Mr. Borchers assured the Council that the YMCA wants to continue the partnership with the City but the need to expand the facility.

**PUBLIC HEARINGS**

10A. Open and conduct a public hearing regarding the proposed annexation of the Pollard Tracts, 65.925 acres, more or less, of land, out of the William Gatlin Survey. Abstract No. 271, located on CR 137.

*Ashley Lumpkin, Executive Director of Development Services presented the item to the Council for consideration. This is step three of five in the voluntary annexation process.*

*Mayor Gaul opened the public hearing at 8:09 p.m. There being no public comments the hearing was closed at 8:10 p.m.*

10B. Open and conduct a public hearing on the proposed zoning change for the property known as RSI PUD, 315.28 acres, more or less, of land, located between CR 119 (west boundary) and FM 1660 North (east boundary) and the Huttoperke Subdivision (south boundary), from SF-1 single family residential) to Planned Unit Development (PUD) zoning district.

*Ashley Lumpkin stated that although this item was noticed to be heard during this meeting she has requested a pause in the process in order to allow further negotiations with the developer.*

*City Manager Odis Jones advised the Council that the road that connects RM 1660 to Ed Schmidt will cost $20M to complete; however, RSI is willing to pay for the improvements. There are statutory requirements needed for the PID that the developer has agreed to, but everything will not be ready until the June 7th meeting.*

*Mayor Doug Gaul opened the hearing at 8:13 p.m. There being no public comment the hearing was closed at 8:13 p.m.*

**ORDINANCES**

11A. Consideration and possible action considering a first reading of an ordinance approving a Fiscal Year 2017-1018 Budget Amendment concerning changes in city Council Compensation and Fund Accounts.

*Odis Jones, city Manager, addressed the public in attendance. Mr. Jones stated that contrary to rumor the City Council has never pressured him to bring this issue forward and he has had not discussion, prior to tonight, with any council member until the item was placed on the agenda for*
this evening. States he was advised by the city attorney that the position of City Councilmember is not a voluntary position. It is the duty of the City Manager to recommend pay for the City Council and to include it in the budget. He cannot speak for previous city managers but the voters approved the measure by an overwhelming majority of 70% when they voted on the Charter. He stated that the City Council spends anywhere from 100-120 hours a month on City business. In 2004 when the Charter was implemented Hutto had a population of 1200, today it is almost 30,000. Mr. Jones stated he asked his staff to define what is the skill set the citizens want for this position – its and administrative skill set, how much time, and amount of hours and they came up with a range of $12-17 per hour. Part-time City employees in the Parks Dept. make $13 an hour and part-time accounts payable clerks make less than that. Mr. Jones says the City Council and the City Manager did not make the determination that they be paid, it arose out of another issue. Whether anyone thinks this is a volunteer position our charter says differently. It is not the Council’s position that they be paid.

Mike Shaunessy, City Attorney, stated that the word “shall” means it is mandatory, not discretionary, it is a legal obligation. Failure to include the compensation of the Council in the budget is a violation of the law. The Texas Supreme Court states that compensation must be reasonable for the position.

Anthony Emadi presented the amended budget – there are three parts: first is to true up the bond proceeds to the actual amount in the utility fund, second is to set up the PID accounts which the City will eventually receive a management fee for, third is the is the compensation for the Council. Once the expenditure is add in it increase from 20% of the budget to 21%, and represents .7% of the total budget for the General Fund. It is only .2% of the entire City Budget not related to Bond Funds. Using a basis of 90-100 hours $1,200 breaks down to $12-13.33 an hour for the Council, and $1,500 breaks down to $15-16.66 for the Mayor.

The Mayor called for comments from the Council.

Councilmember Grimm stated that at this time last year before she was elected she thought councilmembers should not be paid, but she has since changed her mind. If you want to attract quality people you need to provide some compensation. She believes that no amount of money can take away the power of the citizens and their vote. This is the citizens’ council. Open Record Requests – last year alone approximately $300K was spent responding to open record requests. This is the taxpayers’ money that is being spent to respond to those requests. Mrs. Grimm enumerated the various meeting she has had this week already and that does not include the amount of time she has spent preparing for the meeting. She encourages everyone to read every page in the council package and clock the time. She then asks that they clock the time spend doing research on those subjects. She chastised those people on social media for complaining about this issue and others when all they have to do is reach out to any council member to voice their concerns. She believes the Council should be paid, but she proposes an alternate amount of $750 for Council and $900 for the Mayor. She also agrees that a committee of 7 citizens should be formed to re-visit this issue again in a year. If the Council passes the ordinance as it is she hopes that the Councilmembers become more involved in the Boards and Commission.

Councilmember Nathan Killough states that not one of the council signed up to receive a salary as a member of the City Council. He says that twice yesterday he was cussed out over this issue,
and again this morning while filling his truck up with diesel. He pointed out that one of the individuals responsible for riling up the social media crowd has themselves been responsible for the expenditure of $6K in taxpayers' money in responding to open record request. That same individual has a relative that has filed a lawsuit against the City. With respect to the amount of work the Council does, Mr. Killough stated for those who feel $1200 or $1500 is too much then he encourages you to have him come pick you up on any Wednesday and Thursday so you can see what goes into preparing for a Council meeting.

Helen Ramirez, Assistant City Attorney Manager, advised the Council that the hearing has been changed from June 21, 2018 to July 5, 2018. This is a part of the Mobility Plan that will help improve the traffic circulation, pedestrian traffic and bicycle traffic.

Odis Jones also advised the Council that this shifts the burden of the cost of development and infrastructure to the developer and away from the citizens. The development community prefers this process. This will ensure that future developments set aside funds for the improvement of the roads in and around the new areas.

Carl Springer discusses the development of a plan how the City will grow over the next 20 years and what roads and infrastructure will be needed. The assumptions will be reviewed again in five years.
