Welcome

COLLEGE DISTRICT AREA ACTION PLAN
PUBLIC WORKSHOP

Help us develop goals and action steps for a long-range plan to transform the area.

What is an Area Action Plan?
An Area Action Plan focuses on connecting various planning efforts related to a specific area, such as parks and recreation, flood recovery, pedestrians, and trails.

The plan will identify specific actions needed to address issues and make improvements.
Next Steps

**August 2017**
Publish results from Workshop

**October 2017**
1st Open House: Report on what we heard. Share draft goals and action steps, and collect feedback

**Spring/Summer 2018**
2nd Open House: Present final goals and action steps

**Fall 2018**
Plan adoption
