President Kuser announced that some more dignitaries have joined us. He introduced Senator Bucco and former Freeholder Director Feyl.

President Kuser asked for a motion to give advice and consent to the Mayor’s appointments.

**MOTION TO GIVE ADVICE AND CONSENT TO MAYOR’S APPOINTMENTS: MOVED BY MEMBER STECKY, SECONDED BY MEMBER SHAW**

Councilwoman Smith asked the Mayor to explain the appointments that he has designated as “holdover”.

The Mayor replied that the only two, of the volunteers, that are mentioned are on the Local Assistance Board. He said that one of them was acting as a holdover because his term was up last year. The Mayor noted that he has not had a chance to interview many people who would like to serve on the Board and will advise the Council when he wishes to replace the holdover positions.

Mrs. Smith asked about the Township Planner. The Mayor responded that is also a holdover position.

Attorney Semrau interjected that, with regard to the Local Assistance Board, the positions are designated as holdovers but are actually vacant positions.

Mr. Semrau asked, with respect to the Planner, if it is the intention of Administration that he continue to serve during the interim time or is the Mayor waiting to make a recommendation to the Council.

The Mayor replied that they have already made a recommendation and the Council would like to talk to the new person and he is waiting for that to happen, in order to make it official.

The Clerk commented that nothing has been received by the Council and Mrs. Smith added that it is news to her.

The Mayor said that there was some informal discussion regarding a possible replacement.

Attorney Semrau asked the Mayor if technically, for that position, there is a 30 day period so that there is a Planner in place during that time. The Mayor noted that the current Planner will continue to serve until a determination is made. Mr. Semrau asked if it will be discussed with the Council. The Mayor replied that the Council will be involved, as they were with the choosing of the Administrator.

**AYES: STECKY, SHAW, GOLinski, SMITH, FITzPATRICK, ANDES, KUSER**

President Kuser advised that the next order of business will be the administering of the Oath of Office to Township Attorney Semrau, Municipal Prosecutor Driscoll and Special Counsel Knapp.

Township Clerk Donna Costello called the above-mentioned gentlemen forward and administered the Oath of Office.

**OPEN PUBLIC PORTION:**
Howard Shaw, speaking as a private citizen, noted that he is a Trustee for Post #2519 of the VFW. He stated that, as required by law, the Post is applying for a grant, which will be submitted this Friday, for $40,000 to pave the VFW parking lot. Mr. Shaw advised that it is a requirement of the Federal Government that a representative of the Post appear before the governing body and state their position as to why they feel this is a necessary improvement. He said that the post is asking for the Council’s support during this process.

Councilwoman Smith asked Mr. Shaw if a resolution or a letter from the Council President would be helpful to accompany their application. Mr. Shaw said that it probably would be helpful. Mrs. Smith suggested to the Council President that he figure out what the best communication would be. She added that she would be happy to make a motion in support of their application, if support of the Council is needed.
