We are proud to announce Officer Kelly Borshch as our August 2019 Employee of the Month.

Officer Borshch is an employee that consistently works hard for the safety and security of our community. Kelly is a leader as it relates to criminal and traffic enforcement, and she always goes the extra mile with whatever challenge she comes across – while at work, she literally does not rest.

In addition to her work ethic, Kelly always exhibits an upbeat, positive, team-oriented mentality. She is always thorough, detailed, and timely with her administrative duties, and she routinely shares information to benefit the overall effectiveness of our Department. Kelly’s supervisors describe her as an excellent role model for our less experienced officers to emulate.

Please join us in recognizing and appreciating Officer Kelly Borshch for putting her heart and soul into her commitment to serve PG.

At 0846, eighteen years ago, one of the greatest tragedies that our nation would ever face began. A hijacked passenger jet, American Airlines Flight 11 out of Boston, Massachusetts, crashes into the north tower (Tower 1) of the World Trade Center, tearing a gaping hole in the building and setting it a fire. 10:28 a.m. Tower 1 collapses from the top down as if it were being peeled apart, releasing a tremendous cloud of debris and smoke. On September 11, 2019 a moment of silence was observed for all of those that lost their lives in such a horrible tragedy.

HOPEWELL MOOSE FAMILY CENTER 1472

The Hopewell Moose Family Center 1472 supports the local community in so many ways through fund-raising activities, donating to local families in their time of need and supporting other non-profit organizations. While the Moose is still active and continues their good works, they are rebuilding the lodge that was destroyed in a fire while never once losing focus on giving back to others. Scam Alert

We received a report of a scam regarding fraudulent service calls. The victim received a call from someone stating they are from AT&T; they indicated his TV boxes were going to stop working in 12 days and they want to come to his house, update his boxes and lower his monthly bill.

The phone number they gave does not belong to AT&T and is no longer in service. The victim further contacted AT&T and inquired about the appointment and was told that he does not have one, and his devices and service are up to date.

If you think you have been the victim of a scam, call police at 804-733-2770.

Hurricane Season

It's Hurricane season, please make preparations in advance. Check out the Virginia Department of Emergency Management for great tips on how to be prepared. Sometimes, it may just be a rainmaker, but we know how that can put a punch on us.

The Atlantic hurricane season runs from June 1st to November 30th, and the Eastern Pacific hurricane season runs from May 15th to November 30th. The Atlantic basin includes the Atlantic Ocean, Caribbean Sea, and Gulf of Mexico.
