Dear Mr. Hunter, Mr. Young, Members of the Board of Supervisors and Members of the Prince George County Industrial Development Authority:

It is with regret that I am writing to inform you of my decision to resign my position as a Member of the Prince George County Industrial Development Authority, effective June 30, 2020.

I have served in this position since 1996 and I actually was a member of the Prince George IDA for a short while prior to 1996. It has been a pleasure to be a part of the Prince George County Industrial Development Authority and I have valued this experience very much.

As you probably know, I have practiced law at 6405 Courthouse Road in Prince George, since July 5, 1967. During this time, I have watched the economic and general growth of Prince George County from this perspective and it is my opinion that the Prince George IDA and the Board of Supervisors of Prince George County have done an outstanding job in keeping the County economically sound and on the right path of growth for the County’s continued economic strength and stability.

Prince George County should be proud of its record and its outstanding position among counties in Virginia and I am glad to have been a small part of the effort.
I look forward to many more years of practicing law in Prince George and my association with all aspects of the Prince George County Government and the Prince George County Industrial Development Authority.

Very truly yours,

F. Lewis Wyche, Jr.

Donald R. Hunter, Chairman
Prince George County Board of Supervisors
County Administration Building, Third Floor

Dear Mr. Hunter:

After much consideration and with sincere regret, I am writing to inform you that I have decided to resign as a member of the Prince George County Industrial Development Authority, effective Tuesday, June 30, 2020.

I want to be clear that this decision was not based on any dissatisfaction with the current staff of the IDA or with any member of the county administration. I have enjoyed working with Jeff Stoke, Yoti Jabri and Donna Traylor and consider each to be a faithful and dedicated professional that always puts the interests of Prince George County first. I also have much respect for the current members of the Authority and will miss working with them as well.

My decision to resign from the Authority is based solely on the new financial disclosure requirements for IDA members that was passed by the Virginia General Assembly in March of this year and will take effect on July 1, 2020. This new Act requires the disclosure of much greater detail of a Member’s financial assets and liabilities than had been the case in the past. I find the new requirements to be an invasion of my privacy and I do not believe that the additional disclosures will provide any information that furthers the goal of good governance.

I have enjoyed my 16 years as a member of the Authority and I appreciate the confidence that this Board of Supervisors and past Boards have placed in me during this period. I am proud to have played some small part in the County’s economic success in recent years.

I remain committed to the success of Prince George County. My best wishes and thanks to you and the Board during these difficult times.

Very truly yours,

William A. Young, Jr.

Dear Mr. Hunter,

It has been a privilege and an honor to have served on the Industrial Development Authority for a number of years. During this time, I’ve seen numerous positive improvements for Prince George County. As a local developer and businessman, I feel being involved in our community is important.

Less than a month ago, I was fortunate to celebrate my 80th birthday. With the current Covid-19 situation, I feel it necessary to isolate and protect my health and this has given me time to evaluate my current involvement in various activities. I feel that now is an appropriate time to resign from the IDA Board and pass along this opportunity to perhaps a younger individual who can serve and benefit Prince George County and its future.

Please accept my resignation effective the end of this month, June 30th, 2020. If I can be of future assistance, please don’t hesitate to call.

Sincerely,

James E. Cuddihy, Jr.
