ORDINANCE NO.

AN ORDINANCE OF THE CITY OF HUTTO, TEXAS AMENDING THE CODE OF ORDINANCES (2014 EDITION), CHAPTER 4, ARTICLE 4.01 GENERAL PROVISIONS, ARTICLE 4.05 CARING FOR ANIMALS, 4.08 LICENSING OF DOGS AND CATS, ARTICLE 4.12 IMPOUNDMENT; REPEALING CONFLICTING ORDINANCES AND RESOLUTIONS, AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, an amendment has been presented to the City Council of the City of Hutto, Texas to amend the Code of Ordinances (2014 Edition), Chapter 4, Article 4.01, Sections 4.01.003 and 4.01.005, 4.05, Sections 4.05.001 and 4.05.004, Article 4.08, Section 4.08.005 and 4.08.013, and Article 4.12, Sections 4.12.003, 4.12.004 and 4.12.006, incorporating amendments into, and;

WHEREAS, on the 15th day of February, 2018, after proper notification, the City Council held a public hearing on the proposed amendment, and;

WHEREAS, the City Council determines that the amendment provided for herein promotes the health, safety, morals and protects and preserves the general welfare of the community, and;

WHEREAS, each and every requirement set forth in Chapter 211, Sub-Chapter A., Texas Local Government Code concerning public notices, hearings, and other procedural matters has been fully complied with, Now therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HUTTO, TEXAS:

SECTION I.

That the Code of Ordinances (2014 Edition), Chapter 4, Article 4.01 General Provisions, is hereby amended, to include the following:

Sec. 4.01.003 Definitions

Shelter. A structurally sound and weatherproof shelter consisting of at least four (4) sides, with an opening suitable size for the animal, a floor and a covered roof. Shade from direct sunlight and regress from extremes of temperature must be available, thereby providing for animals health and comfort. Unacceptable shelter includes but is not limited to crates, cardboard boxes and tarpaulins.

Sec. 4.01.005 Fees

All fees set forth in this chapter shall apply as adopted by the Governing Board of the Shelter, as amended, and as provided in the fee schedule in appendix A of this code.

That the Code of Ordinances (2014 Edition), Chapter 4, Article 4.05 Caring For Animals, is hereby amended, to include the following:

Sec. 4.05.001 Basic care

(a) It shall be unlawful for the owner or custodian of any animal to refuse or fail to provide such animal with sufficient wholesome and nutritious food, potable water, veterinary care when needed to prevent suffering, and humane care and treatment, or to unnecessarily expose any such animal in hot, stormy, cold or inclement weather.
If kept outdoors dogs and cats shall be provided adequate shelter as set forth in the definitions of this chapter. An
owner may not leave a dog or cat outside in the case of extreme weather conditions, including, but not limited to,
conditions in which:
(1) the actual or effective outdoor temperature is below 32 degrees Fahrenheit;
(2) A heat advisory has been issued by a local or state authority or jurisdiction.
(3) A tornado warning has been issued for the jurisdiction by the National Weather Service

Sec. 4.05.004 Unsupervised animals
If an animal control officer determines that an animal is or will be without proper care because of the owner’s injury,
illness, incarceration or other involuntary absence, the animal control officer may impound such animal until
reclaimed by its owner. The owner is responsible for all costs associated with the impoundment and must pay all
costs before the animal is released. If the animal is not reclaimed by the owner within seven (7) days from the date of
impoundment, the animal shall become the property of the Williamson County Regional Animal Shelter.

That the Code of Ordinances (2014 Edition), Chapter 4, Article 4.08 Licensing of Dogs and Cats, is hereby
amended, to include the following:

Sec. 4.08.005 Payment of license fee
A license fee shall be paid at the time of making registration as required by the licensing authority of the city. The fee
applies per animal licensed as adopted by the Governing Board of the Shelter, for the regional animal shelter, as
amended, and as provided in the fee schedule in appendix A of this code.

Sec. 4.08.013 Microchipping requirement
It is required that all dogs and cats impounded by the city be microchipped upon release from the city animal shelter
or the county regional animal shelter. The fee applies per animal licensed as adopted by the Governing Board for the
regional animal shelter, as amended, and as provided in schedule in appendix A of this code.

That the Code of Ordinances (2014 Edition), Chapter 4, Article 4.12 Impoundment, is hereby amended, to include
the following:

Sec. 4.12.003 Length of impoundment
Except as provided in articles 4.05 and 4.10, the city shall keep licensed dogs and cats impounded for not fewer than
five (5) business days and unlicensed impounded animals for a minimum of seventy-two (72) hours, before disposing
of said dog or cat without the consent of the owner.

Sec. 4.12.004 Impounded animal becomes property of city; disposition
Any animal impounded at the Williamson County Regional Animal Shelter shall become the temporary property of
the shelter in order to allow for treatment and/or vaccination of that animal.
Any animal impounded in the animal shelter for a period exceeding the times laid out in this chapter shall become
the property of the Williamson County Regional Animal Shelter and shall be placed for adoption or humanely
euthanized. The adoption fee for all animals is as adopted by the Governing Board for the regional animal shelter, as
amended, and as provided in the fee schedule in appendix A of this code. Any livestock or fowl kept over 72 hours
may be sold or auctioned to cover the costs of impoundment and boarding.

Sec. 4.12.006 Payment of fees
An owner reclaiming an impounded animal shall pay all impounding fees, vaccination fees, and boarding fees for
animals before they shall be returned to the owner. The fee applies per animal as adopted by the Governing Board for
the regional animal shelter, as amended, and as provided in the fee schedule in appendix A of this code. Actual medical costs, if any, incurred shall be paid by the owner.

SECTION II. Publication Clause

The City Secretary of the City of Hutto is hereby authorized and directed to publish the caption of this ordinance in the manner and for the length of time prescribed by law.

SECTION III. Severability Clause

The provisions of this ordinance are severable, and if any sentence, section, or other parts of this ordinance should be found to be invalid, such invalidity shall not affect the remaining provisions, and the remaining provisions shall continue in full force and effect.

SECTION IV. Repealing Clause

All ordinances and resolutions and parts thereof in conflict herewith are hereby expressly repealed insofar as they conflict.

SECTION V. Open Meeting Clause

The City Council hereby finds and declares that written notice of the date, hour, place, and subject of the meeting at which this ordinance was adopted was posted and that such meeting was open to the public as required by law at all times during which this ordinance and the subject hereof were discussed, considered, and formerly acted upon, all as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended.

SECTION VI. Effective Date

This ordinance shall take effect and be in force from and after its passage.

READ and APPROVED on first reading on this the 15th day of February, 2018 at a meeting of the Hutto, Texas City Council; there being a quorum present.

By motion duly made, seconded and passed with an affirmative vote of all the Councilmembers present, the requirement for reading this ordinance on two separate days was dispensed with.

READ, PASSED and ADOPTED on first reading of ordinance this 15th day of February, 2018 at a meeting of the Hutto, Texas City Council; there being a quorum present.

It shall be unlawful for the owner or custodian of any animal to refuse or fail to provide such animal with sufficient wholesome and nutritious food, potable water, veterinary care when needed to prevent suffering, and humane care and treatment, or to unnecessarily expose any such animal in hot, stormy, cold or inclement weather.

If kept outdoors dogs and cats shall be provided adequate shelter as set forth in the definitions of this chapter. An owner may not leave a dog or cat outside in the case of extreme weather conditions, including, but not limited to, conditions in which:

A) the actual or effective outdoor temperature is below 32 degrees Fahrenheit;
B) A heat advisory has been issued by a local or state authority or jurisdiction.
C) A tornado warning has been issued for the jurisdiction by the National Weather Service

Sec. 4.05.004 Unsupervised animals

Minor wording change from:

If an animal control officer determines that an animal is or will be without proper care because of the owner’s injury, illness, incarceration or other involuntary absence, the animal control officer may impound such animal until reclaimed by its owner. The owner is responsible for all costs associated with the impoundment and must pay all costs before the animal is released. If the animal is not reclaimed by the owner within 5 days from the date of impoundment, the animal shall become the property of the City.

To:

If an animal control officer determines that an animal is or will be without proper care because of the owner’s injury, illness, incarceration or other involuntary absence, the animal control officer may impound such animal until reclaimed by its owner. The owner is responsible for all costs associated with the impoundment and must pay all costs before the animal is released. If the animal is not reclaimed by the owner within 7 days from the date of
impoundment, the animal shall become the property of the Williamson County Regional Animal Shelter.

5.

Sec. 4.08.005  Payment of license fee

Minor change in wording from:

A license fee shall be paid at the time of making registration as required by the licensing authority of the city. The fee applies per animal licensed as adopted by the county commissioner's court for the regional animal shelter, as amended, and as provided in the fee schedule in appendix A of this code.

To:

A license fee shall be paid at the time of making registration as required by the licensing authority of the city. The fee applies per animal licensed as adopted by the Governing Board of the Shelter, for the regional animal shelter, as amended, and as provided in the fee schedule in appendix A of this code.

6.

Sec. 4.08.013  Microchipping requirement

Change in wording from:

It is required that all dogs and cats impounded by the city be microchipped upon release from the city animal shelter or the county regional animal shelter. The fee applies per animal licensed as adopted by the county commissioner's court for the regional animal shelter, as amended, and as provided in the fee schedule in appendix A of this code.

To:

It is required that all dogs and cats impounded by the city be microchipped upon release from the city animal shelter or the county regional animal shelter. The fee applies per animal licensed as adopted by the Governing Board for the regional animal shelter, as amended, and as provided in schedule in appendix A of this code.
Sec. 4.12.003  Length of impoundment

Change in number of days strays are held at the shelter from 7 to 5 for pets with identification. This brings us in line with shelter policy from:

Except as provided in articles 4.05 and 4.10, the city shall keep licensed dogs and cats impounded for not fewer than seven (7) business days and unlicensed impounded animals for a minimum of seventy-two (72) hours, before disposing of said dog or cat without the consent of the owner.

To:

Except as provided in articles 4.05 and 4.10, the city shall keep licensed dogs and cats impounded for not fewer than five (5) business days and unlicensed impounded animals for a minimum of seventy-two (72) hours, before disposing of said dog or cat without the consent of the owner.

Sec. 4.12.004  Impounded animal becomes property of city; disposition

NEW LANGUAGE

Minor changes in language and new language to reflect current shelter policy in regards to vaccination of animals upon arrival. From:

Any animal impounded in the animal shelter for a period exceeding the times laid out in this chapter shall become the property of the city and shall be placed for adoption or humanely euthanized. The adoption fee for all animals is as adopted by the county commissioner's court for the regional animal shelter, as amended, and as provided in the fee schedule in appendix A of this code. Any livestock or fowl kept over 72 hours may be sold or auctioned to cover the costs of impoundment and boarding.

To:

Any animal impounded at the Williamson County Regional Animal Shelter shall become the temporary property of the shelter in order to allow for treatment and/or vaccination of that animal.

ITEM: Consideration and possible action on a resolution adopting the Hutto Strategic Plan. (Helen Ramirez)

STRATEGIC GUIDE POLICY: Leadership

ITEM BACKGROUND:
The leadership team has proposed an 2018 strategic plan and execution guide with updated goals that further the 10 objectives and five strategic focus areas created in the 2017 strategic guide. On March 10, Council and staff had a work session in which Jason Gray, with JD Gray Group, presented the accomplishments from the 2017 plan and reviewed the 2018 goals. Mr. Gray worked with the City in the original development of the City’s current strategic guide.

Ms. Ramirez will present the final planning documents for Council’s adoption.

RESOLUTION NO. R-

A RESOLUTION APPROVING THE 2018 STRATEGIC PLAN AND EXECUTION GUIDE

WHEREAS, in 2007, the Hutto City Council began the development of a strategic guide that would provide direction for the community as it develops during the next twenty years; and;

WHEREAS, the City Council recognized that the 2035 Strategic Guide needed to be updated in order to make it into a better planning document for the City; and;

WHEREAS, in 2017, the City Council worked with a consultant to renovate and improve the planning document and rename it as the Strategic Plan and Execution Guide; and;

WHEREAS, the 2018 Strategic Plan and Execution Guide updates the goals that support the ten objectives and five strategic focus areas that guide the City’s efforts.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HUTTO, TEXAS, hereby adopts the Strategic Plan for 2018.

CONSIDERED and RESOLVED by the City Council of the City of Hutto on this the 15th day of March, 2018.

THE CITY OF HUTTO, TEXAS

**INTRODUCTION**

The City of Hutto is a full-service, home-rule municipality operating under a Council-Manager form of government in central Texas. While the population at the 2000 census was just 1,250, nearly 30,000 people now call the growing community home, making Hutto one of the fastest growing cities in the nation. People choose Hutto for the active neighborhoods, a strong sense of community, for the dedicated teachers and administrators at the high-performing Hutto ISD, and for the ability to have all a small town life has to offer while still being just 25 minutes from the heart of the Texas State Capitol.

Hutto has been recently recognized as the “Top Place in Texas to Raise a Family”, the “#1 Local City (in the Austin area) For Young Couples,” “One of the Top 100 Places in Major Markets to Locate a Business” and is consistently ranked as one of the fastest growing and safest cities in the country. From its rural, agricultural roots to the growing population and commercial center that is now Hutto, the community has remained centered on its people and the neighborhoods they call home.

Like Hutto, this Strategic Plan & Execution Guide is partly old and partly new. At the direction of the City Council, the 2017 Strategic Plan & Execution Guide started with the documents and work that the community had already done around planning for its future. The 2040 Comprehensive Plan, the 2035 Strategic Guide, and the FY2017 Annual Budget included 198 different statements, principles, and goals and each has been incorporated here in some form. One of the guiding principles in the development of this Strategic Plan & Execution Guide was to honor and utilize the significant work that has already been done.

At the same time, these three base documents were not integrated or aligned well and generally did not organize or prioritize the 198 statements in a way that helped the City of Hutto staff to execute on the statements. As we update the Strategic Plan & Execution Guide for the new year, the overarching goal of the 2018 Strategic Plan & Execution Guide remains the same: to use a framework to engage the City Council, the community, and the staff in identifying and prioritizing specific strategic focus areas, clear organizational objectives, and actionable tactical-level goals that are consistently aligned with the overall vision of the community.

The outcomes of this process are documented in this 2018 Strategic Plan & Execution Guide. More importantly, however, this plan has been loaded into a comprehensive tracking and reporting system that will assist the City Council and staff in focusing their collective ongoing efforts to execute on the plan.
2018
STRATEGIC PLAN & EXECUTION GUIDE
We've used a modified Balanced Scorecard\textsuperscript{1} approach as the fundamental framework for this Strategic Plan \& Execution Guide Plan. In a nutshell, the Balanced Scorecard is a framework that encourages the proper alignment of the goals and objectives of the organization to the overall vision to which the organization is aspiring while formally recognizing various financial and non-financial perspectives by which individual and organizational performance may be measured.

First, we stipulate that many people and organizations use similar words to mean very different things. For the sake of clarity, we believe that it is critical to define the labels that we use to describe various elements of the plan. Based on your previous experiences, you may call our “Values” your “Guiding Principles” or our “Objectives” your “Strategies”. While it does not really matter what these elements are called, it is critical that within the plan, those definitions are clear and consistent. To that end, let’s start with a graphic representation of how the pieces of this plan come together and what we call these various elements.

The Vision statement in our plan is a simple statement about what the community wants to be. Vision statements are both the starting and ending point of all aligned strategic plans. While Vision statements are intended to be as unique as the organization, there are some elements that we believe great vision statements share. Great vision statements define an output, with a particular twist, that is defined, and where there is a human connection.

The City Council is responsible for condensing the vision of the community into a statement. Once set, we do not expect the Vision Statement to change substantially in the short or intermediate term.

In the 2017 strategic plan development process, several alternative vision statements were discussed through workshops with the City Council, by the City staff, and by the consultants. The alternative vision statements where then shared with the citizens through a public participation process, and it became clear that the community’s vision for itself was “Hutto, Texas is a family-friendly community that provides superior public safety, outstanding fiscal responsibility, diversified economy, and an exceptional quality of life.”

The consensus vision statement places clear focus on what the community feels are the core functions of the City organization:

1. Public Safety  
2. Fiscal Responsibility  
3. Diversifying the Economy  
4. Quality of Life

We have used these elements of the Vision Statement to inform the remainder of the plan, as you will see clearly in the Strategic Focus Areas on page 10. The City Council approved the vision statement as part of the approval of this plan on May 4, 2017, and thus it is what is used in the 2018 version of the Strategic Plan & Execution Guide.

**VISION STATEMENT:**

Hutto, Texas is a family-friendly community that provides superior public safety, outstanding fiscal responsibility, diversified economy, and an exceptional quality of life.
Values in the plan are used to guide the actions of those that are in the process of executing the plan. The values are not goals to be achieved, but rather how we expect all people to act while carrying out the work of the organization. This includes the City Council, the volunteers on the various boards and commissions, City staff, and anyone else that is acting on behalf of the City of Hutto.

The values of the organization support the vision, and the choices of those acting on behalf of the organization should always be consistent with the values. In so much as the values at times appear to conflict (eg being “Safe” and being “Progressive” may at times present a conflict), this conflict is intentional and should be used as a creative tension to balance the actions in order to be consistent with the values. Based on our work with the City to date, we have identified the following four values:

- **Responsibility**: We expect those acting on behalf of the organization to consistently show responsibility. Being responsible entails being trustworthy to do what is in the best interest of the community and the City organization and being accountable for our own individual actions.

- **Safe**: We expect those acting on behalf of the organization to consistently have a high regard for the safety of all involved, including our residents, visitors, volunteers, employees, and their property. The value of safety includes actions taken to promote the safety of the public (ie, police services, fire services, emergency medical services and the like) as well as design of our infrastructure, operational policies, and the working conditions provided to our employees. Recognizing that some elements of the work of the City of Hutto come with a level of inherent danger, our goal is to mitigate that danger to the extent reasonable.

- **Authentic**: We expect those acting on behalf of the organization to act with authenticity. Hutto is a unique community with a particular history, culture and character, and being authentic entails being genuine in both words and deeds to both the individual character and the character of the community as a whole.

- **Progressive**: We expect those acting on behalf of the City of Hutto to seek creative solutions to problems. Being progressive entails making use of new or different methods, opportunities, and ideas with the intention of advancing the practice or outcome farther and faster than it would under the status quo.
Strategic Focus Areas directly support the Vision and Values. These are the broad areas that the City is intentionally placing an intense focus upon, and each Objective (see following) must align with at least one of the Strategic Focus Areas. We have identified the following five Strategic Focus Areas for the City of Hutto:

- **Well Balanced & Diversified Economy**
- **Public Safety**
- **Fiscal Responsibility**
- **Quality of Life & Services**
- **Infrastructure & Growth**

The Strategic Focus Areas (SFAs) are designed to be self-explanatory, and are a key ingredient to aligning the activities of the organization with the Vision. It's important to note that each Objective must align with at least one SFA, but often Objectives will align with several more than one SFA.

Following, you will find a two-page summary of each of the Objectives found below. On these summary pages, we highlight the Objective's alignment with one or more of the Strategic Focus Areas. The following chart represents the percent of total Goals & Objectives aligning with each Strategic Focus Area.
Objectives within this plan are the primary areas that the City is intending to noticeably make changes to in the relative short term in furtherance of its Vision. Objectives are more specific and direct than Strategic Focus Areas, but in most cases are not discreet, achievable goals in and of themselves. Objectives are designed so that if the organization makes significant progress towards the Objectives, it will have made significant progress towards achieving the Vision.

In 2017, we aligned and distilled the original 198 statements into the following ten Objectives. These same Objectives continue to guide strategic alignment to the 2018 Strategic Plan.

Each Objective is designed to address and align with at least one Strategic Focus Area (above) and is supported by several distinct operational goals (below). In addition, we've included a description of each Objective, augmented by the "guiding principles" that we were able to align from the original documents and our interactions with Council and staff.

The system in place for monitoring progress on the execution of the strategic plan calculates the completion rate of the Goals associated with each objective and is able to report on whether the Objectives are ahead of plan, on track, or behind. This is an incredibly useful tool for high-level reporting on the overall strategic plan and should be used at both the City Council and the City Manager level to track progress, critical issues, and where to place additional attention or resources in order to execute the strategy.

Goals in the plan are the tactical, achievable, and specific actions, programs, documents, or policies that organization is engaged in to strategically advance the Objectives towards completion. To be effective, goals must be focused on the action to be taken, have enough detail to be clear through all levels of the organization, have a specific metric and unit to be achieved and have a specific deadline. Goals are where the strategic plan becomes something that can be executed, and all goals must be monitored and reported on regularly, with any exceptions highlighted.

The Goals detailed in this Strategic Plan & Execution Guide Plan all adhere to the following format:

Goals are intended to be fluid and may be completed, altered, added, reprioritized, or dropped altogether over the course of any given planning period. Changes to goals are a part of the regular reporting process, and it is responsibility of the City Manager and staff to continually keep the City Council up to date on the status of the various goals.

Like the reporting tools for Objectives, our system allows for a wide range of progress reports on Goals at the Organizational level, Departmental level, and individual level.

To the right you see an example reports from the system where the box to the left of each goal shows the progress level of that particular goal.

USING THE OBJECTIVE PAGES

The 2018 Strategic Plan & Execution Guide Plan includes a summary of each objective. The strategy execution software includes much more information about each Objective and Goal, but these pages provide a high-level snapshot of the alignment, guiding principles, planned goals, target metrics, target deadlines, and departmental responsibility for each Goal.
OBJECTIVE:

Construct and maintain infrastructure to provide identified levels of service.

ADDITIONAL DETAILS:

One of the most significant challenges for growing communities is to adequately maintain aging infrastructure while constantly facing demands to build new infrastructure. In order to help our people thrive in both the short-term and long-term, it is critical that we face this challenge and provide the resources necessary to effectively maintain the community's infrastructure. Properly maintaining infrastructure will maximize the efficiency of infrastructure dollars and our taxpayer's value over the long-term.

GUIDING PRINCIPLES:

1. Construct the City's water system according to the Water Master Plan.
2. Develop high quality standards in conjunction with regional partners.
3. Design and select materials to maximize efficiency and minimize long-term maintenance.
4. Develop the City's wastewater system according to the Wastewater Master Plan.
5. Continually integrate the City of Hutto Master Plans so that they are complimentary.
6. Invest in technology to assess and monitor infrastructure conditions.
7. Maintain standards, specifications, and design criteria to provide quality service while maintaining costs.
8. Manage stormwater in accordance with the Stormwater Master Plan.

OBJECTIVE:

Create an “open for business” culture.

ADDITIONAL DETAILS:

Thriving communities are facilitators of local business first and whenever possible and a regulator of business only when necessary. Our objective is to create and maintain an "open for business" culture throughout the city organization.

GUIDING PRINCIPLES:

1. Continually make the city economically competitive to attract and retain business through competitive rates, taxes, and user fees.
2. Continually engage the community in developing and maintaining the Comprehensive Plan.
3. Continually assess barriers to growth and identify potential methods to overcome these barriers.
4. Maintain a Comprehensive Plan specifically designed to meet Hutto's current and future needs.
5. Facilitate a diverse mix of uses to serve Hutto residents.
6. Invest to revitalize under-utilized areas for business opportunities.
7. Ensure that the permit process is consistently applied and predictable for the development and business community.
8. Support new and existing local businesses in their operations and growth.

OBJECTIVE:
Enhance mobility within the City.

ADDITIONAL DETAILS:
In order to thrive, people must be able to easily move throughout the community. Our objective is to continually improve the level of all forms of mobility, including vehicular, pedestrian, bicycle, and mass transportation. Strategic project selection, design, creative funding, and efficient construction will aide in

GUIDING PRINCIPLES:
1. Maintaining and following all adopted master plans is an important aspect of being able to continually enhance mobility.
2. Where a governing body desires to act conversely to an adopted Master Plan, the fact that the action is converse to the adopted Master Plan will be clearly reported by staff to the governing body and the affected Master Plan will be amended to reflect the change in policy.
3. Where possible, the City should partner with Hutto ISD, private developers, and other agencies to enhance mobility in the most cost-effective manner.
4. Safety, capacity, construction efficiency, ease and cost of maintenance must be considered for every new or rehabilitation project.
5. Transportation projects should respect and preserve the surrounding character to the greatest extent possible.
6. We should collaborate with regional entities to ensure that roadway design balances regional mobility goals with the unique needs and character of Hutto.
7. We should continually support efforts to serve Hutto with regional public transit, such as bus or rail.
8. Maintaining an active and cooperative relationship with entities such as Lone Star Rail, CAMPO, and CapMetro is an important aspect of achieving this objective.
9. We should always look to proactively expand the various infrastructure systems to optimize cost saving opportunities and funding partnerships.
10. Ensure proper multi-modal circulation to and through all new development.

OBJECTIVE:

Generate a strategic path forward for enhancing the public safety apparatus including police, fire, and emergency medical services.

ADDITIONAL DETAILS:

Our objective is to generate a strategic direction to appropriate the resources to adequately staff, equip, train, motivate, and house the public safety functions in the community.

GUIDING PRINCIPLES:

1. All forms of public safety, including police, fire services, and emergency medical services are a core function of local government and should be adequately staffed and equipped annually.
2. The "apparatus" in this objective means all of these broad systems of support for performing public safety functions, including personnel count, vehicles, buildings, equipment, etc.

OBJECTIVE:

Enhance the overall governance of the community.

ADDITIONAL DETAILS:

The City Council's job is, on behalf of the community, to see to it that the organization achieves what it should and avoids what is unacceptable. Continually enhancing the overall governance of the community is a primary objective of the City Council and we will annually establish goals to focus efforts in this area.

GUIDING PRINCIPLES:

1. Actively advocating for Hutto's legislative agenda at the county, state and national levels as needed.
2. Elected officials, appointed officials and staff should continually cultivate, maintain, and promote both internal and external relationships which impact the effective governance of the community.
3. All involved should continually seek to identify and maintain a qualified group of community leaders at all levels.
4. Maintain a consistently high level of involvement of the Planning and Zoning Commission.
5. Focus on City Council leadership and development.
6. Nurture & sustain strategic partnerships with county, state and neighboring local government officials/staff to address common issues.
7. Nurture & sustain strategic educational partnerships.
8. Build community cohesion through continuous open communication.
9. Utilize ongoing continuing education opportunities, on an annual basis, to strengthen leadership and governance skills.

AGENDA DATE: March 15, 2018

PRESENTED BY: Larry Foos, Parks and Recreation Director

ITEM: Consideration and possible action concerning a resolution for the naming of the Pollard park property. (Larry Foos)

STRATEGIC GUIDE POLICY:

ITEM BACKGROUND:

The purchase of the Pollard Park property was finalized in January 2018. As improvements are made to the park and events are scheduled, the Parks Advisory Board (PAB) wishes to recommend multiple names for the newly acquired Park property.

In accordance with the policy for naming parks and recreation facilities adopted by counsel on February 2009, a sub-committee was appointed by the Parks Advisory Board Chairman. The sub-committee desires to honor Hutto’s history and heritage.

It is the desire of the PAB to present multiple name options for the City Council to consider.

BUDGETARY AND FINANCIAL SUMMARY:

Not applicable.

RELATED COUNCIL COMMITTEE OR ADVISORY BOARD RECOMMENDATIONS:

Multiple options are submitted for city Council to consider.

Naming of Pollard Property

**Proposed Name:**
*Shiloh Cliff Park or Shiloh Park*

**Justification:**
The community of Shiloh sprang up on the banks of Brushy Creek. It was located near Wilbarger Crossing, later called Shiloh Crossing and Rogan Crossing. The small community which the cemetery originally served no longer exists; however, it predated Hutto. The demise of Shiloh may be in part due to the founding of Hutto as families relocated to that nearby town as the railroad made its entry into the area. The Shiloh settlement dates to 1848 when Nelson Morey and Josiah Taylor established stores in the area along Brushy Creek.

The land where the cemetery sits was part of an original land grant #9575 for 1852 acres issued to the heirs of William Gatlin, “who was an officer in the Army of the Republic of Texas and was killed at the defeat of Col. Fannin by the Mexican Army.”

Overview - Located near Hutto, Williamson County, Texas the community of Shiloh consisted of a school, a church, two stores and a few residents who lived on or near Brushy Creek. This area was a cattle crossing during the days following the Civil War but before that it had been a major route taken by many as they advanced southward through Texas. The residents of Shiloh made up some of the first settlers of Hutto once its railroad came through. Many of the early families who lived in Shiloh were buried or have relatives who were buried in Shiloh-McCutcheon Cemetery known as both the Shiloh Cemetery and the McCutcheon Cemetery during the earlier years. However, the first burial in the cemetery was attributed to the death of a woman passing through the area. The first recorded burial was that of Josiah Kuykendall who became ill with smallpox after a traveler spent the night at the Kuykendall home. Josiah’s brother Mark, who lived nearby came to care for his brother during the illness. They both died and were buried in the Shiloh Cemetery in 1853.
The community of Shiloh dates from 1848, when both Nelson Morey and Josiah Taylor established stores in the area. Shiloh spread along the banks of Bushy Creek new Wilbarger Crossing which was later called Shiloh Crossing and Rogan Crossing. The community consisted of a school, a church, two stores and a few Residents who lived along Brushy Creek.

Shiloh McCutcheon Cemetery sits on part of the original grant of 1852 acres issued to the heirs of William Gatlin because of his participation in the Texas Army during the Revolution of 1835-1836. The first recorded burial is that of Josiah Kuykendall, who became ill with smallpox after a traveler spent the night at his home. His brother and neighbor, Mark Kuykendall, came to care for Josiah during his illness, but became ill himself. Both brothers died from the disease and were buried in the cemetery in 1853.
The property was not officially deeded as a cemetery until February 1890, when William McCutcheon deeded land to three cemetery trustees, F. F. Farley, Green Randolph, and William Rogan. William McCutcheon and his wife Elizabeth Jane and 6 of their thirteen children are buried here. Through the years, the burial ground has also been known as Shiloh, Old Shiloh or McCutcheon Cemetery. Burials at the site include veterans of the Texas revolution, Civil War, World War I, and World War II. Due to the density of burials, interments are now restricted to the ashes of descendants of those already interred at the site.

**Pros:**
The Shiloh name captures the historical aspect of a community that actually predates Hutto. Using “Cliff” in the name does bring attention to a unique physical characteristic associated with the park.

**Cons:**
The Battle of Shiloh took place in Tennessee during the Civil War - Battle of Shiloh is the seventh-costliest land battle of the American Civil War (23,746 casualties)

**Conclusion:**
Naming the new property the Shiloh Park or the Shiloh Cliff Park would capture the historical aspect of the area and/or highlight a unique physical feature of the park. A google search showed no other parks with this name. The site of the Civil War battle is named Shiloh National Military Park.

*Information obtained from the Williamson County Historical Commission*
Naming of Pollard Property

Proposed Name:
Hippo Hallow Park

Justification:
To honor Hutto’s distinctive identifier – the Hippo - which is revered and respected.

Pros:
- Hippos are hip and trendy with even some national mention as an unusual mascot for Hutto High School.
- Popular tourist attraction (e.g. Henrietta).

Cons:
- HHS mascot.
- Possible confusion with “Hippie Hollow” in Austin.

Conclusion:
A park of such unique and natural beauty enhances the quality of life in Hutto and the name “Hippo Hallow” pays homage to the City’s distinctive identifier – the Hippo. There are many imaginative hippo-themed opportunities to promote amenities and activities/events at this park:

- Hippo-themed park amenities:
  - Amphitheater: Hippodrome Theatre
  - Memorial Monument: Hippo Heroes Memorial
  - Splashpad/Water Feature/Pond: Hippo Wallow
  - Playground Area: Hippo Playground* (see attached)

- Hippo-themed activities/events:
  - Life-size Concrete Graffiti Hippo (graffiti contest)
  - Life-sized Hippo Sculpture (photo opportunities) ** (see attached)
Naming of Pollard Property

**Proposed Name:**

*Heroes Park*

**Justification:**

The word “Hero” conjures up thoughts of people who go above and beyond the call to save a person or a group of people…but it can also be used for everyday people who give of themselves tirelessly…the name “Heroes Park” could be used to honor all people who have served in any capacity in Public Service to the city, whether they are still alive or not…examples would be to honor all of our first responders, whether they be police, fire or EMS…those that come to mind who are no longer with us are as follows:

- David Begier- former mayor of Hutto, passed away while he was still in office
- Chris Kelley- first Hutto Police Officer to be killed in the line of duty
- David “Red” Oman- long time Chief of the Hutto Fire Department, when it was all volunteer, also deceased
- John Coates- long time Chief of the Fire Department- deceased
- Richard Miller- former Chief of Police- even though he did not finish his law enforcement career with HPD, he was a long time Chief who has also passed away
- Bob Cummings- former Chief of Police- shot (but not killed) in the line of duty in the ‘80’s
- Ken Love- former mayor of Hutto- suffered a stroke while in office, and had to resign…he has since moved out of state, but he could be honored in the new park
- Any Police, Fire, EMS, City Council, Mayor, or Board Member who has served with distinction

**Pros:**

- No one else in this area has a park named “Heroes Park”, so it is an unusual name (there is one Heroes Park in Arlington, honoring Police and Fire; there is also a “Hometown Heroes” Park in League City-none that could be find in Central Texas)
- Multiple people can be honored in the park with Pavers, trees and/or park benches. These items can also be bought with donations from those wanting to honor their family member, living or deceased, creating a revenue stream (even if it just covers the cost of the pavers, trees, park benches, etc)

**Cons:**

- The name really doesn’t conjure up a thought of Hutto
• Honoring so many people in one place might be a little too much
• Logistics involved in multiple ways to honor someone (pavers, trees, benches, etc)

**Conclusion:**
This parkland of natural beauty and creek access will likely be widely used and a regional draw as the county develops the Brushy Creek Trail. Those “Heroes” honored at the park will very likely be exposed to many area park attendees. Those citizens who contribute greatly of their time and talents will be able to be honored at this park.
