Minutes of Denville MAC Meeting  
Feb. 24, 2011  
Denville Town Hall 7:30 PM

**Attendance:** Patricia Johnsen, Dawn Mahon, Chris Golinski, Barbara DeLuna, Mayor Hussa, Tom Dolan.

The meeting was called to order at 7:40 pm.

1. Discussed the addition of Tom Dolan and Tina Miller to the MAC Committee.

2. **JAVA JAM original date 3/18 but was moved out to FRIDAY, APRIL 15th, 2011, 7-10 pm (set up 6 pm) at the American Legion.** It is a High School event. This will also include a fundraiser for the Sean O’Neil Scholarship, the Morris Knolls student who recently passed away.

3. We discussed the possibility of using the gazebo for future teen or pre-teen events.

4. Continuation of the Strings Program was discussed. The majority of the members present felt that it was worthwhile to continue (April/May) if the mayor could obtain new music and adequate volunteer staff.

5. We committed to the **YCMA** for another free party. It will be held on Saturday, April 2nd, 2011 from 6:30 – 8:30 pm. This time it is for elementary age children, grades 2-5.

6. We talked briefly about obtaining the student 40 point developmental asset **survey results** and agreed that we need to review further for future programming.

7. DARE for Riverview was discussed. We collectively agreed that having a Denville Police Officer support the program is the best case scenario. If this is not feasible, then we felt that seeking a substitute certified DARE officer to teach the remaining students would be better than offering no program this school year.

A formal Motion was made by Barb DeLuna and Seconded by Dawn Mahon. It reads as follows:

“The MAC Committee should pursue through NJ DARE or other means a substitute certified DARE officer to complete the Riverview School Program this spring, 2011”.

Yes Votes: Patricia Johnsen, Dawn Mahon, Chris Golinski, Barbara DeLuna, Tom Dolan, Mayor Hussa

No Votes/Abstentions: None
8. Other future events we briefly discussed. MAC support would be beneficial.
