REGULAR AGENDA ITEMS

ORDINANCES

9A. Consideration of a public hearing and possible action on the first reading of an ordinance approving a specific use permit for the property located at 151 West Austin Avenue, 0.56 acres, more or less, of land, Lot 1 of the Austin Avenue Commercial Subdivision, allowing a warehouse and distribution facility in the SD-A zoning district.

Ashley Lumpkin, Executive Director of Business Services provided an overview of the request for a special use permit for a warehouse for an internal air conditioning fabrication business — not retail.

Jessica Romigh, chair of the Planning and Zoning Commission advised the Council the commission approved the SUP after recommending some landscaping and a 20 foot setback.

A public hearing was opened at 7:28 p.m. There being no public comments the hearing was closed at 7:28 p.m.

There was discussion regarding access to the property behind Lot 1 that the HOA has offered to sell to the Police Department – Ms. Lumpkin agreed to add that provision to the ordinance.
Motion: Councilmember Jordan made a motion to accept the first reading of the ordinance with a provision to ensure access to the property behind Lot 1. Councilmember Grimm seconded the motion.

Vote: Ayes Mayor Doug Gaul  
      Councilmember Scott Rose  
      Council Member Nate Killough  
      Councilmember Tim Jordan

Ashley Lumpkin advised the Council that the revisions to the Code focuses on how to open the industrial standards to allow for tilt wall structures and offer flexibility on landscaping.

Jessica Romigh, Chair of the P&Z Commission, remarked to the Council that the Commission is trying to look at projects more intelligently and landscaping is a large part of it.

A public hearing was opened at 7:34 p.m. There being no public comment the hearing was closed at 7:34 p.m.

Councilmember Terri Grimm asked how we keep industrial complexes of varying sizes that plant a different percentage of trees from becoming an eyesore – Ms. Lumpkin stated we don’t want to hide a pretty building. Using Innovation as an example there will still be plenty of plants, just not a lot of trees. Those trees will be planted elsewhere within the City.

There was discussion regarding who would approve what percentage of trees will be planted in these areas.

Helen Ramirez, Assistant City Manager, remarked that approval of site plans and landscaping are approved by the Planning & Zoning Commission. She stated that our code works well with light industrial, but these revisions will make it more flexible for large industrial projects.

Jessica Romigh – landscaping requirements were revised 2 years ago to make it more business friendly.
Councilmember Grimm asked if Development Services and the P&Z were working with Keep Hutto Beautiful on the redistribution on planting trees - Ms. Lumpkin stated that they worked directly with the Parks Department on how much funding they will be getting for trees and events like Arbor Day and on existing parks if we have P&Z approving the changes.

Mayor Gaul wanted to know if the ordinance should state that the additional funds will be used for additional landscaping within the City. Councilmember Grimm did not agree with restricting the funds.

Mr. Jones advised against restricting the funds. He stated the Council can decide specifically where it goes.

Ms. Ramirez recommended it be designated to the Park Improvement Fund.

Motion: Councilmember Killough made a motion to accept 9B with the conditions of adding “as approved by Planning & Zoning” and that any fees will be moved to the Park Improvement Fund. Councilmember Grimm seconded the motion.

9C. Consideration and possible action on the reading of an ordinance amending the Code of Ordinances, Chapter 22, Article 22.03 Operation of Vehicles, Section 22.03.034 School Zones and Article 22.07 Traffic Schedules, Section 22.07.002 School Zone.

Matt Rector, Executive Director of Engineering and Public Works, advised the Council in 2016 the City realized the School Zone ordinance needed to be updated but was never accomplished. The revisions strike out the part of the code that refers you to a chart defining the zones and adds a process for define the school zones. This new process better enables the Police Department to enforce speed limits in the school zones. The school assistant superintendent and the police department have both reviewed the changes and approved.

Motion: Councilmember Killough made a motion accept the reading of an ordinance amending the Code of Ordinances, Chapter 22, Article 22.03 Operation of Vehicles, Section 22.03.034 School Zones and Article 22.07 Traffic Schedules, Section 22.07.002 School Zone. Councilmember Turner seconded the motion.

9D. Consideration and possible action on adopting a flood Damage Prevention Ordinance.

Matt Rector, Executive Director of Engineering and Public Works, advised the Council the City previously had this ordinance but it was removed in 2003. The National Flood Insurance Program requires that every participating city have this ordinance in place. It is recommended the ordinance be approved.

There is no explanation as to why the ordinance was previously removed.

Motion: Councilmember Jordan to approve 9D as written. Councilmember Killough seconded the motion.
