Old Business
- Discussion of Timing of Water/Sewer Rates
Richard Kilhart, DPW Director, stated that most citizens understood the rate increases. Resident George Staiti stated the rates applied to the April-June bill were unfair to citizens as the vote was effective July 1, 2016, the citizens should be refunded as this gives the enterprise funds a free loan. Selectman Carroll noted that the rates are set for improvements in water and sewer as a smart investment in the town. Mr. Kilhart explained that it takes over a month to read all meters, recalculating would be time-consuming and it is not possible to determine actual usage in real time. The bills for water and sewer are produced in an old style process and are not fully automated. Selectmen noted their belief that the vote was effective July 1, 2016, however, at this time it is wiser to leave things as they are. • DPW-Main Street Design Presentation

Mr. Kilhart noted the town center intersection improvements to be funded by MA DOT beginning September 2019. The 25% design was submitted July 2016, new submission with MA DOT recommendations. MA DOT will hold a public hearing with plans in late fall/early winter 2016/2017. The complete design will be in 2019 when funding is available.

• DPW-Discussion of Road Repair Priorities

Mr. Kilhart noted that Monson Turnpike Road and Bacon Road will be completed in Spring 2017. Work on Babcock Tavern Road will proceed in Spring 2017. There are 86 miles of road in Ware, important to prioritize in the 5-year plan with approximately $1 million, excluding Chapter 90 funding for Babcock Tavern Road.

Re: License #29 Snow’s Restaurant

As you requested, I spoke with Ralph Sacramone, Executive Director of the Alcoholic Beverages Control Commission (ABCC) yesterday afternoon regarding the liquor license for Snow’s Restaurant.

Mr. Sacramone indicated that the Board of Selectmen may want to consult with town counsel regarding action for this license. The Board has the discretion to write a certified letter to the licensee per MGL Chapter 138 Section 16B and Chapter 138, Section 70, and give the licensee fourteen (14) days to pay for the license, pay any outstanding real estate taxes, and pay any outstanding fees to other departments such as the Board of Health, if not already done, clearly stating that the Board of Selectmen will thereupon revoke the license.

The Board of Selectmen may wish to state in the letter that, per the licensee’s notification in December, the Board has the understanding that the restaurant would be closed through February 2017, intending to re-open March 1, 2017. From the time of the licensee’s notification, even if the licensee pays all monies due to the Town of Ware, the Board of Selectmen can move forward after six (6) months if no operation of the restaurant occurs.

A copy of the letter should also be hand-delivered to the premises by a policeman, and if there is no one to receive the letter, the police should note this in their daily log.

The Board of Selectmen, per town counsel, may wish to further schedule a public hearing to formally revoke the license if the licensee has not paid for and picked up the license by the day following the 14 day period. The reason for revocation may also include failure to conduct business.

All actions by the Board of Selectmen should be documented and reported to the ABCC.

I would be happy to draw up the letter for the approval of the Board of Selectmen.
Town of Ware, Massachusetts Home Rule Charter, adopted by the voters of the Town of Ware April 9, 2007, page 28:

A 5-member By-Law review committee shall be established to revise existing By-Laws and bring them in compliance with this charter. At least 2 members must have been Charter Commission members.

9-9 By-Law Study Review
Not later than thirty days following the election at which this Charter is adopted, the Board of Selectmen shall appoint five (5) persons to be a committee to begin a review of the Town by-laws for the purpose of preparing such revisions and amendments as may be needed or necessary to bring them into conformity with the provisions of this Charter and to fully implement the provisions of this Charter. At least two of the persons appointed to the committee shall have been members of the Ware Charter Commission. The committee shall submit a report with recommendations to the Board of Selectmen forthwith following the election held in the year in which this Charter is adopted. The review shall be conducted under the supervision of the Town Counsel, or by special counsel appointed for that express purpose. Upon taking office, the Board of Selectmen shall assure that the Town's by-laws are revised so as to support the Charter's intent and facilitate its implementation.
