SECTION 13.11 SUBMISSION OF CHARTER TO VOTERS

The Charter Commission in preparing this Charter concludes that it is impracticable to segregate
each subject so as to permit a vote of "yes" or "no" on the same, for the reason that the Charter is so
constructed that in order to enable it to work and function, it is necessary that it should be adopted in its
entirety. For these reasons, the Charter Commission directs that the said Charter be voted upon as a whole
and that it shall be submitted to the voters of the City at an election to be held for that purpose on February
7, 2004. Not less than thirty (30) days prior to such election, the City Council shall cause the City Secretary
to mail a copy of this Charter to each registered voter of the City, as appears from the latest certified list of
registered voters. If a majority of the registered voters voting in such election shall vote in favor of the
adoption of this Charter, it shall become the Charter of the City of Hutto, and after the returns have been
canvassed, the same shall be declared adopted and the City Secretary shall file an official copy of the
Charter with the Records of the City. The Secretary shall furnish the Mayor a copy of said Charter, which
copy of the Charter so adopted, authenticated and certified by signature and the seal of the City, shall be
forwarded by the Mayor to the Secretary of the state of Texas and shall show the approval of such Charter
by majority vote of the registered voters voting at such election.

one member to the commission.

records which it may deem necessary to the conduct of such hearing;

2. Propose any recommendations it may deem desirable to insure compliance with the
provisions of the Charter by the departments of the City;

3. Propose, if it deems desirable, amendments to this Charter to improve the effective

b. Action by the City Council. The City Council shall receive and have published in the official
newspaper of the City any report presented by the Charter Review Commission, or a summary

such report, may order such amendment or amendments to be submitted to the voters of the
City in a manner provided by applicable state law Tex. Loc. Gov’t Code Ann., Chapter 9, as
amended.

c. Term of Office. The term of office of such Charter Review Commission shall be six (6) months,
said term shall expire sooner if a report is presented to the City Council prior to the expiration

the City Council, then all records of the proceedings of such Commission shall be filed with
the person performing the duties of the City Secretary and shall become public record.

passage of any such ordinance, a copy thereof, certified by the City Manager shall be forwarded to the
SECRETARY OF STATE FOR FILING.

SECTION 13.14 SECURITY OR BOND NOT REQUIRED.

It shall not be necessary in any action, suit or proceedings in which the City shall be a party for any bond, undertaking or security to be executed in behalf of the City, but all actions, suits, and proceedings shall be conducted in the same manner as if such bond, undertaking or security had been given. The City shall have all remedies of appeal provided by law to all courts without bond or security of any kind. For the purposes of all such actions, suits, proceedings and appeals, the City shall be liable in the same manner and to the same extent as if the bond undertaking or security has been executed and given.
ARTICLE 14

2 Meetings

a) Agenda Development and Posting

The agenda of each City Council meeting is prepared as a joint effort between the mayor, city manager, city secretary, and department directors. Two members of City Council may request placement of an item on the agenda to the City Manager or City Secretary no later than noon on the Tuesday of the week prior to the Thursday Council Meeting. The request should state the nature of the item, the desired action by city council and include any supporting material. Once all items are submitted they are reviewed and approved by the City Manager. Once approved, the agenda and packet are finalized and placed into the City Council dropbox account on the Friday before the scheduled meeting date. The agenda is posted on the city hall bulletin board and on the city’s website in accordance with the Texas Open Meetings Act.

b) Meeting Schedule

Regular meetings are held the first and third Thursdays of each month at 7:00 p.m., in the City Hall Council Chambers, 401 W. Front St., Hutto, Texas. Other meetings may arise on an as needed basis, such as budget work sessions. A schedule of regular meetings is determined in December for the upcoming year. At times, scheduling conflicts will arise and a regular meeting may be rescheduled to another day. This must be done by ordinance and approved by the City Council.

c) Work Sessions

Work Sessions have several purposes: 1) to discuss pending items for the Council agenda; 2) to discuss items that staff needs to bring to Council's attention; 3) to receive progress reports on current projects and 4) to hear regular updates from members of appointed Boards, Commissions, or Task Forces. Overall, the purpose of the work session is for Council and staff to meet and discuss various items in an informal manner where questions may be asked of each other and in-depth discussion can take place. No official action on City business is taken in work sessions.

Work sessions are not held regularly and the location and times vary. All work session agendas are posted in compliance with the Texas Open Meetings Act and are always open to the public.

Work sessions are attended by all members of the City Council, the City Manager, Assistant City Manager, and City Secretary. Depending on the agenda items, the city attorney, department directors, other staff members, consultants, board members, etc. will be invited. The Mayor presides over the work sessions.
d) **Emergency Meetings**

Special rules allow for posting notice of emergency meetings and for supplementing a posted notice with emergency items. These rules affect the timing and content of the notice but not its physical location. Section 551.045, Texas Government Code, provides:

1) In an emergency or when there is an urgent public necessity, the notice of a meeting or the supplemental notice of a subject added as an item to the agenda for a meeting for which notice has been posted in accordance with this subchapter is sufficient if it is posted for at least two hours before the meeting is convened.

2) An emergency or urgent public necessity exists only if immediate action is required of a governmental body because of:
   a) An imminent threat to public health and safety; or
   b) A reasonably unforeseeable situation

3) The governmental body shall clearly identify the emergency or urgent public necessity in the notice or supplemental notice under this section.

4) A person who is designated or authorized to post notice of a meeting by a governmental body under this subchapter shall post the notice taking at face value the governmental body’s stated reason for the emergency or urgent public necessity.

5) For purposes of Subsection (b)(2), the sudden relocation of a larger number of residents from the area of a declared disaster to a governmental body’s jurisdiction is considered a reasonably unforeseen situation for a reasonable period immediately following the relocation. Notice of an emergency meeting or supplemental notice of an emergency item added to the agenda of a meeting to address a situation described by this subsection must be given to the members of the news media as provided by Section 551.047 not later than one hour before the meeting.

The public notice of an emergency meeting must be posted at least two hours before the meeting is scheduled to begin. A government body may decide to consider an emergency item during a previously scheduled meeting instead of calling a new emergency meeting. The governmental body must post notice of the subject added as an item to the agenda at least two hours before the meeting begins.

In addition to posting the public notice of an emergency meeting or supplementing a notice with an emergency item, the governmental body must give special notice of the emergency meeting or emergency item to the news media who have previously (1) filed a request with the governmental body, and (2) agreed to reimburse the governmental body for providing the special notice. The notice to members of the news media is to be given by telephone, facsimile transmission or electronic mail.
Because Section 551.045 provides for a two-hour notice only for emergency meetings or for adding emergency items to the agenda, a governmental body adding a nonemergency items to its meeting agenda must satisfy the general notice period of Section 551.043 or Section 551.044, as applicable, regarding the subject of that item.

The public notice of an emergency meeting or emergency item must “clearly identify” the emergency or urgent public necessity for calling the meeting or for adding the item to the agenda of a previously scheduled meeting. The Act defines “emergency for purposes of emergency meetings and emergency items.

A governmental body’s determination that an emergency exists is subject to judicial review. The existence of an emergency depends on the facts in a given case.

e) Public Comment

At each meeting, there is a designated time for public comment on any topic that is not listed on the agenda. To speak, citizens must complete a public comment card and turn it into the City Secretary prior to the start of the meeting. Each Citizen will have three minutes to speak; minutes are not transferable. City council members cannot respond to the comments, but can direct staff to follow-up with the citizen.

If an individual would like to speak on a specific item, they will need to complete a public comment card and return it to the City Secretary prior to the start of the meeting. When the item is addressed by the city council, the mayor will call up the individuals that have registered to speak and each individual will have three minutes to speak.

All individuals addressing the City Council must abide by the following rules of decorum:

1) No Speaker shall address the Council unless recognized by the Mayor.
2) Profane, vulgar, or abusive language or personal attacks will not be tolerated.
3) No Speaker shall continue to address the Council after being informed by the Mayor that the Speaker’s time for addressing the Council has expired.
4) No placards, banners, or signs will be permitted in the city council chamber or in any other room in which the city council is meeting. Exhibits, displays, and visual aids used in connection with presentations to the city council are permitted.

f) Public Hearings

The staff member that is responsible for the public hearing will make a brief presentation on the item and the Mayor will open the hearing for public comment. Individuals may sign up to speak, by completing a public comment card and submitting to the City Secretary prior to the start of the meeting. Each speaker will have three minutes to speak. The Mayor will close the public hearing when public comment has concluded.

g) **Video and Streaming of Meetings**

City Council meetings held at 401 W. Front Street, with the exception of some work sessions and those meetings or portions of meetings conducted in Closed Session pursuant to the Texas Government Code, are broadcast live over the local Community Access Channel and web streamed live and archived on the City’s website. Videos are archived on the City’s website for up to two years for the sole purpose of being able to rebroadcast the meetings on the Community Access Channel and the web. Both forms of broadcasted meetings are for the convenient viewing by Hutto citizens, and are not the permanent record of City Council proceedings.

h) **Proclamations**

The Mayor issues proclamations as a way to give special recognition by the City to an individual, event, issue, etc. All requests for proclamations must go through the City Secretary’s Office and be approved by the Mayor. Proclamations may be presented at a City Council meeting or prepared and mailed to the requester. If it is to be presented at a City Council meeting, there must be a representative at the meeting to receive the document.

i) **Open Meetings Act**

Every meeting of the City Council and Boards and Commissions must be conducted in accordance with Chapter 551 of the Government Code, commonly referred to as the Texas Open Meetings Act. The Act is based on the notion that public officials should discuss and vote on public business under public scrutiny, so that the public will have the opportunity to know what their public officials are doing. The Act contains criminal penalties for violations. To help educate government officials on the Act requirements, each elected or appointed member of a governing must take at least one hour of training in the Open Meetings Act. The training must be completed no later than 90 days after the member takes the oath of office or assumes the responsibilities of the office.

The Attorney General’s Office allows the requirement to be met in at least two ways:

1) A video is available to view online on the Attorney General’s webpage concerning open government.

2) Certification of other entities such as the Texas Municipal League, to provide the training.

The training needs to be conducted in coordination with the City Secretary who is responsible for certifying that all elected and appointed officials are in compliance with the requirements under Government Code Chapter 551.
3  Financial Matters

a)  Budget

The budget is the City's financial plan that presents the services to be provided to the community over the coming year and the funds necessary to perform these services. Hutto operates under a fiscal year that begins on October 1 and ends September 30. In early spring, staff begins the process of estimating anticipated revenues, identifying and evaluating potential expenditures and preparing a recommended budget. Special budget workshops will be scheduled with the Council throughout the summer, as needed, for the City Manager to present the recommended budget. Public Hearings are typically held on the budget in August, with the Council considering the budget at a September Council meeting. For more information, please reference the City of Hutto Fiscal and Budgetary Policy.

b)  Training and Education

There are a number of training opportunities for council members that are offered by various organizations such as the Texas Municipal League and the National League of Cities. During the budget process, the City Council Members are asked to submit a training plan for the upcoming year. The City Secretary’s Office staff will assist any council member with registration, travel arrangements and forms that are required by the Finance Department.

c)  Travel and Reimbursement

City Council members follow the City’s Travel and Reimbursement Policy that is outlined in the City of Hutto Employee Manual.

d)  Council Campaign Disclosures

Generally, candidates and officeholders are required to file reports of contributions and expenditures by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. These reports must be filed even if there is no activity to report for the period covered.

However, there is an exception to this requirement for officeholders who file with a local filing authority, do not have a campaign treasurer appointment on file, and do not accept more than $500 in officeholder contributions or make more than $500 in officeholder expenditures during the period covered by the report.

More information regarding campaign financial disclosures can be found at www.ethics.state.tx.us

5 Communications

a) Correspondence To/From Council

The City Secretary receives and processes the City Council’s incoming mail. All mail to the mayor and council members is reviewed and placed in the mailboxes located outside of the City Secretary’s Office. All invitations are scanned and sent to the council members via email for action and the City Secretary will take care of confirming the members’ attendance at an event and if necessary schedule the event on their calendar and post a potential quorum notice.

All mail to the Mayor is opened and reviewed as to priority for response, copies needed for city staff and/or city council, notation of upcoming events, etc. All important letters addressed to the Mayor are copied to the Mayor and an original is kept in the official files in the City Secretary Office.

All needed responses to letters are coordinated between the Mayor, City Manager, and City Secretary.

b) Media Relations

The media frequently contacts council members for information and quotes. The Mayor is the designated representative of the Council to present and speak on the official city position. If the media contacts an individual council member, the council member should be clear about whether their comments represent the official City position or a personal viewpoint.

Below are three things to remember when dealing with the press.

1) Never go “off the record”
2) Choose words carefully and cautiously
3) Remember the media lives by tight deadlines

All official city statements that will be sent out as a press release will go through the City Manager’s Office for distribution. The Public Information Officer maintains up-to-date contact information for all local media outlets. In order to ensure that all media outlets are treated fairly, all news releases should by submitted to the Public Information Officer for review and distribution.

c) Social Media

Individuals are encouraged to positively promote the City and share information on their own social media websites. However, councilmembers along with board and commission
members should exercise caution when commenting or responding to other posts. Only factual information should be provided to city related topics as personal views may not reflect that of the entire Council or board or City. In addition, you should carefully check to ensure that no other councilmembers or board or commission members have responded to the same topic in order to avoid a possible violation of the Open Meetings Act.

In general, responses should be referred to and handled by the City’s Public Information Officer. In certain circumstances, the City Manager, PIO, and/or Mayor may determine that it is appropriate for someone else to respond directly.

d) **Public Information Act**

Texas Government Code, Chapter 552, known as the Texas Public Information Act, requires that most City records, including those in the possession of council members, be open to the public for inspection.

“Public Records” are broadly defined under the act to include “the portion of all documents, writings, letters, memoranda, or other written materials which contain public information.” “Public information” includes “all information collected, assembled, or maintained by or for governmental bodies pursuant to law or ordinance or in connection with the transaction of official business.”

Certain information is specifically excluded from the requirements of the Texas Public Information Act. While the list of exempt materials is too long to recite here, it includes such items as working papers being used to draft ordinances or resolutions, certain personnel records, information that would, if release, give an advantage to bidders, documents protected because of attorney-client relationships, and documents related to pending or ongoing litigation.

Despite the narrow exemptions established in the law, its effect is to require that most of the written material used or produced by council members be made available upon request, to the news media and other members of the public. If it is felt that certain records are exempt from the requirements of the law, and there has been no previous determination that particular types of records are exempt, the City official must request an opinion from the Attorney General no later than the 10th business day after the date of receiving the written request.

If an Attorney General’s opinion is requested, and the opinion subsequently holds that the information is public and the City official persists in refusing to release it, the City has 10 days to file suit to challenge the Attorney General’s determination.

The City of Hutto has designated the City Secretary as the Public Information Officer in regards to the Public Information Act and therefore all training requirements discussed
under Chapter 552 of the Government Code are satisfied. Therefore all requests made under the Public Information Act shall be directed to the City Secretary.

For more information regarding the Public Information Act, please refer to the TML Handbook for mayors and council members.
6 General Policies and Documents

a) Technology and Equipment Use & Electronic Communications and Systems Access Use

Electronic Tablets

The City implemented electronic distribution of agendas, reports, budget documents, etc. In order to access and use such documents, a City-issued electronic tablet will be provided for each Council member. City-issued electronic tablets are for official City business only; personal use is prohibited. The City understands that it is often inefficient to use both personal and City-issued hardware, such as electronic tablets.

Therefore, Council members have the option of using a personal electronic tablets. The City does not pay for any accessories for any of the electronic tablets, such as cases, styluses, screen covers, personal applications, etc.

When Council members complete their term of office, all City-issued equipment shall be returned to the City Manager.

E-mail account

Each Council member is assigned an individual City e-mail address with the huttotx.gov domain. E-mails to the Council as a whole can be sent to citycouncil@huttotx.gov. The City’s e-mail system shall be used for the communication and exchange of information related to City business. City e-mail may not be used for personal or political purposes.

Council members can access their e-mail from their computer, phone, iPad, etc. through a web-based client; IT staff will assist with the set-up.

There should be no expectation of privacy when using City e-mail.

Please note, Council members are subject to the City’s Technology and Equipment Use Policy that is outlined in the City of Hutto Employee Manual.

b) Political Activity

Council members have the right to endorse candidates for all Council seats or other elected offices. However, it is inappropriate to mention endorsements during Council meetings or at other official city meetings.
c) **City Charter**

The City of Hutto Charter is a written document that establishes the basic governmental structure, form of government, corporate boundaries, and municipal powers. In this respect, it is similar to a state or national constitution. As such, amendments to the City charter require an election and approval of the citizens of Hutto. The copy of the charter can be retrieved at www.huttotx.gov or in the City Secretary’s Office.

d) **Code of Ordinances**

The City Code of Ordinances is the compilation of local laws that have been adopted and codified by the City Council. The City Code covers a wide range of areas, including taxes, court, environmental regulations, alcoholic beverages, business regulations, etc. Amendments to the City Code must be adopted by the Council. A copy of the code of ordinances can be found at www.huttotx.gov or in the City Secretary’s Office.

e) **Strategic Guide 2035**

In 2007, the Hutto City Council began the development of a strategic guide that would provide direction for the community as it develops during the next 20 years. The Council reviews the guide each year at their annual work session and, if necessary, revise and make modifications to the document. The guide is made up of a series of policies that include:

- Leadership
- Quality of Life
- Organizational Development
- Service Delivery
- Fiscal and Budgetary
- Public Safety
- Mobility
- Education
- Growth Guidance
- Infrastructure
- Economic Development

A complete copy of the 2035 Strategic Guide can be found at www.huttotx.gov or in the City Secretary’s Office.

f) **Hutto 2040 Comprehensive Plan**

The Comprehensive Plan is a tool used by cities to guide growth in order to protect the public health, safety and welfare. It outlines the overall vision for the city’s future, and
the steps needed to progress toward that vision. Hutto’s Growth Guidance Plan, which was adopted in 2006, served as the city’s Comprehensive Plan. However, Hutto’s growth and evolution over the past decade warranted a more thorough evaluation of the community’s vision and goals.

The Comprehensive Plan assists boards, commissions, City Council and staff in making recommendations and decisions related to Hutto’s growth. It also aids property owners and potential developers in understanding the city’s priorities and trajectory for the next 25 years. The Plan is updated approximately every 5 years.

Hutto’s Comprehensive Plan, Hutto 2040, was built from a broad, diverse base of public input and review. Planning staff compiled responses from multiple outreach efforts, including the Sustainable Places Project, the 2013 Citizen Survey, and two successful public workshops. Several efforts included an online component, gathering input from residents who could not attend in meetings. The Comprehensive Plan outreach hit new levels of participation among residents, reaching those who do not typically attend public meetings on city business.

Staff developed the goals and objectives of Hutto 2040 based on the input received from residents. The goals and objectives are supported by available data and trends, with benchmarks providing a way to measure progress in the future.

g) Master Planning Documents

The City of Hutto recognizes the needs for long term planning for critical infrastructure and quality of life for its citizens. The City employs several master planning documents that are used and adjusted as goals are met and the City continues to grow. Currently, the City maintains the following master plans.

- Parks, Recreation, Open Space, and Trails Master Plan
- Water Master Plan
- Wastewater Master Plan
- Library Master Plan

City of Hutto Council Relations Policy

The City Council for the City of Hutto is dedicated to providing democracy to America’s doorstep. The City of Hutto Council Relations Policy is designed to make the process of governance run more smoothly.

The integrity of the City of Hutto is built on the interaction between elected officials, city employees, and the citizens. The Council Relations Policy is intended to maintain a high level of integrity by providing a decorum for how council members treat one another, city staff, constituents, and others they come into contact when representing the City of Hutto. The Council Relations Policy reflects the intentions of the Hutto City Council in defining the behaviors, manners, and courtesies that are suitable for various occasions.

The contents of the Council Relations Policy include:

- Policies and Protocol Related to Conduct Page 3
- Council Relations with One Another Page 4
- Council Relations with City Staff Page 5
- Council Relations with the Citizens Page 7
- Council Relations with Other Public Agencies Page 8
- Council Relations with Boards and Commissions Page 9
- Council Relations with the Media Page 11
- Sanctions Page 12
- Principles of Proper Conduct Page 13

The constant and consistent theme through all of the conduct guidelines is “respect.”

Council members experience huge workloads and tremendous stress in making decisions that could impact thousands of lives. Despite these pressures, elected officials are called upon to exhibit appropriate behavior at all times. Demonstrating respect for each individual through words and actions is the compass that can help guide Council members to do the right thing in even the most difficult situations.
Policies and Protocol Related to Conduct

Reflecting Council Opinions
Once the City Council has taken a vote, that reflects the official course of action for the City.

Ceremonial Events
Requests for a City representative at ceremonial events will be handled by City staff. The Mayor will serve as the designated City representative. If the Mayor is unavailable, then City staff will determine if event organizers would like another representative from the Council. If yes, then the Mayor will recommend which Council member should be asked to serve as a substitute. Invitations addressed to individual Councilmembers and received at City Hall are presumed to be for unofficial, personal consideration.

E-Mail Guidelines
E-mail has become a familiar form of communication between the public and its elected officials. It is important to remember that e-mails held by elected officials regarding their position are a form of public record and must be maintained as per the Open Records Act. When a council member receives a personalized e-mail, the council member should acknowledge the receipt of the e-mail and concern voiced through a reply e-mail. The response should be polite and careful in regard to any personal opinions expressed on the issue. If a reply is sent, the City Manager and/or City Secretary should be copied if there is any further action and/or official response needed in regard to the e-mail.

Correspondence Signatures
Council members do not need to acknowledge the receipt of correspondence, or copies of correspondence. City staff will prepare official letters in response to public inquiries and concerns. These letters will carry the signature of the Mayor unless the Mayor requests that they be signed by another council member or city staff. If correspondence is addressed only to one council member, that council member should check with staff on the best way to respond to the sender.

Endorsement of Candidates
Council members have the right to endorse candidates for all council seats or other elected offices. It is inappropriate to mention endorsements during city council meetings or other official City meetings.
Council Relations with One Another

City Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. Despite this diversity, all have chosen to serve in public office in order to preserve and protect the present and the future of the community. In all cases, this common goal should be acknowledged even as council members may “agree to disagree” on contentious issues.

IN PUBLIC MEETINGS

Practice civility and decorum in discussions and debate
Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, council members to make belligerent, personal, impertinent, slanderous, threatening, abusive, or offer disparaging comments. No shouting or physical actions that could be construed as threatening will be tolerated.

Honor the role of the Chair in maintaining order
It is the responsibility of the Chair to keep the comments of council members on track during public meetings. Council members should honor efforts by the Chair to focus discussion on current agenda items. If there is disagreement about the agenda or the Chair’s actions, those objections should be voiced politely and with reason, following procedures outline in parliamentary procedure.

Avoid personal comments that could offend other council members
If a council member is personally offended by the remarks of another council member, the offended council member should make notes of the actual words used and call for a “point of personal privilege” that challenges the other council member to justify or apologize for the language used. The Chair will maintain control of this discussion.

Demonstrate effective problem-solving approaches
Council members have a public stage to show how individuals with disparate points of view can find common ground and seek a compromise that benefits the community as a whole.

IN PRIVATE ENCOUNTERS

Continue respectful behavior in private
The same level of respect and consideration of differing points of view that is deemed appropriate for public discussions should be maintained in private conversations.

Be aware of the public nature of written notes, voicemail messages, and e-mail
Technology allows words written or said without much forethought to be distributed wide and far. Council members should take into consideration that anything sent out via fax, voicemail, e-mails, text messages, social media or correspondence could be distributed to the media and citizens. Written notes, voicemail messages and e-mail should be treated as “public” communication.

Even private conversations can have a public presence
Elected officials are always on display – their actions, mannerisms, and language are monitored by people around them that they may not know. Lunch table conversations will be eavesdropped upon, parking lot debates will be watched, and casual comments between individuals before and after public meetings noted.
Council Relations with City Staff

Governance of a City relies on the cooperative efforts of elected officials, who set policy, and City staff, who implement and administer the Council’s policies. Woodrow Wilson called this the politics-administration dichotomy, but governance of a municipality is in reality a team effort. Cooperation and mutual respect are essential from each individual for the good of the community.

**Treat all staff as professionals**
Clear, honest communication that respects the abilities, experience, and dignity of each individual is expected. Disrespectful behavior towards staff is not acceptable.

**Limit contact to specific City staff**
Questions of City staff and/or requests for additional background information should be directed only to the City Manager, City Attorney, or City Secretary. The City Manager’s Office should be copied on any request, except those to the City Attorney.

Requests for follow-up or directions to staff should be made only through the City Manager or the City Attorney when appropriate. Materials supplied to a council member in response to a request will be made available to all members of the Council so that all have equal access to information.

The Council should not entertain or respond to any staff complaints. Any discussions of this nature should be referred directly to the City Manager. The Council should never speak critically to a member of City staff about other City staff, other council members, and/or Council decisions.

**Do not disrupt City staff from their jobs**
Council members should not disrupt City staff while they are in meetings, on the phone, or engrossed in performing their job functions in order to have their individual needs met.

**Never publicly criticize an individual employee**
Council should never express concerns about the performance of a City employee in public, to the employee directly, or to the employee’s manager. Comments about staff performance should only be made to the City Manager through private correspondence or conversation.

**Do not get involved in administrative functions**
Council members must not attempt to influence City staff on the making of appointments, awarding of contracts, selecting of consultants, or granting of City licenses and permits. The Hutto City Charter, Section 3.08 (b) and (c), also addresses the role of the City Council in regard to administrative functions.

**Check with City staff on correspondence before taking action**
Before sending correspondence, council members should check with the City Secretary to see if an official City response has already been sent or is in progress.
**Do not attend meetings with City staff unless requested by staff**  
Even if the council member does not say anything, the council member’s presence implies support, shows partiality, intimidates staff, and hampers staff’s ability to do their job objectively.

**Do not solicit political support from staff**  
Council members should not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, etc.) from City staff. City staff may, as private citizens with constitutional rights, support political candidates but all such activities must be done away from the workplace.
Council Relations with the Citizens

IN PUBLIC MEETINGS
The Hutto City Council welcomes requests, suggestions, and viewpoints of residents of the City and considers the responsible presentation of these viewpoints as vital to effective municipal government. Council members also recognize their responsibility for proper governance and the need to conduct its business in an orderly and effective manner. The Council therefore establishes the following procedures to receive citizen input during public meetings.

1. Protocol for dealing with requests made by citizens
Citizens with specific requests should first discuss them with the City Manager or City staff. The Council will consider requests that remain unresolved after being addressed through proper administration channels. Citizens who have not attempted to resolve situations at lower levels will be directed to the City Manager.

2. Protocol regarding complaints against City personnel
Negative comments regarding City personnel by name or title may not be made in open session (due to confidentiality provisions contained in the Texas Public Information Act and other state and federal laws). Specific complaints regarding municipal employees may be taken up with the City Manager.

Disruption of meetings by word or actions of any person may result in removal from the meeting by law enforcement officials.

IN UNOFFICIAL SETTINGS

Make no promises on behalf of the Council
Council members will frequently be asked to explain a Council action or give their opinion about an issue as they meet and talk with constituents in the community. It is appropriate to give a brief overview of City policy and to refer to City staff for further information. It is inappropriate to overtly or implicitly promise Council action, or to promise City staff will do something specific (fix a pothole, plant new flowers in the median, etc.).

Make no personal comments about other council members
It is acceptable to publicly disagree about an issue, but it is unacceptable to make derogatory comments about other council members, their opinions and actions.

Remember that the community is listening.
Council members are constantly being observed by the community every day that they serve in office. Their behaviors and comments serve as models for proper behavior in the City of Hutto. Honesty and respect for the dignity of each individual should be reflected in every word and action taken by council members, 24 hours a day, seven days a week. It is a serious and continuous responsibility.
Council Relations with Other Public Agencies

Be clear about representing the City or personal interests
If a council member appears before another governmental agency or organization to give a statement on an issue, the Council member must clearly state: 1) if his or her statement reflects personal opinion or is the official stance of the City; 2) whether this is the majority or minority opinion of the Council.

If the council member is representing the City, the council member must support and advocate the official City position on an issue, not a personal viewpoint.

If the council member is representing another organization whose position is different from the City, the council member should withdraw from voting on the issue if it significantly impacts or is detrimental to the City’s interest. Council members should be clear about which organizations they represent and inform the Mayor and Council of their involvement.

Correspondence also should be equally clear about representation
City letterhead may be used when the council member is representing the City and the City’s official position. A copy of official correspondence should be given to the City Secretary to be filed as part of the public records.

City letterhead will not be used for correspondence of council members representing a personal point of view, or a dissenting point of view from an official council position.
Council Relations with Boards and Commissions

The City has established several boards and commissions as a means of gathering more community input. Citizens who serve on boards and commissions become more involved in government and serve as advisors to the City Council. They are a valuable resource to the City’s leadership and should be treated with appreciation and respect.

Attendance at a board or commission meeting
Council members may attend any board or commission meeting, which are always open to any member of the public. However, they should be sensitive to the way their participation – especially if it is on behalf of an individual, business or developer – could be viewed as unfairly affecting the process. Any public comments by a council member at a board or commission meeting should be clearly made as individual opinion and not a representation of the feelings of the entire City Council.

Limit contact with board and commission members to questions of clarification
It is inappropriate for a council member to contact a board or commission member to lobby on behalf of an individual, business, or developer. It is acceptable for council members to contact board or commission members in order to clarify a position taken by the board or commission.

Remember that boards and commissions serve the community, not individual council members or your interests
The City Council appoints individuals to serve on boards and commissions, and it is the responsibility of boards and commissions to follow policy established by the Council. But board and commission members do not report to individual council members, nor should council members feel they have the power or right to threaten board and commission members with removal if they disagree about an issue. Appointment and re-appointment to a board or commission should be based on such criteria as expertise, ability to work with staff and the public, and commitment to fulfilling official duties. A board or commission appointment should not be used as a political “reward.”

Be respectful of diverse opinions
A primary role of boards and commissions is to represent many points of view in the community and to provide the Council with advice based on a full spectrum of concerns and perspectives. Council members may have a closer working relationship with some individuals serving on boards and commissions, but must be fair and respectful of all citizens serving on boards and commissions.

Keep political support away from public forums
Board and commission members may offer political support to a Council member, but not in a public forum while conducting official duties. Conversely, council members may support board and commission members who are running for office, but not in an official forum in their capacity as a council member.
Inappropriate behavior can lead to removal
Inappropriate behavior by a board or commission member should be reported to the Mayor, and the Mayor should counsel the offending member. If inappropriate behavior continues, the Mayor should bring the situation to the attention of the Council and the individual is subject to removal from the board or commission.
Council Relations with the Media

The media (newspapers, radio, television, etc.) frequently contacts council members for information and quotes.

**The best advice for dealing with the media is to never go “off the record”**
Most members of the media represent the highest levels of journalistic integrity and ethics, and can be trusted to keep their word. But one bad experience can be catastrophic. Words that are not said cannot be quoted.

**The Mayor is the official spokesperson for the representative on City positions**
The Mayor is the designated representative of the Council to present and speak on the official City position. If the media contacts an individual Council member, the Council member should refer the individual to the Public Information Officer.

**Choose words carefully and cautiously**
Comments taken out of context can cause problems. Be especially cautious about humor, sardonic asides, sarcasm, or word play. It is never appropriate to use personal slurs or swear words when talking with the media or during City Council Meetings.
Sanctions

Public Disruption
Members of the public who do not follow proper conduct after a warning in a public hearing may be barred from further testimony at that meeting or removed from the Council Chambers.

Inappropriate Staff Behavior
Council members should refer to the City Manager any City staff who do not follow proper conduct in their dealings with council members, other City staff, or the public. These employees may be disciplined in accordance with standard City procedures for such actions.

Council Members Behavior and Conduct
City Council members who intentionally and repeatedly do not follow proper conduct may be subject to any or all of the following sanctions:

1. Not be recognized by the Chair to speak at a meeting;
2. Lose seniority and/or committee assignments (within the City of Hutto and/or with inter-government agencies);
3. Have official travel restricted;
4. Serious infractions of the Council Relations Policy could lead to be formally censured by the Council, which could lead to other sanctions as deemed appropriate by the City Council.

Council members should point out the offending Councilmember infractions of the Council Relations Policy. If the offenses continue, then the matter should be referred to the Mayor in private. It is the responsibility of the Mayor to speak with the offending Council member in private about the offenses. If the Mayor is the individual whose actions are being challenged, then the matter should be referred to the Mayor Pro Tem.

It is the responsibility of the Mayor to initiate action if a Council member’s behavior may warrant sanction. If no action is taken by the Mayor, the alleged violation(s) can be brought up with the full Council in a public meeting.
