The new Cedar Rapids flag will follow guidelines set by the North American Vexillological Association:

1. Keep It Simple: The flag should be so simple it can be drawn from memory.
2. Use Meaningful Symbolism: The flag’s images, colors, or patterns should relate to what it symbolizes.
3. Use 2-3 Basic Colors: Limit the number of colors on the flag to three which contrast well and come from the standard color set.
4. No Lettering or Seals: Never use writing of any kind or an organization’s seal.
5. Be Distinctive or Related: Avoid duplicating other flags, but you can use similarities to show connections.
