(ii) Commercial general liability insurance (including operations, contingent liability, completed operations and contractual liability insurance) with limits against bodily injury and property damage of not less than $500,000 for each occurrence (to accomplish the above-required limits, an umbrella excess liability policy may be used);

(i) Insurance against loss and/or damage to the Minimum Improvements under a policy or policies covering such risks as are ordinarily insured against by similar businesses, including (without limitation the generality of the foregoing) fire, extended coverage, vandalism and malicious mischief, explosion, water damage, demolition cost, debris removal, and collapse in an amount not less than the full insurable replacement value of the Minimum Improvements. Any deductible amount shall be the responsibility of the Developer. The term "full insurable replacement value" shall mean the actual replacement cost of the Minimum Improvements (excluding foundation and excavation costs and costs of underground flues, pipes, drains and other uninsurable items) and equipment, and shall be determined from time to time at the request of the City, but not more frequently than once every three years, by an insurance consultant or insurer selected and paid for by the Developer and approved by the City.

The Developer will deposit annually with the City certificates of insurance evidencing that such insurance is in force and effect. Unless otherwise provided in this Article VII, in the event any such policy is to be cancelled or non-renewed, the Developer, its insurance broker, or the insurer shall provide the City at least thirty (30) days before the cancellation or modification becomes effective. Not less than ten (10) days prior to the expiration of any policy, the Developer shall furnish the
City evidence satisfactory to the City that the policy has been renewed or replaced by another policy conforming to the provisions of this Article VII, or that there is no necessity therefore under the terms hereof. In lieu of separate policies, the Developer may maintain a single policy, or blanket or umbrella policies, or a combination thereof, which provide the total coverage required herein, in which event the Developer shall deposit with the City a certificate or certificates of the respective insurers as to the amount of coverage in force upon the Minimum Improvements.

(d) The Developer agrees to notify the City within 30 days in the case of damage exceeding $100,000 in amount to, or destruction of, the Minimum Improvements or any portion thereof resulting from fire or other casualty. Net Proceeds of any such insurance shall be paid directly to the Developer, and the Developer, will forthwith repair, reconstruct and restore the Minimum Improvements to substantially the same or an improved condition or value as they existed prior to the event causing such damage and, to the extent necessary to accomplish such repair, reconstruction and restoration, the Developer will apply the Net Proceeds of any insurance relating to such damage received by the Developer to the payment or reimbursement of the costs thereof. The Developer shall complete the repair, reconstruction and restoration of the Minimum Improvements, whether or not the Net Proceeds of insurance received by the Developer for such purposes are sufficient.

(c) Compliance with Laws. In its use and occupancy of the Project, the Developer will comply with all laws, rules and regulations relating to its businesses, other than laws, rules and regulations the failure to comply with which or the sanctions and penalties resulting therefrom, would not have a material adverse effect on the business, property, operations, or condition, financial or otherwise, of the Developer.

(d) Non-Discrimination. In operating the Minimum Improvements, the Developer shall not discriminate against any applicant or employee based on race, creed, color, sex, national origin, age or disability. (i) the construction, installation, and operation of the Minimum Improvements, or

(ii) any hazardous substance or environmental contamination on the Development Property that develops or occurs after Closing.

(c) The indemnified parties shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, servants or employees or any other person who may be about the Minimum Improvements due to any act of negligence of any person, other than any act of negligence on the part of any such indemnified party or its officers, agents, servants or employees.

(d) All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City, and not of any governing body member, officer, agent, servant or employee of the City in the individual capacity thereof.

(e) The provisions of this Article IX shall survive the termination of this Agreement.

ARTICLE X

Section 10.4. No Implied Waiver.

In the event any agreement contained in this Agreement should be breached by any party and thereafter

(ii) Any other use or purpose that is consistent with the uses identified in the Agreement and approved by the Holder.

3. **RIGHT OF ACCESS--MONITORING.** For as long as this Agreement remains in effect, the Holder shall have right to enter upon and access the Conservation Easement Area reasonable times and upon reasonable notice in order to monitor compliance with this Agreement.

4. **TERMS AND CONDITIONS.** The following terms and conditions shall apply to the Covenants and Restrictions and the Right of Access:

(a) **Environmental Covenant.** This Agreement is intended to be an environmental covenant executed pursuant to Chapter 455I of the Code of Iowa (2019), as amended.

(b) **Run With the Land.** The Grantor hereby declares its express intention that the Covenants and Restrictions and the Right of Access shall be deemed to run with the Conservation Easement Area and shall pass to and be binding upon the Grantor’s successors in title including any purchaser, grantee, owner or lessee of any portion of the Conservation Easement Area and any other person or entity having any right, title or interest therein and upon the respective heirs, executors, administrators, devisees, successors and assigns of any purchaser, grantee, owner or lessee of any portion of the Conservation Easement Area and any other person or entity having any right, title or interest therein (subject to the written consent of the Holder to any transfer by Grantor). Each and every contract, deed or other instrument hereafter executed covering or conveying the Conservation Easement Area or any portion thereof or interest therein shall contain an express provision making such conveyance subject to the covenants, restrictions, charges and easements contained herein; provided, however, that any such contract, deed or other instrument shall conclusively be held to have been executed, delivered and accepted subject to such covenants, regardless of whether such covenants are set forth or incorporated by reference in such contract, deed or other instrument, and any grantee, successor, assignee, transferee or other person or entity acquiring any interest in the Conservation Easement Area or any portion thereof shall conclusively be held to have acquired such interest in the Conservation Easement Area or any portion thereof subject to the obligations of such covenants, regardless of whether or not such covenants and restrictions are set forth or referred to, or specifically agreed to be performed by any such transferee, in any such contract, lease, conveyance, agreement or other such instrument.

(c) **Perpetual.** The Covenants and Restrictions are intended to be perpetual.

(d) **Non-Exclusive.** The Right of Access shall be a non-exclusive right that shall exist as long as the Conditions and Restrictions exist and have effect. The Right of Access shall not be appurtenant to any other real property but shall be a personal right in favor of the Holder.

(e) **Amendments.** The Covenants and Restrictions and the Right of Access may be amended at any time upon the agreement of the Grantor and the Holder. Any amendments shall be in writing, signed by the Grantor and Holder and shall be recorded in the office of the Recorder for Linn County, Iowa.
5. **BURDEN AND BENEFIT.** The Grantor and the Holder hereby acknowledge and agree that it is their mutual understanding and intent that the burden of the Covenants and Restrictions may render the Developer’s legal interest in the Conservation Easement Area less valuable as a result of the restrictions created thereby. Further, the Grantor and the Grantee also acknowledge and agree that it is their mutual understanding and intent that the Covenants and Restrictions directly benefit the Conservation Easement Area by (i) enhancing and increasing the enjoyment and use of the Conservation Easement Area by members of the public, (ii) making possible the use of the Conservation Easement Area consistent with the uses allowed under the Covenants and Restrictions, and (iii) furthering the public purposes for which the Holder’s disposition of the Conservation Easement Area was made.

6. **EVENTS OF DEFAULT; REMEDIES.** If the Grantor defaults in the performance or observance of any of the Covenant and Restrictions or the Right of Access, and if such default remains uncured for a period of sixty (60) days after notice thereof shall have been given by the Holder to the Grantor, then the Holder may declare that the Grantor or subsequent owner of the Conservation Easement Area is in default hereunder and may take, at its option, any one or more of the actions provided for under Chapter 455I to enforce the rights granted under this Agreement. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of the Holder to enforce the same or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation thereof at any later time or times.

7. **RECORDING.** The Grantor shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in such manner and in such places as the Holder may reasonably request, and shall pay all fees and charges incurred in connection therewith. The original recorded Agreement shall be returned to the Holder after it has been recorded.

8. **GOVERNING LAW.** This Agreement shall be governed by the laws of the State of Iowa.

9. **NOTICES.** Any notice required to be given hereunder shall be given by registered or certified mail at the addresses specified below or at such other addresses as may be specified in writing by the parties hereto:
