NEWS RELEASE

Tuesday April 2, 2019

The Mayor and Board of Commissioners are pleased to announce that the Town has been chosen to receive a Clean Up & Green Up Maryland Grant in the amount of \$5,000.00 as part of the state's Keep Maryland Beautiful program to eliminate litter and implement beautification initiatives.

The Town will purchase recycling containers with the funding. Each container is made in the USA with up to 740 recycled milk jugs. They are eco-friendly, ADA accessible, and have a 50-year guarantee. Five of the containers will be placed in Memorial Park and four in Community Park. The recycling containers will be adjacent to trashcans in order to provide the best opportunity for park users to divert their recyclable materials into recycling bins instead of the trashcans or the ground.
