C. Action Items

I. Case Name: 4015 Mt Vernon Road SE (Preliminary Site Development Plan)

Consideration of a Preliminary Site Development Plan in a C-2, Community Commercial Zone District as requested by Hy-Vee, Inc. (Applicant/Titleholders)

*Case No. PSDP-008537-2014; Case Manager: Chris Strecker*

Mr. Strecker presented the criteria for a Preliminary Site Development Plan and stated the applicant is requesting Preliminary Site Development Plan approval for the property located at 4015 Mt. Vernon Road SE. The property is currently zoned C-2, Community Commercial Zone District. The proposal is to construct a convenience store and car wash; the existing dental office will be removed. Mr. Strecker presented a Preliminary Site Development Plan, Location Map, Aerial Photo/Zoning and a Site Plan. Mr. Strecker also stated that two objections have been received for this project.

Commissioner Overland called for questions of Mr. Strecker.

Commissioner Hunse asked if there was a city bus route on Mount Vernon. Mr. Strecker said yes. Commissioner Hunse asked if there was a pedestrian connection between the medical facility and the Convenience store. Mr. Strecker stated that currently there is not a connection but it can be addressed with the applicant.

Commissioner Overland called for a representative of the applicant.

Brian Vogel, Hall & Hall Engineers, 1860 Boyson Road and Randy Downs, Hy-Vee Engineering Department and Kacie Bonjour, Hy-Vee Real Estate Department, 5820 Weston Parkway, West Des Moines

Commissioner Overland called for questions of the applicant.

Commissioner Hunse asked again if there was a pedestrian connection between the medical facility and the Convenience store. Mr. Downs stated that they would have to look at the grades between the two facilities. Mr. Downs stated that three driveways have been reduced to one driveway since the beginning of this project.

Commissioner Overland called for members of the public who wished to speak.
Gordon Epping, 1118 Forest Glen Court SE; John Young, 1206 Forest Glen Court; John Lutz, 4024 Mount Vernon Road SE; Feldie Schwab, 1025 39th Street SE; and Keith Sands, 1130 Forest Glen Court SE expressed their concerns:

- Lighting Issues on canopy as well as continuing lighting issues from Hy-Vee store
- Concern for school children safety
- Traffic to main Hy-Vee Store, possible Right-in Right-out restriction?
- Environmental/Sanitary Sewer and storm drains
- Stormwater drainage
- Blocking sidewalk

Mr. Vogel and Mr. Downs were asked to return to answer questions.

Commissioner Overland asked regarding stormwater detention, where is the existing detention basin currently. Mr. Vogel stated the existing basin is behind the Hy-Vee grocery store which was expanded with the Hy-Vee remodel and the storm water will be piped into that basin. Mr. Downs stated that once the convenience store and gas station are built there is capacity based on the expansion.

Commissioner Overland stated that some of the issues will have to be handled when the medical clinic is reviewed.

Commissioner Overland asked about the lighting. Mr. Downs stated that all the lighting is LED and the lighting on the canopy faces down. Mr. Downs stated he would speak with store director about blocking light from the store so that it is not shining on the neighbors.

Commissioner Pankey asked about the pedestrian access to the convenience store to work with the medical center.

Mr. Downs stated the clinic would not have to do anything as there would be only one driveway between the clinic and the gas station. Right-in and right-out was not recommended by City staff.

Commissioner Pankey said it looks like they have done a nice job with safety and access and what they have done is the best solution.

Mr. Downs further stated that the bus goes into the Hy-Vee parking lot.

Commissioner Overland called for a motion. Commissioner Halverson made a motion to approve the Preliminary Site Development Plan in a C-2, Light Community Commercial Zone District. Commissioner Pankey seconded the motion.

Commissioner Overland called for discussion on the motion.

Commissioner Halverson stated that he heard the concerns of the citizens, however the consolidation of the driveway will help satisfy the safety concerns and that Hy-Vee has done a nice job of site design.
Commissioner Overland called for a vote on the motion. The motion passed unanimously with none opposed.

2. **Case Name: 1005 3rd Avenue SW and 328 Rockford Road SW (Rezoning W/Preliminary Site Development Plan)**

4. **Case Name: 1010 3rd Street SE (Preliminary Site Development Plan)**

   Consideration of a Preliminary Site Development Plan in a C-3, Regional Commercial Zone District as requested by T.U.S.K. LLC (Applicant/Titleholders)

   *Case No. PSDP-021975-2015; Case Manager: Dave Houg*

   Mr. Houg stated the applicant is requesting Preliminary Site Development Plan approval for the property located at 1010 3rd Street SE. This site currently contains a historic commercial building commonly referred to as the “White Elephant”. The property is currently zoned C-3, Regional Commercial Zone District. The proposal is to construct an addition to the existing
structure for commercial and office space. Mr. Houg presented a Preliminary Site Development Plan, Location Map, General Information, Zoning Map, Aerial View, Site Plan and two Renderings.

Commissioner Overland called for questions of Mr. Houg. No questions were presented.

Commissioner Wilts asked why the design review committee asked for the windows. Mr. Houg suggested making the building look nicer.
Commissioner Overland called for a representative of the applicant.

Mr. Botkin and Laurie Konecny of 119 Ridge Drive, Fairfax are co-owners of T.U.S.K. LLC

Commissioner Overland called for questions of the applicant. Commissioner Overland asked why there were no windows on the one side. Mr. Botkin stated that there were mechanical rooms on that side and it was a fire wall. A kitchen will be on the bottom level, cabinets and kitchen serving area. Mr. Botkin stated that transit lighting would be added.

Commissioner Dahlby asked if bicycle accommodations would be provided. Mr. Botkin stated that they would be provided.

Commissioner Pankey asked if putting in the transit windows created challenges or hardships. Mr. Botkin stated that this would not present a challenge. Since it was a fire wall Mr. Botkin stated that they can be installed. Commissioner Pankey stated that the look of the outside would make it nicer, however, did not want to cause a hardship. Mr. Zakostelecky stated that wall did not need to be a firewall.
