- New Years

To report a change, add or remove a member, request a replacement Health Insurance card or ask a question, you can call Cover Virginia toll free at 1-888-855-2428. Translation services are available.

There’s a new process to renewing your coverage. The first time you use the new report a change, add or remove a member, request a replacement Health Insurance card or ask a question, you can call Cover Virginia toll free at 1-888-855-2428. Translation services are available.

The Virginia General Assembly has been debating Medicaid expansion for two years. Prince George residents have taken advantage of the open enrollment period to apply for Medicaid benefits through the federal healthcare marketplace and the online application process. However, Prince George residents have taken advantage of the open enrollment period to apply for Medicaid benefits through the federal healthcare marketplace and the online application process.

The Prince George Department of Social Services has received 1409 new applications. This is the highest increase in the state with Chesterfield demonstrating the next greatest increase with 24%. No staffing will be presented around the region and will begin mid-year. There is a new process to renewing your coverage. The first time you use the new

Congratulations to the eligibility staff on the great work they are doing for the local level to be able to address the timely processing of applications for increasing benefit programs caseloads. A three percent increase is the goal for the year. Meeting this goal will require a three percent increase in staffing for the District Court Services Unit serving Prince George County.

The Prince George Social Services Office has been debating Medicaid expansion for two years. Prince George residents have taken advantage of the open enrollment period to apply for Medicaid benefits through the federal healthcare marketplace and the online application process. However, Prince George residents have taken advantage of the open enrollment period to apply for Medicaid benefits through the federal healthcare marketplace and the online application process.
