AGENDA ITEM NO.: 3A.  
AGENDA DATE: January 22, 2015

PRESENTED BY: Chief Earl Morrison

ITEM: Digital in-car video camera presentation.

STRATEGIC GUIDE POLICY: Public Safety

ITEM BACKGROUND:
The Hutto Police Department currently uses a combination of VHS and DVD recording systems. VHS tape recording systems are no longer supported by any vendor. In-car DVD recording systems are cumbersome and time-consuming to copy for courts; Municipal, County and District. The Police Department has been exploring new technology that allows immediate wireless video transfer to an on-site server. Once the video is uploaded it is immediately accessible by supervisors and officers for review.

The purpose of this work session is to review the new technology including a field demonstration.

BUDGETARY AND FINANCIAL SUMMARY:
The cost is approximately $194,000 including on-site installation for patrol vehicles.
