Dear Denville Recycler,

The Mayor's town-wide recycling initiative is still in effect. The goal of the initiative is to recycle 15% more and thus remove that 15% of refuse from the garbage stream. This eliminates the cost of dumping 100 tons of garbage monthly, which translates into an annual savings to the municipality and its taxpayers of over $165,000 annually. Recycling dropped in 2009, but it appears to be on the increase again. By removing more recyclable items from the garbage stream and reducing overall tipping fee, we have the goal of repealing the recent $15 per quarter increase that was implemented earlier this year.

We have placed new recycling containers around town and in the parks, making it more convenient for people to recycle. Please don't put garbage in the recycling bins.

We have been getting many ideas from the public and we take them seriously, using them where feasible. When you share your ideas with us, you are automatically entered in the Mayor's recycling contest. Savings bonds will be awarded sometime this Fall. Entry forms are available in the Mayor's office. Share with us your ideas for reusing recycled products and the best use to reprocess recycled materials.

Mayor P. Ted Hussa

Curbside Pickup of Leaves and Brush

Monthly Brush and Leaves Pickup is in effect April through September by voting ward in accordance with the schedule below. From October 18 through December 30 brush pickup is suspended and only leaves are picked up.

Brush and Leaves Schedule April through September in the week beginning on the:

1st Monday of the month    Ward 1    2nd Monday of the month    Ward 2
3rd Monday of the month    Ward 3    4th Monday of the month    Ward 4

Brush must be tied in bundles no longer than 6 feet in length. Branches may be no greater than 6 inches in diameter. Leaves must be in biodegradable paper bags (Denville Ordinance #21-06) or rigid containers (garbage cans or cardboard boxes). Biodegradable paper leaf bags will be picked up with the leaves. There is no curbside pick up of grass. Grass may be brought to our recycling center.

Leaves Only Schedule October 18 through December 30

Ward 1 - Weeks of November 1, December 6
Ward 2 - Weeks of November 8, December 13
Ward 3 - Weeks of October 18, November 15, December 20
Ward 4 - Weeks of October 25, November 22, December 27

Both pickup programs require placement at the curb no later than 7 a.m. on Monday of the scheduled week. Each street is picked up only once sometime between Monday and Friday of the scheduled week. The day of the week is governed by volume encountered each day.

An alphabetical list of streets with wards is part of this newsletter.

Christmas Trees will be picked up by ward during January and February at curbside. The schedule may be modified as a result of inclement weather. Christmas Trees may also be dropped off at recycling center. Please do not place the Christmas tree in a bag.
Curbside Pickup of Recyclable Cans, Bottles and Jars, Newspaper, Mixed Paper & Cardboard Boxes

Denville contracts with the Morris County Municipal Utilities Authority to provide residents with every other week pickup of recyclable cans, bottles and jars, newspaper, mixed paper and boxes. All materials must be placed at the curb the night before scheduled collection and separated as follows:

Mixed recyclables - Aluminum and steel (tin) cans, glass bottles and jars, plastic bottles (#1 & #2), newspaper, junk mail, magazines, office paper, soft-cover books, corrugated cartons, brown bags, chipboard (cereal, egg cartons and paper towel cores), may all be mixed together, curb-side pickup only. Certain beer/soda carrying cases with metallic coating are not recyclable...call the DPW for details.

For the purpose of scheduling, the township is divided into three sections: Section 1 - north of Interstate 80, Section 2 - All streets between State Highway 10 and Interstate 80, and Section 3 - South of State Highway 10. The section assigned to each street is noted on the page listing wards for brush and leaf pickup. The pickup dates by Section for 2010 - 2011 follow:

**Section 1:**
- October 4 & 18
- November 1, 15, 29
- December 13 & 27
- January 10 & 24
- February 7 & 21
- March 7 & 21
- April 4 & 18
- May 2 & 16
- June 13 & 27
- July 11 & 25
- August 8 & 22
- September 19

**Section 2:**
- October 5 & 19
- November 2, 16, 30
- December 14, 28
- January 11 & 25
- February 8 & 22
- March 8 & 22
- April 5 & 19
- May 3, 17, 31
- June 14 & 28
- July 12 & 26
- August 9 & 23
- September 6 & 20

**Section 3:**
- October 6 & 20
- November 3 & 17
- December 1, 15, 29
- January 12 & 26
- February 9 & 23
- March 9 & 23
- April 6 & 20
- May 4 & 18
- June 1, 15, 29
- July 13 & 27
- August 10 & 24
- September 7 & 21

Please Note:
- There will be NO PICK-UP on Memorial Day or Labor Day.
- No make-up day is provided.

Appliance and Metal Pickup - Please see note in “Recycling Center Drop Off” section below.

Recycling Center Drop-Off of Leaves, Brush, Recyclable Cans, Bottles & Jars, Newspaper, Mixed Paper and Cardboard Boxes

Denville maintains a comprehensive Recycling Center at its Department of Public Works facility located at 140 Morris Avenue in Denville. The Recycling Center is open Monday through Friday from 7:00 a.m. to 3:30 p.m. and Saturdays from 8:00 a.m. to 2:00 p.m. The center is open FOR LEAVES ONLY on Sundays from October 24 through December 19 from 11:00 a.m. to 1:30 p.m. Please follow the posted instructions carefully. Placing non-recyclable material or inappropriate materials in the bins will result in its rejection as “contaminated” by our recycler. This material will then simply be classified as garbage and cost the Township additional money to dispose of it. Upon arrival at the Recycling Center, you will see bins and areas designated for specific recyclables labeled as follows:

- Mixed Recyclables - Aluminum and steel (tin) cans, glass bottles and jars, plastic bottles (#1 & #2)
- Newspaper - Does not need to be tied and bundled
- Mixed paper - Junk mail, magazines, office paper, soft-cover books
- Corrugated cartons - Brown bags, chipboard (cereal, egg cartons & paper towel cores)
- Certain beer/soda carrying cases are not recyclable and will be rejected.
- Electronics - Computers, monitors, keyboards, TV’s, radios, etc.
- Tires - Limit 2 per drop-off. No rims. Attendant may ask for proof of Denville residency.
- Batteries - Automotive and Household – Special enclosed areas on site.
- Clothes and Toys - Special receptacles on site.
- Metal (excluding cans) - grills, propane tanks, tire rims, car parts, etc.
- Grass & Leaves - Dumpster provided. NO bags.
- Brush - Loose, not tied or bagged. Nothing in excess of 6” diameter
- Christmas trees - NO bags please

Special note on Appliances: Denville provides curbside pickup of large metal items (Appliances, etc.) by appointment only, every Wednesday. Please phone 973-625-8334 no later than 3:30 pm Monday to schedule a pick-up. This service is not available during weeks that include a holiday.
The law requires all waste generators in Morris County to keep the materials that are listed below separate from garbage to be recycled ("source separation"). These materials must remain separated from garbage until they reach an appropriate recycling facility. Everyone is a waste generator and must keep the recyclable materials listed below separate from garbage whether at home, at work or at play. If a location does not have separate receptacles for these mandated recyclable materials, speak to the management and tell them recycling is the law. Waste generators include, but are not limited to, residents, (single-family homes, multifamily complexes, hotels), office buildings, businesses, schools, restaurants, shopping centers, medical facilities, government buildings, recreational areas, and construction sites.

**Bottles and Cans**
- Aluminum Cans
- Glass Bottles and Jars
- Plastic Bottles (coded 1 and 2)
- Steel (Tin) Cans

**Paper**
- Newspaper
- Corrugated Cardboard
- Mixed Paper

**Mandated Organics**
- Leaves
- Grass Clippings
- Brush
- Natural Wood Waste - Logs, Stumps, Branches and Other Wood Tree Parts.

**Additional Mandated Recyclables**
- Used Motor Oil*
- Metal Appliances
- Whole Tires**
- Hazardous Dry Cell Batteries*
- Lead-Acid Batteries*
- Oil-Contaminated Soil

*For information on proper disposal of these items and other household hazardous waste, contact the Morris County Municipal Utilities Authority (MCMUA). See contact information below.

**Tires are allowed to be recycled and/or incinerated for energy recovery.

For further information on recycling or other waste disposal questions, visit [www.MCMUA.com](http://www.MCMUA.com) or call your town's recycling coordinator or the MCMUA at (973) 285-8394.

See other side for the definition of each material.

Thanks to Verizon, the company that designed these graphics for use in telephone directories.

Revised February 25, 2008
How to Prepare Recyclables
for Curbside Collection

Recycling's good for our planet!

**MIXED BOTTLES & CANS**

- **Aluminum cans**
  - Be sure to rinse.
  - No foil or pie plates.

- **Glass bottles and jars**
  - Clear, brown, green glass bottles and jars.
  - Remove lids. Put plastic lids into the trash.
  - Put metal lids into the recycling bin. Rinse the bottles and jars. No drinking glasses, mirrors, light bulbs, ceramic, window glass or Pyrex.

- **Plastic bottles coded [P] or [PE]**
  - Look for #1 & #2 on bottles only.
  - Remove lids and put them into the trash.
  - Rinse bottles. Bottles have necks or openings that are narrower than their bases.
  - No buckets, toys, plastic bags, margarine and cottage cheese tubs, yogurt cups, frozen dinner trays and deli containers.

- **Steel (tin) cans**
  - Rinse, but there's no need to remove the lids or labels.

- **Paint and aerosol cans**
  - Metal paint cans must be empty, dry and open with lids removed.
  - Aerosol cans must be empty with plastic nozzles removed.

- **Put aluminum cans, glass bottles and jars, plastic bottles, steel cans, paint and aerosol cans together in one container.**

- **Do not put recyclable cans & bottles into plastic or paper bags.**

- **Put materials at curbside the night before collection day.**

- **Containers should not exceed 50 lbs. and must have handles.**

If you have a problem with your collection, you must call your municipal office no later than 10 a.m. the morning following your collection day.

**NEWSPAPER**

- Bundle and cross-lie newspaper with inserts. Keep newspaper separate from all other paper.

**MIXED PAPER**

- Junk mail and envelopes

- Magazines, catalogs, coupons
  - Non-foil/non metallic gift wrap and carbonless paper.

- Office paper
  - Computer and copy paper, manila folders.
  - No metal clips. No carbon paper.

- Soft-cover books
  - Soft-cover workbooks, paperback books, phone books and books with hard covers removed (put the hard covers into the trash).

- Chipboard and boxboard
  - Cereal and pasta boxes, gift boxes, notebook backings, egg cartons, cores from paper towels. No metallic coating of any kind. No beer and soda six/twelve pack holders. No frozen food packaging.

- Brown paper bags (kraft bags)
  - Fold and stack in one brown grocery bag or in a reusable container with mixed paper.

- Corrugated cartons
  - Empty and flatten corrugated cardboard boxes and put into the container with all other mixed paper. If the cardboard does not fit into a container, flatten, cross-lie or stack in one small box and place it next to container. Remove all contents such as Styrofoam™ peanuts or blocks and plastic bags. Dispose of these items in the trash.

*Printed On Recycled Paper, Naturally!*
MANDATORY RECYCLING

REDUCE, REUSE, RECYCLE! RECYCLING IS THE LAW in the State of New Jersey, the County of Morris and the Township of Denville. According to Denville Township Recycling Ordinance #6-08, a warning for not properly recycling will be issued for any first offence. For any subsequent offence, a fine of at least $250 and not more than $1000 will be issued to the offender for each time they do not follow the law.

As has been stated in the past, recycling saves the Township tonnage from their trash and in turn saves the taxpayers money. Recycling adds to the total tonnage Denville can claim and in turn increases the Grant money awarded to the Township for our local Clean Communities program.

Our blue recycling receptacles, conveniently located throughout the Township, are for your empty glass, aluminum and plastic (coded 1 and 2) beverage containers.

Recycling is a “win-win” situation. Recycling helps save the Township money on solid waste tipping fees, enables the Township to earn more grant dollars utilized to beautify the community and helps keep Mother Earth clean.

TELEVISION UPDATE

As of January 1, 2011, televisions need to be recycled and can no longer be thrown out with garbage. There will be two options to dispose of televisions:

1) Televisions will be accepted at the Recycling Center located at 140 Morris Ave from 7am - 3:30 pm
2) DPW will pick up televisions left at curbside only on the 4th Wednesday of each month. You must call DPW to schedule to have your television picked up on or before 2:00 pm on the 4th Tuesday.

DENVILLE’S RECYCLING BINS — reduce, reuse and use the appropriately labeled bins to RECYCLE.

Above, Recycling can located at the Recreation parks and fields throughout Denville. The blue and white recycling can accepts plastic and aluminum cans.

Above, New Recycling Cans located around the Downtown area.
2010 HOUSEHOLD HAZARDOUS WASTE & COMPUTER/T.V. DROP-OFF EVENTS

THE FOUR (4) EVENT DATES & LOCATIONS FOR 2010

1) WHEN: Saturday, May 8, 2010
WHERE: Chatham High School
        255 Lafayette Ave, Chatham, NJ

2) WHEN: Saturday, June 12, 2010

3) WHEN: Saturday, September 11, 2010
WHERE: Morris County Public Safety Training Academy
        500 West Hanover Ave, Parsippany, NJ

4) WHEN: Sunday, November 7, 2010
WHERE: Jefferson Township D.P.W.
        1033 Weldon Rd, Lake Hopatcong, NJ
TIME: 9:00 a.m. to 2:00 p.m.

ACCEPTABLE MATERIALS

• Computers, Monitors, Televisions, Printers, Scanners, Phones, Fax Machines (start at $3.00/item)
• Peripherals (i.e., mice, drives, keyboards, etc.)
• Household Cleaning Products
• Morphic Acid
• Pesticides, Herbicides and Fertilizers
• Oil-based Paints, Stains, Lacquers and Varnishes
• Paint Thinners, Removers and Solvents
• Automotive Fluids
  • Antifreeze
  • Motor Oil (many recycling depots and service stations also accept used motor oil, but please call prior to delivering)
  • Transmission, Steering and Brake Fluids
• Gasoline, Kerosene, Diesel Fuel
• Batteries
  • Automotive, Motorcycle and Boat
  • Rechargeable and Button Cells
• Pool Chemicals
• Darkroom Chemicals
• Aerosol Cans (not empty)
• Propane and Helium Cylinders (BBQ-sized or smaller)
  • $5.00/20 lb. cylinder; no charge for small cylinders
• Small Quantities of Asbestos
• Driveway Sealant and Roofing Tar
• Fluorescent, HID Lamps and PCB-Ballasts
• Mercury-containing Devices (e.g., thermometers, thermostats, mercury switches, manometers)

UNACCEPTABLE MATERIALS

• Drums of Any Material: Large quantities of waste should be transferred to 5-gallon pails prior to delivery.
• Latex Paints: These are non-hazardous, water-based paints that should be dried out and disposed of in the garbage. To dry out, remove lid and add an absorbent material, such as cat litter or clay. Speedy dry, to speed the drying process. Once the material is hard and not In liquid form, throw the can into the garbage with the lid off.
• GROUT, SPACKLE, and JOINT COMPOUND: Dispose In garbage.
• Empty Containers: Once a material has been used up, put the empty container into the garbage.
• Highly Reactive or Unstable Materials: Items such as benzoyl peroxide, gunpowder, chlorine (wet or gaseous), dioxane, any of the "ethers," ethyl nitrate, any of the "nitro" compounds, phosphorous, picric acid, potassium perchlorate, pyridine, potassium and/or sodium metals, uranium/urananyl compounds, old chemistry sets, etc., call (973) 631-5109 for approval prior to transporting any of these materials.
• Unknown Materials: If unlabeled or unidentifiable, please call (973) 631-5109 for authorization to bring the material to the MCMUA HHW Disposal Program.
• Business Waste: HHW Cleanup Days are specifically for Morris County residential HHW. Business waste is accepted only at the MCMUA Permanent HHW Facility located in western Morris County. In addition, business waste is limited to a maximum monthly accumulation of 220 lbs., and there is a handling fee for it. For more information about business-generated waste, please call (973) 631-5109.
• Smoke Detectors: Return to manufacturer listed on back.
• Medical Waste: Call the MCMUA at (973) 631-5109 for more information.
• TIRES: Check with your town or call the MCMUA at (973) 829-8585.

Solutions to Stormwater Pollution

Easy Things You Can Do Every Day To Protect Our Water

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey’s greatest threats to clean and plentiful water, and that’s why we’re all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it’s dirty.

As part of New Jersey’s initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

Make sure you properly store or discard any unused portions.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

**Clean up after your pet**

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:
  - Use newspaper, bags or pooper-scoopers to pick up wastes.
  - Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
  - Never discard pet waste in a storm drain.

**Dispose of yard waste properly**

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

**Keep pollution out of storm drains**

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

**Don't feed wildlife**

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

**Don't litter**

- Place litter in trash receptacles.
- Participate in community cleanups.

**Don’t litter**

- Place litter in trash receptacles.
- Participate in community cleanups.

Garbage Collection

Trash collection is scheduled twice weekly as follows:

- North of US Highway 46: Tuesday and Friday
- South of US Highway 46: Monday and Thursday

Collection begins at 6:00 am and residents should place cans at curbside the morning of pickup. Placing cans out the night before is permitted only after 5:00 pm. However, please be mindful that Denville is home to raccoons and bears as well as domesticated dogs that are likely to pilfer through garbage if it is left outside overnight. Cleanup of garbage spilled by animals is the responsibility of the homeowner. Cans must be removed from the street by evening of the same day. Each household is permitted two 30 gallon cans (with lids) and one bulky item per pickup. Construction material must fit inside the cans.

There will be no trash pick up and the recycling center will be closed on New Year’s Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas Day. If your collection is scheduled for these days, it will be done the next day (i.e. Monday on Tuesday, Thursday on Friday).

There are occasions when inclement weather or equipment breakdown may prohibit completion of a collection route. Any questions regarding pickup or schedules should be directed to 973-625-8300.

Snow Removal

It is the mission of the Department of Public Works to clear Denville’s roads of snow and ice as quickly as possible. We have a dedicated workforce and maintain the appropriate equipment. Depending on the severity and composition of a storm, there may be delays in clearing some roads. Our initial objective is to open all roads beginning with our primary arteries and proceeding to our secondary and tertiary roads. Once all roads are open, the Township begins the process of widening the cleared roads to their full width and clearing intersections. It is during this process that we are likely to plow snow back across the driveway you just cleared. Please understand that we have no alternative. We need your cooperation to ensure the roads are rapidly returned to a safe condition. Please observe the following regulations:

Denville Ordinance #3-4.3 “All persons are PROHIBITED from shoveling, throwing, casting, placing, plowing, or depositing snow and ice, which accumulates on private property, upon sidewalks or streets of the Township.

“Sidewalks must be cleared by the property owner within 12 hours from the end of snow fall.”

Denville Ordinance 7-3.8 prohibits parking on streets that are snow covered until the “roads have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.”

Wood Chips and Compost Available to Residents

The Ultimate Recyclable - Leaves, brush and grass are transported to the Morris County Municipal Utility Authority processing facility. Your fall leaves, brush and grass are converted into woodchips, mulch and compost. Beginning in April, the woodchips, mulch and compost are available for pickup at the DPW yard. These products are free to local residents although all products may not be available at all times.
