We are proud to announce Officer Ronnie Sisson as our September, 2019 Employee of the Month. Officer Sisson, one of our veteran officers, is known for his hard work, compassion, teamwork, officer safety, and thoroughness.

During the month of September, Sergeants Laine and Nicholas described how Ronnie’s forward-thinking and follow-through, while dealing with a routine call for service, led to information that resulted in numerous arrests within our County for a multitude of serious crimes. Ronnie doesn’t just go through the motions, he listens, applies his vast experience base, and he creates opportunity.

Whereas Officer Sisson is rounding third base in his career, he continues to police our community with energy and purpose. Please join us in recognizing and appreciating Officer Ronnie Sisson for all of his contributions.

We are proud to announce Officer Eric McQuage as our October 2019 Employee of the Month. Officer McQuage has been assigned to JEG Moore Middle school as a school resource officer for approximately seven years. He has shown exemplary dedication while serving the students, faculty and our community as a whole.

Eric has received compliments for bringing the DARE Program to our Middle School, and he has been praised for his ability to build relationships with students and staff. Eric has gone above and beyond expectations to make sure students and staff remain safe, and he realizes that the investments made today with our youth pays dividends for tomorrow.

From the perspective of police supervision, it is very nice to receive letters and kind compliments from parents, teachers and school leaders highlighting the wonderful partnerships we enjoy in Prince George County. Recently, police staff has received heartfelt correspondence along with other positive feedback highlighting appreciation for Eric’s passion and dedication.

We should never lose sight of where the important work happens – thank you Officer McQuage for your efforts making a positive impact in our community.

Officers Complete D.A.R.E. School

Congratulations to Officer Dillard and Officer Moreno for completing D.A.R.E. School.

Launched in 1983, D.A.R.E. is a comprehensive K-12 education program taught in thousands of schools in America and 52 other countries. D.A.R.E. curricula address drugs, violence, bullying, internet safety, and other high-risk circumstances that today are too often a part of students’ lives. D.A.R.E. officers and other school-based law enforcement officers are the first line of defense in America’s schools. Their job is to educate children but also to prevent school violence and intruders who may try and enter a school to harm children and others.

Officer Dillard is currently assigned at Walton Elementary and Officer Moreno is currently assigned to the Community Services Unit.
Our own PGPD, Officer Dana Newmeyer, was recognized this morning by the Riverside Community Criminal Justice Board during the 9th Annual Community Appreciation breakfast.

WARNING:
During the colder months we see an increase of thefts from vehicles. Unlocked vehicles allow easy access to things like change, recent shopping purchases, and electronic devices. LOCK YOUR CAR!!!

It’s one of the easiest things you can do to reduce thefts!
To all who have served and continue to serve, we salute you! Many of our police officers served our Nation before serving our community, and we are so thankful for their service. Happy #VeteransDay!
