handled by the liability carrier, MIIA due to the potential for monetary damages. Both are related to the police department. The first was for an arrest of a partially deaf individual who claims that the Town did not offer proper interpretive services. While the Town has resolved this issue with the US Attorney's office and improved its procedures, the individual has filed a civil case. The other lawsuit claims that an individual was injured (back) during an arrest by the police. The Town does have a deductible on these cases.</td>
</tr>
<tr>
<td>Joint Labor Management Council</td>
<td>The Firefighters still have a complaint in about an unfair labor practice with regard to the implementation of ambulance service to Hardwick. The hearing is currently scheduled in December, but all parties have agreed to include this issue within the contract bargaining issue. Issue resolved as part of bargaining.</td>
