UTILITY BILLING/COLLECTION SPECIALIST III

FLSA Status: Non-Exempt

GENERAL DEFINITION AND CONDITIONS OF WORK:
Performs specialized clerical work involving billing and collecting for water and wastewater utility services; receiving and researching water and wastewater utility inquiries; and other department administrative functions. Work is performed under regular supervision.

The Senior Utility Customer Service Agent position is part of Prince George County Utility Department’s Career Development Program (CD). The Senior Utility Customer Service Agent reports to a Utility Office Manager. Senior Utility Customer Service Agents may serve as workflow leaders to lower level Utility Customer Service Agents and/or clerical staff.

This is mostly sedentary work requiring the exertion of up to 25 pounds of force occasionally, and a negligible amount of force frequently or constantly to move objects; work requires stooping, reaching, standing, fingering, grasping, and repetitive motions; vocal communication is required for expressing or exchanging ideas by means of the spoken word; hearing is required to perceive information at normal spoken word levels; visual acuity is required for preparing and analyzing written or computer data, operation of machines, determining the accuracy and thoroughness of work, and observing general surroundings and activities; the worker is not subject to adverse environmental conditions.

ESSENTIAL FUNCTIONS/TYPICAL TASKS:
Essential functions/typical tasks (as assigned) of Utility Billing/Collection Specialist II in addition to:
(The following tasks are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)
