ITEM: Consideration and possible action on a resolution to approve an interlocal agreement to exchange real property between Williamson County and the City of Hutto and to authorize the city manager to execute the agreement. (Helen Ramirez)

STRATEGIC GUIDE POLICY: Well Balanced & Diversified Economy

ITEM BACKGROUND:
The City has conducted a request for proposal process and selected a developer to develop certain property located in the downtown area of the City (“Co-Op Property“) for the benefit of County and City residents and the County Property is adjacent to the Co-Op Property.

The City intends to create a Tax Increment Reinvestment Zone (“TIRZ”) for the purposes of development and/or redevelopment of the Co-Op Property and other properties adjacent to the existing Co-Op Property and a portion of the County Property is located in a designated flood plain and use of this portion of the County Property is necessary to alleviate flooding of areas within the City and County.

The opportunity exists to add a portion of the County Property to the TIRZ and Co-Op Property being developed and thereby provide additional benefit to the citizens of County and City as well as resolve existing drainage and future transportation issues.

City and County have obtained third-party appraisals of their respective properties and determined it is in the interest of the citizens of County and City to reach agreement regarding the properties and future use of the properties.
