Mayor Debbie Holland read and presented the following proclamation to Kelly Gaydos, Parks Advisory Board Vice Chair, Mike Hemker, Parks and Recreation Director, and Anthony Valchar, Parks Supervisor.

Official Proclamation

Whereas, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees; and
Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska and is now observed throughout the nation and the world; and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, can cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide a habitat for wildlife; and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, increased property values, enhance the economic vitality of business areas, beautify our community, and are a source of joy and spiritual renewal.

Now, Therefore, I, Debbie Holland, Mayor of the City of Hutto do hereby proclaim Saturday, March 5, 2016, as:

“ARBOR DAY”

in the City of Hutto as we celebrate by expanding the tree canopy through planting new trees in Fritz Park and educating citizens to increase and support efforts that protect and replenish our trees and woodland areas, which increase the well-being of current and future generations in Hutto.

Proclaimed this the 3rd day of March, 2016.

All items listed on the consent agenda are considered to be routine by the City Council and will be enacted by one motion. There will be no separate discussion of these items unless requested by a Council member in which event, the item will be removed from the consent agenda and considered as a regular agenda item.

8A. Consideration and possible action on a resolution concerning the proposed Star Ranch Gattis School Rd/SH 130 Subdivision Final Plat, 29.99 acres, more or less, of land, 3 commercial lots, located within Hutto’s extraterritorial jurisdiction at Gattis School Road (south boundary) and SH-130 (west boundary).

8B. Consideration and possible action on the meeting minutes for the January 30, 2016 Joint City Council and Hutto Economic Development Corporation Board of Directors Work Session, February 2, 2016 Joint City Council and Hutto ISD Board of Directors Work Session, February 4, 2016 Regular City Council Meeting, February 18, 2016 Regular City Council Meeting and the February 20, 2016 Joint City Council and Planning and Zoning Commission Work Session.

MOTION: Councilmember Anne Cano moved to approve items 8A-8B on the consent agenda as presented. Councilmember Tom Hines seconded the motion. The motion carried with 7 ayes and 0 nays.

RESOLUTIONS

9A. Consideration and possible action on a resolution concerning a fee waiver for the rental of the City of Hutto Gin facility for a fundraiser benefiting the family of Chuck Murphy.

Micah Grau, Assistant City Manager, gave the staff presentation. A group of citizens approached the City to request the use of the Gin to hold a Celebration of Life event for Chuck Murphy. Murphy, a resident and member of the City’s Planning and Zoning Commission, passed away earlier this year. The group plans to host the event on May 7, 2016. The group has requested that the City waive rental and deposit fees for the use of the facility. The renter will still need to comply with all City guidelines for renting and cleaning the facility.

The City has waived rental fees for Park facilities in the past for non-profits and for other groups holding fundraisers. However, this is the first time the City has been approached about waiving fees at the Gin.
MOTION: Councilmember Tom Hines moved to approve the resolution concerning a fee waiver for the rental of the City of Hutto Gin facility for a Celebration of Life event remembering Chuck Murphy. Mayor Pro-tem Michael Smith seconded the motion. The motion carried with 7 ayes and 0 nays.

Councilmember Ronnie Quintanilla-Perez thanked the Murphy Family for all of Mr. Murphy's contributions to the City of Hutto through his service on the Planning and Zoning Commission, Chamber of Commerce, and miscellaneous organizations and events.

WORK SESSION

10A. Work session on the Williamson County Emergency Services District #3 and the proposed sales tax election.

Micah Grau, Assistant City Manager, made the staff presentation. On October 21, 2015, the Williamson County ESD#3 Board approved a resolution calling for a special election on the issue of the adoption of a local sales and use tax by the District pursuant to Chapter 775 of the Health & Safety Code. The election would be for the full 2% of local sales tax that is allowed by state law. The election will occur on the uniform election date of May 7, 2016.

As the City annexes commercial developments into its jurisdiction in the future, all local sales tax generated at the location would go to the ESD#3, should the election pass. This could adversely impact the City's ability to provide services in the future and impact the City's ability to incentivize any future development through a traditional Chapter 380 Sales Tax agreement.

Mr. Grau emphasized the importance of Sales Tax and a city having a diversified financial portfolio. He included a summary of the City's current tax structure and the Future Land Use Map, which displayed that the majority of the city's planned commercial area is still located outside the city limits.

Mr. Grau continued on by outlining the following four options for the City Council's consideration.

- Option 1 – Pursue Sales Tax Sharing Agreement
- Option 2 – Annexation of priority properties – Challenges, next steps, etc.
- Option 3 – Inform citizens of the impacts of the election
- Option 4 - City evaluate providing Fire Services in the future

With each option, Mr. Grau described a potential framework for execution.

Discussion ensued concerning the presented options and other related topics which include the City-ESD Task Force Meetings, impacts to the Hutto EDC and future Economic Development Agreements, fire service delivery options and operational costs, and fire services in the Extraterritorial Jurisdiction.
It was the consensus of the City Council to investigate and pursue the following options that were presented.

- Option 1 – Pursue Sales Tax Sharing Agreement
- Option 3 – Inform citizens of the impacts of the election
- Option 4 - City evaluate providing Fire Services in the future

AGENDA ITEM NO.: 8A. AGENDA DATE: March 17, 2016

ITEM: Consideration and possible action on a resolution concerning the re-adoption of the 401a Plan Administrative Services Agreement with the ICMA Retirement Corporation (ICMA-RC).

STRATEGIC GUIDE POLICY: Organizational Development

ITEM BACKGROUND: History of the 401a Plan:

Any employee who was actively employed by the City of Hutto on January 23, 2014 and participated in the Texas Municipal Retirement System as of January 23, 2014, voted in an individual choice referendum election on April 23, 2014 to determine if they would continue to participate in Social Security or if they would opt out of Social Security participation. The individual choice referendum was conducted in accordance with the provisions set forth by the State of Texas' State Social Security Administrator. Any employees hired on or after January 24, 2014 must participate in Social Security.

Employees who elected to opt out of Social Security chose to have their wages deducted and deposited into a 401(a) defined contribution plan. The deposit to the defined contribution plan is equal to the amount that would have been paid for Social Security. The City of Hutto, in lieu of contributions to Social Security on behalf of employees, makes deposits to the defined contribution plan at a one-to-one matching rate.

Why is Re-Adoption Required?

Six-Year IRS Review Schedule

The IRS has a six-year review schedule for the type of 401 plan documents ICMA-RC makes available. Following the IRS schedule, ICMA-RC submitted updated plan documents for review and approval in 2012 and received favorable opinion letters last year. The documents incorporate amendments for legislative and regulatory changes enacted since the prior restatement in 2006 and are effective as of 2012.
New Adoption Agreement Needed

In the past, ICMA-RC has utilized a negative election adoption process in an effort to make the plan document adoption process as easy as possible. This time, per instructions from the IRS, each plan sponsor using ICMA-RC documents will be required to execute a new adoption agreement by April 30, 2016.

BUDGETARY AND FINANCIAL SUMMARY:
There is no additional cost to re-adopt the 401a plan.

ITEM: Discussion regarding the City of Hutto logo.

STRATEGIC GUIDE POLICY: Quality of Life

ITEM BACKGROUND:
In FY15, the City's Strategic Guide contained a strategy to develop a new brand for the City. The new logo represents a cumulative work from a team of employees that looked at bringing a fresh perspective to the City’s corporate image. The team looked at many different options, colors and approaches before deciding on this contemporary layout. The new logo represents a clean and modern look that more accurately reflects the current city organization. It also has been designed so that it can be customized for each of the departments.

This logo is an exciting departure from the logo that has served the City for almost 10 years. The City has used the “subliminal hippo” logo since mid-2007. It was developed by the 2006 Class of the Hutto Citizen's University through a design charrette.

BUDGETARY AND FINANCIAL SUMMARY:
The plan is to change/update the logo on our letterhead and website quickly and switch out the logo on other items as they need to be replaced or as budget allows.
