 Adamstown **21710**
 and surrounding areas

Frederick County Animal Control and Pet Adoption Center is pleased to partner with the Maryland Department of Agriculture to reduce the number of homeless and unwanted pets. Through a generous grant from the Maryland Department of Agriculture, we can pay for **owned cats and dogs** to be **spayed or neutered and vaccinated against Rabies** until our grant money runs out. With previous, similar programs we see the difference made in fewer homeless pets each year.

Spaying and neutering saves lives!

CRITERIA

To qualify, pet owners must:

- reside within Zip Codes 21716, 21701, 21702, 21727, 21770, 21710 or surrounding areas
- demonstrate financial need (for example, recipient of Social Security, Disability, or other government assistance).

Animal transport is available on a limited basis for special circumstances. Contact ffocas4pets@gmail.com or call 301-639-9661 for more information.
