PETITION OF

VIRGINIA ELECTRIC AND POWER COMPANY

CASE NO. PUR-2019-00133

For a prudency determination with respect to the
Westmoreland Solar Power Purchase Agreement
pursuant to § 56-585.1:4 F of the Code of Virginia

ORDER FOR NOTICE AND HEARING

On August 16, 2019, Virginia Electric and Power Company d/b/a Dominion Energy Virginia ("Dominion" or "Company"), pursuant to § 56-585.1:4 F of the Code of Virginia ("Code"), filed a petition ("Petition") with the State Corporation Commission ("Commission") for a prudency determination with respect to the Company's proposed power purchase agreement ("PPA") with Westmoreland County Solar Project, LLC ("Westmoreland"), associated with a 20 megawatt solar facility ("Project") to be located in Westmoreland County, Virginia.

The Company states that the Project will be developed by Westmoreland. In addition, the Project will be interconnected at the distribution level, but will be a PJM Interconnection, LLC, generation resource.¹ According to the Petition, the Company selected the Project through a competitive solicitation process.² The Company states that it reviewed proposals for completeness and conformity to the request for proposals requirements, and that the Project provides a positive net present value to customers when compared to market purchases.³ The Company states that it executed a PPA for the Project on August 6, 2019, contingent upon

receiving Commission approval.⁴ The Company states that it will recover the costs associated with the Project through a combination of base rates and the fuel factor.⁵

The Petition states that, if deemed prudent by the Commission, the anticipated commercial operations date for the Project is the fourth quarter of 2020 with a PPA term of 20 years.⁶

Finally, in conjunction with the filing of its Petition, on August 16, 2019, the Company filed the Motion of Virginia Electric and Power Company for Entry of a Protective Order and Additional Protective Treatment ("Motion for Protective Order") and a proposed protective order that establishes procedures governing the use of confidential and extraordinarily sensitive information in this proceeding.

NOW THE COMMISSION, upon consideration of this matter, is of the opinion and finds that this matter should be docketed; Dominion should provide public notice of its Petition; a public hearing should be scheduled for the purpose of receiving testimony and evidence on the Petition; interested persons should have an opportunity to file comments on the Petition or to participate as respondents in this proceeding; and the Commission's Staff ("Staff") should be directed to investigate the Petition and file testimony and exhibits containing its findings and recommendations thereon.

We also find that a Hearing Examiner should be assigned to conduct all further proceedings in this matter on behalf of the Commission, including ruling on the Company's
