Prince George operates a producer-grower farmers’ market. We are dedicated to building a sustainable, regional foodshed and to educating people about the benefits of sustainable agriculture. Our Farmers’ Market emphasizes the direct connection between local food sources and the quality and health of our environment and daily lives. We support farmers’ producers who cultivate the land using sustainable agricultural practices or raise livestock using humane and sustainable practices. By providing these farmers’ producers with direct markets for their products, Prince George helps maintain the regional farm economy and helps ensure the future of farming in our area. The Prince George County Parks and Recreation Department is used to store the integrity of all products sold at the farmers’ market. These documents can be found at the County website.
