Please join us in congratulating Detective J.T. Mann, as our April, 2019 “Employee of the Month” recipient.

During the month of April, Detective Mann took the initiative and extra effort to identify a young person in our community that was responsible for multiple crimes in the north end of the county. Detective Mann was able to locate the suspect and obtain a confession, which led to the recovery of multiple stolen items. In addition, Detective Mann identified that the suspect was in need of services and that his current situation was a contributing factor to criminal behavior. Detective Mann reached out to Child Protective Services and Juvenile Services to ensure the young man got the help he needed.

The forward-thinking and additional efforts that Detective Mann took not only cleared cases and returned stolen property to victims in our community, but may have changed the life of a young person who needed a voice to assist him with his problems.

Please join us in congratulating Detective Mann, for a job well done!
National Police Week
May 12–18, 2019

History
In 1962, President John F. Kennedy signed a proclamation which designated May 15 as Peace Officers Memorial Day and the week in which that date falls as Police Week. Currently, tens of thousands of law enforcement officers from around the world converge on Washington, DC to participate in a number of planned events which honor those that have paid the ultimate sacrifice. Additional information can be found at http://policeweek.org/index.html.

The 25th Annual Tri-Cities Law Enforcement Memorial Breakfast Ceremony was held on May 9, 2019 at the Good Shepherd Baptist Church to honor our fallen officers.

“Tip A Cop” Fundraiser Deemed a Success

A special thanks to all those that made the Nanny’s Tip-A-Cop such a huge success this year! The law enforcement officers were there to assist the Prince George County Local Special Olympic program and the Law Enforcement Torch Run by trading in their handcuffs and badges for menus and serving trays to help servers at the Nanny’s Barbeque Restaurant during dinner. Donations, in the form of tips, were accepted for this worthy cause. This year we were able to raise $4,025 for Special Olympics and the Law Enforcement Torch Run. Chief Early and Special Olympics Coordinators presented Nanny’s with a custom plaque (pictured right) to show our appreciation for the support they provide year after year.

On May 1, this 14 month old Belgian Malinois from Poland joined our force. We asked you to vote for your favorite of the three suggested names and after analyzing the votes on May 3 we are proud to introduce you to Valor!

School Resource Officer Day
On May 9, 2011, the School Board approved to annually celebrate the third Wednesday in May as School Resource Officer Day which coincides with National Law Enforcement Week in May.

School Resource Officers in Prince George County and all across the Commonwealth of Virginia work as a liaison between their agency and the school system to ensure the safety of the children and the staff. The safety of all involved is crucial so that students and faculty have a safe environment conducive to learning.

On May 13, 2019, School Resource Officers Mayes (not pictured), Moegling (not pictured), Jones, Pearson and McQuage were recognized by the Prince George School Board for the outstanding work they do each and every day. Prince George County Police Department is honored to have these five outstanding Officers.
It’s Time to Get to Know Members of #YourPGPD for #MeetAnAASC!

Let us introduce you to Afton Linkous.

*How long have you been an Animal Adoption Services Coordinator?*
Only two weeks, but have been working neighbors for about four years.

*Where do you work?*
Prince George County Animal Services & Adoption Center

*What's your favorite thing about being an Animal Adoption Services Coordinator?*
I am able to get the faces of these sweet and innocent animals out to the public and be their voice.

*What is your favorite food?*
French Fries

*If you could have one superpower, what would it be?*
To be able to fly.

*What's your favorite movie?*
Titanic

*What type of music do you listen to?*
Anything and Everything, all depends on the mood I'm in.

*What is your favorite hobby?*
Being a dog mom, taking pictures, and spending time with my family

*What do you think is the most interesting thing about you?*
The most interesting thing about me is that I’ve endured some of the most heart-wrenching life lessons all within one year. I am certainly a stronger woman because of it. I have always believed that you are never put through more than what you can handle. However, it certainly made me push my limits.

In the end, I am exactly where I want to be in life with a strong family, people that love me for who I am, and finally having a career that is centered on being the voice for the animals.
Volunteers...

Our volunteers are an extension of the Prince George Police family. They are an invaluable asset, not only to our Animal Service team but to the County of Prince George as well!

County Life...

You may remember in 2016 Animal Control Officer Dana Newmeyer assisted with the capture and transport of an injured bald eagle (pictured on left) that was located at Jefferson Park Rd to a wildlife rehabilitator. This time she was able to rescue a baby hawk!
